Morrison's The Invisibles TV Series in Development | CBR
Grant Morrison is a

comics legend and The Invisibles may be his magnum opus; you need to have a strong stomach for the weird and occasionally gory (these are definitely graphic graphic novels), but I absolutely devoured them.

The Invisibles Grant Morrison [The Legacy of Grant Morrison's The Invisibles At 25 | CBR](#)
Grant Morrison, MBE is a

Scottish comic book writer and playwright. He is known for his nonlinear narratives and counter-cultural leanings in his runs on titles including, but not limited to, DC Comics's Animal Man, Doom Patrol, Batman, JLA, Action Comics, All-Star Superman, Green Lantern, The Flash, Vertigo's

The Invisibles, and Fleetway's 2000 AD. He has also served as the editor-in-chief of Heavy Metal and currently operates as an adviser for the magazine. He is also the co-creator of the Syfy *TELEVISION* – "grantmorrison" The Invisibles was Morrison's first major creator-owned title for DC

Comics and it drew from his Zenith strip as well as 1990s conspiracy culture. His intent was to create a hypersigil to jump-start the culture in a more positive direction. 5 Ways Grant Morrison's "The Invisibles" Predicted the Future The Invisibles is a fantastic comic and one of Grant Morrison's most insane works.
