"Here is the book lover's literary tour of Florida, an exhaustive survey of writers, books, and literary sites in every part of the state. The state is divided into ten areas and each one is described from a literary point of view. You will learn what authors lived in or wrote about a place, which books describe the place, what important movies were made there, even the literary trivia which the true Florida book lover will want to know. You can use the book as a travel guide to a new

way to see the state, as an armchair guide to a better understanding of our literary heritage, or as a guide to what to read next time you head to a bookstore or library."--Publisher.

Women in the United States organized around their own sense of a distinct set of needs, skills, and concerns. And just as significant as women's acting on their own behalf was the fact that race, class, sexuality, and ethnicity shaped their strategies and methods. This authoritative anthology presents some of the powerful

---

work and ideas about activism published in the acclaimed series *Women, Gender, and Sexuality in American History*. Assembled to commemorate the series' thirty-fifth anniversary, the collection looks at two hundred years of labor, activist, legal, political, and community organizing by women against racism, misogyny, white supremacy, and inequality. The authors confront how the multiple identities of an organization's members presented challenging dilemmas and share the histories of how women created change by working against inequitable social and structural systems. Insightful and provocative, *Women's Activist*

*Organizing in US History* draws on both classic texts and recent bestsellers to reveal the breadth of activism by women in the United States in the nineteenth and twentieth centuries. A leading Florida historian explores one of the state's most consequential eras. It was a time of stunning episodes of boom and bust, an era of extremes,

a decade of historic changes that point to Florida's future. In this book, eminent historian Gary Mormino illuminates early twenty-first-century Florida and its connections to some of the most significant events in contemporary American history. Following Mormino's milestone work *Land of Sunshine, State of Dreams*, which details the dynamic history of Florida from 1950 to 2000, *Dreams in the New Century* explores the state's tumultuous next chapter, a period that included the Bush v. Gore election, 9/11, the

During these years the Elián González story engrossed the country, Tim Tebow rose to football fame, and Donald Trump became a Florida celebrity. From hurricanes to Ponzi schemes, red tides, climate change, "Stand-Your-Ground" gun law, demographic diversity, and more, Florida offered nonstop news fodder that reflected its extraordinary internal trends and its importance in the nation. As Mormino shows, Florida is a place of deep conflicts--North and South, liberal and</p> | <p>conservative, newcomer and local, growth and conservation--with histories that can be traced back centuries. In 2000?2010, Mormino argues, these tensions collided to produce a "Big Bang" that will continue to resonate in years to come. Smith. Galvez was an early diaspora writer in the costumbrismo genre, which emphasized the depiction of everyday manners and customs of a particular social milieu. Gálvez

emigrated from Havana in 1896 to escape the Cuban War of Independence and join the Cuban exile community in Tampa. Gálvez was a champion baseball player in the earliest years of Cuban baseball, a lawyer/prosecutor/judge, and journalist/author. **Black Cuban, Black American** Bordighera Incorporated "El Lector will find a broad and appreciative audience and will become a landmark in the study of Cuban and Latin American cultures." —Roberto González Echevarría, Yale University The practice of reading

aloud has a long history, And The tradition still survives in Cuba as a hard-won right deeply embedded in cigar factory workers' culture. In El Lector, Araceli Tinajero deftly traces the evolution of the reader from nineteenth-century Cuba To The present and its eventual dissemination to Tampa, Key West, Puerto Rico, and Mexico. In interviews with present-day and retired readers, she records testimonies that otherwise would have been lost forever, creating a valuable archive for future historians. Through a close examination of journals, newspapers, and personal interviews, Tinajero relates how the

reading was organized, again the wonderful how the readers and readings were selected, and how the process affected the relationship between workers and factory owners. Because of the reader, cigar factory workers were far more cultured and in touch with the political currents of the day than other workers. But it was not only the reading material, which provided political and literary information that yielded self-education, that influenced the workers; the act of being read to increased the discipline and timing of the artisan's job.

**The Idealism of the Sovversivi in the United States, 1890-1940** Florida and the Caribbean Open

An examination of Italian immigrants and their children in the early twentieth century, *A New Language, A New World* is the first full-length historical case study of one immigrant group's experience with language in America.

Incorporating the interdisciplinary literature on language within a

historical

framework, Nancy C. Carnevale illustrates the complexity of the topic of language in American immigrant life. By looking at language from the perspectives of both immigrants and the dominant culture as well as their interaction, this book reveals the role of language in the formation of ethnic identity and the often coercive context within which immigrants must negotiate this process.

*A Memoir* Arte

Publico Press

Set in the gripping world of 1906 Ybor City, Florida, bright

and ambitious fifteen-year-old ANGELINA PIRRELLO comes of age, a first generation American. Amid the turmoil of the Suffragettes fierce fight for women's rights, the violent threat of the Italian mafia, and under the strict rule of her Sicilian father, Angelina struggles to find her way. Forced to quit school, and accept work in a cigar factory, Angelina remains determined to fulfill her dreams, when a devastating fire erupts at the factory. In its midst, Angelina meets ROLANDO and soon discovers love. Her excitement is swiftly shattered when her father arranges for her to marry a man she dislikes. With nowhere to turn, Angelina faces a critical and

irrevocable crossroads of family honor and security or the uncertainty of a turbulent world.

In *Immigrants on the Hill*, Gary Mormino traces the Hill's evolution from its roots in Lombardy and Sicily to contemporary times, focusing on those institutions that have sustained and nurtured the community. He reveals how, in work, play, religion, politics, and even bootlegging, Hill Italian-Americans have consistently encouraged ethnic pride, working-

---

class solidarity, and family honor. His study, now with a new preface, shows why this ethnic enclave has garnered national attention.

This volume brings together prominent writers from the English, French, Spanish, and Dutch speaking Caribbean in an examination of creolization and its impact upon the region's literary production. It is especially noteworthy for the broad spectrum of Caribbean nationalities it includes: writers from Cuba, Curacao, the Dominican Republic, Grenada,

Guadeloupe, Guyana, Haiti, Jamaica, Martinique, Panama, Suriname, and Tobago. Together, they are engaged in redefining Caribbean identity and esthetics, and their reflections on this process trace the evolution of a dynamic regional literature and identity out of materials displaced amid the movement of colonial empires and nationalistic and economic upheavals. The collection addresses a number of controversial issues, among them the survival of racism in mestizaje cultures of Hispanic nations of the Caribbean, the opposing theories of the history and development of Papiamento and Haitian Creole, and the role of Creole

languages in the production of consciousness and literature. Contents
