**The Strategic Project Office** Emerald Group Publishing

Speaking truth to power demands diplomatic skills. This book looks at the way advice, which is needed by all executives, is provided to the summit of government in twelve advanced industrialized countries (Australia, Belgium, Britain, China, Denmark, France, Germany, Italy, Japan, Spain, Sweden, and the US). It examines the increasing pressures for centralization as core executives confront the differentiation and pluralization of government and the interplay of constitutional, political, and institutional factors.

**Army Reserve Magazine** Routledge

**Managing the PMO Lifecycle (PMOLC)** is a collective effort to highlight what goes into the set-up, the build-out and the sustainability of the Project Management Offices (PMOs). It provides the drivers, the benefits and the know-how. The book's main purpose is to be a reference guide for practitioners investing in setting up, building-out or supporting PMOs through providing a practical step by step guide and practical case studies.

**Program Manager** Red Wheel/Weiser

What is the number one thing hiring managers look for when searching for the best candidates? Of course, it's 'fit' into the organization - but that is demonstrated through the confidence and competence of candidates. There are many books that discuss how you can improve both your confidence and competence in searching for employment. This is the Only Job Search Book You Will Ever Need because it goes beyond the other books by being the first book to include specific actions that combine marketing techniques to stand out as the best available candidate on the market. This book focuses on the stories, anecdotes and deliberate actions of the author that helped him and countless others find meaningful employment and grow in their careers. This book has 3 primary areas to boost confidence and competence: 1. Actions to take when looking for employment 2. Using the 4P's of marketing to sell yourself - with examples of putting them in action 3. Helping others to succeed in their quest In the 150 pages in this book, I'll show you how to market yourself with the same techniques major companies use to sell products every day.

**What People Have Said About Human Competence:** "Among the ideas bulging from this classic work: performance exemplars, potential for improving performance, behavior-accomplishment distinction, performance matrix, ACORN troubleshooting test, performance audits, states, Worth = Value - Cost, knowledge maps, mediators, and job aids. The great accomplishments Gilbert left behind will continue to profit behavior analysis and performance improvement for a long, long time." --Ogden Lindsley, Behavior Research Company "Human Competence is probably the most

borrowed and least returned book in my library. It's good to have it in print more than once, so that I can keep replacing it, and rereading it for new insights from the original master of HPT." --Rob Foshay, TRO Learning, Inc. "Human Competence stands not only as a tribute to Tom's genius, but also as the best single source of ideas about performance technology. It is a 'must have' for anyone serious about changing the performance of individuals or organizations." --Dick Lincoln, Centers for Disease Control

**Human Competence** John Wiley & Sons

Why do so many software projects fail? The reality is that many of these projects are led by programmers or developers thrown into the role of project manager without the necessary skills or training to see a project through successfully. Patricia Ensworth has written a hands-on survival guide designed to rescue the "accidental project manager" and help them to quickly ramp up on all key areas involved in software project management. This book provides a no-nonsense, jargon-free approach to getting the job done. With the help of useful templates, checklists, and sample forms, as well as pointers to essential resources, Ensworth gives concise, easy-to-understand advice on everything needed to hit the ground running—including phases of project development, role assignment in the development team, the tools of the trade, and criteria for success.

**A Guide to the Project Management Body of Knowledge (PMBOK® Guide) – Seventh Edition** and **The Standard for Project Management (BRAZILIAN PORTUGUESE)** CRC Press

What is needed to get better project results? How do you get your temporary project office up and running quickly and structured? What kind of activities can a PMO employee undertake? How do you deal with a project or programme manager as a PMO employee? How do you get more time for stakeholder management as a project manager? These questions and more will be answered in this book. This book is a possible scenario to get to your own pop-up PMO roadmap and career. Sue Vowler (author of P3O): "This book a great analogy and perfectly describes the world of the temporary programme or project office. It fills the gaps in P3O, answering the "how do I do this?" question, and is a true practitioners guide to setting up, running and closing down temporary PMOs." Peter Taylor (author of **Leading successful PMOs** and **The lazy projectmanager**): "The book provides many practical examples as well as tools and templates that readers can use at their will as they follow along the roadmap to PMO succes."

**Project Management Office (PMO)** J. Ross Publishing

**Business Driven PMO Success Stories** was written by and with over two dozen contributing authors from the worldwide project management and project management office (PMO) community. It offers executives, managers, and all those involved in the projects of the organization, an understanding of the value a PMO can provide, the knowledge they need to determine the purpose of their PMO, and how to craft a PMO best suited to fulfill that purpose.
