The Invisibles Titan Books (UK)

First published in 1976, Paul Johnson ' s exceptional study of Christianity has been loved and widely hailed for its intensive research, writing, and magnitude— “ a tour de force, one of the most ambitious surveys of the history of Christianity ever attempted and perhaps the most radical ” (New York Review of Books). In a highly readable companion to books on faith and history, the scholar and author Johnson has illuminated the Christian world and its fascinating history in a way that no other has. Johnson takes off in the year AD 49 with his namesake the apostle Paul. Thus beginning an ambitious quest to paint the centuries since the founding of a little-known ‘ Jesus Sect ’ , A

History of Christianity explores to a great degree the evolution of the Western world. With an unbiased and overall optimistic tone, Johnson traces the fantastic scope of the consequent sects of Christianity and the people who followed them. Information drawn from extensive and varied sources from around the world makes this history as credible as it is reliable. Invaluable understanding of the framework of modern Christianity—and its trials and tribulations throughout history—has never before been contained in such a captivating work.

Hey Kids! Comics! Titan Publishing Company  
HEY KIDS! COMICS! takes its cue from nearly a century of turbulence and triumph, despair and drama in the comics racket. Artists and writers, con men and clowns, ganefs and gangsters create the foundations of today's biggest entertainment business—nor at least the tail that wags the dog. Some of it really happened, and the names have been changed to protect the innocent and guilty Éalthough in the end, everyone was guilty of something. Collects HEY KIDS! COMICS! #1-5

### The Invisibles Vol. 4: Bloody Hell In America DC

It's Halloween night, and it's up to Scary Godmother to show one little girl just how much fun spooky can be! Meet Hannah Marie, who, with the help of Scary Godmother, stands up to her mean-spirited cousin Jimmy and her fear of monsters on her first Halloween adventure with the big kids. Later, Hannah joins forces with Orson, the vampire boy, to unravel a mystery near and dear to their hearts. Some of Scary Godmother's closest (and most frightful) pals get in on the fun too, including Bug-A-Boo, the Boozle, and Skully Pettibone. • Four of Thompson's Eisner Award-winning, fully painted children's books are collected here, in their entirety, for the first time (Scary Godmother, The Revenge of Jimmy, The Mystery Date, and The Boo Flu). This deluxe edition also features some of the earliest concept designs for this haunting and imaginative series. • Thompson's Scary Godmother series resulted in a successful stage show and two animated specials shown on Cartoon Network, Scary Godmother: Halloween Spooktakular and Scary Godmother: The Revenge of Jimmy. • "Jill Thompson's Scary Godmother is another of this comics maestro's knockout punches. Thompson delivers a series that shrugs off the censors like the dead weight they are and writes and draws directly at

readers of all ages, all experience. Her work is always a delight, and much more: her craft, her precision, her delicious whimsy, all serve as a goad to the rest of us cartoonists to have as much fun as she's obviously enjoying, and to work our butts off as hard as she does. She only makes it look easy. That's the sign of a master."—Frank Miller • "A beautiful and ambitious piece of work."—Alex Ross • Eisner Award-winning series!

*Critical Approaches to Comics* offers students a deeper understanding of the artistic and cultural significance of comic books and graphic novels by introducing key theories and critical methods for analyzing comics. Each chapter explains and then demonstrates a critical method or approach, which students can then apply to interrogate and critique the meanings and forms of comic books, graphic novels, and other sequential art. The authors introduce a wide range of critical perspectives on comics, including fandom, genre, intertextuality, adaptation, gender, narrative, formalism, visual culture, and much more. As the first comprehensive introduction to critical methods for studying comics, *Critical Approaches to Comics* is the ideal textbook for a variety of courses in comics studies.
