What is American Culture? - WorldAtlas
The American culture is unique in that it draws from most of the world's dominant cultures. America gained independence

from Britain in 1776 and began a path to determining and developing a unique cultural heritage. The culture of the Native Americans is also a strong influence on the American way of life. Amazon.com: The Incorporation of America: Culture and ...

Americans were introduced to national brands, national corporations, and national pastimes as they developed an increasingly incorporated national culture. The message sent by the White City at the Columbian Fair of 1893, "the first expression of American thought as unity," represented the fulfillment of an incorporated American culture (Trachtenberg 220).

The Formation of American Culture, 1876-1929 (HI282)

U.S. culture has also been shaped by the cultures of Native Americans, Latin Americans, Africans and Asians. The United States is sometimes described as a " melting pot " in which different...

The Incorporation Of America Culture

This vibrant and unique cultural mix is reflected not only in popular culture, but food, architecture, religion and music across the

continent, making it a fascinating part of the world to visit. Although many of the countries in South America were formed fairly recently, indigenous tribes and civilisations had been long established in South America before Spanish and Portuguese colonialists arrived.
