The Invisibles is one of the top rated comics from Vertigo, and it's written by Grant Morrison, so I had to check it out. This series combines all of Morrison's favorite tropes: magic, psychedelic drugs, age old conspiracies, and his signature weirdness. The story begins with Dane McGowan, a hoodlum living in Liverpool England.

The Invisibles was a comic book series published by the Vertigo imprint of DC Comics from 1994 to 2000, then reprinted as a graphic novel series, an omnibus edition, and a volume of supplemental notes and source materials published by The Disinformation Company. It was created and scripted by Scottish writer Grant Morrison, and drawn by various artists throughout its publication. The series loosely follows the doings of a single cell of The Invisible College, a secret organization battling again

Comics legend Grant Morrison on "The Invisibles" for TV ...

This is an really good graphic novel, by one of the masters, Grant Morrison. The story is about a gang of chaos magickans playing their part in Illuminati conspiracy theories, and this being the first volume in the series introduces us to the main characters. Excellently done, this graphic novel is a must-have.
