Eyes of the Innocent Penguin

A DRAFT FROM THE PAST There's something unnerving about the October north wind. It makes a wolf in the wilderness turn southward, in search of dangerous prey. It gets inside people's ears, opening their minds to bizarre ideas. It gets under their skin, inclining them to violence. Of course there's the comet too, a spectacular one, tracked by ordinary people in back yards, and by not-so-ordinary cult members at the top of a makeshift

observatory. Something's gusting into Epsom, Minnesota. A witch in her quiet house feels it with dread. A young disc jockey feels it with confusion. A world-famous Norwegian poet greets it with triumph. And Professor Carl Martell listens to its song with worry³/₄because Martell cannot tell a lie, but he knows one when he hears it. At the publisher's request, this title is sold without DRM (Digital Rights Management). Praise for Lars Walker's Erling's Word: "... many fierce battles, both with men and with sendings from the other gods.. . a Norse saga wrapped in a hair shirt.. . introspective and bloody...." ³/₄VOYA

In this #1 New York Times bestselling thriller from Harlan Coben, a dead man's secrets fall into the hands of a vigilante antihero—drawing him down a dangerous road. Over twenty years ago, the heiress Patricia Lockwood was abducted during a robbery of her family's estate, then locked inside an isolated cabin for months. Patricia escaped, but so did her captors — and the items stolen from her family were never recovered. Until now. On the Upper West Side, a recluse is found murdered in his penthouse apartment, alongside two objects of note: a stolen Vermeer painting and a leather suitcase bearing the initials WHL3. For the first time in years, the authorities have a lead — not only on Patricia's kidnapping, but also on another FBI cold case — with the suitcase and painting both pointing them toward one man. Windsor Horne Lockwood III — or Win, as his few friends call him — doesn't know how his suitcase and his family's stolen painting ended up with a dead man. But his interest is piqued, especially when the FBI tells him that the man who kidnapped his cousin was also behind an act of domestic terrorism — and that the conspirators may still be at large. The two cases have baffled the FBI for decades, but Win has three things the FBI doesn't: a personal connection to the case; an ungodly fortune; and his own unique brand of justice.
