"The world is not what it seems. Behind the curtain of everyday existence, a vast and unholy conspiracy is at work, twisting and deforming reality to pave the way for colonisation by hideous extra dimensional powers. Facing this onslaught is a laughably small resistance movement scattered across space and time- a handful of subversives known as The Invisibles. This silent guerrilla war has raged for millennia, shaping the very fabric of the universe. But now

---

the countdown to the final battle has begun, and soon everyone will have to make their choice: crushing, soul-rending conformity, or radical, anarchic freedom."--Page [4] of cover of Book 1.

Scary Godmother Vertigo  
King Mob, Ragged Robin, Lord Fanny, Jack Frost and Jolly Roger must prevent the crowning of the Moon-Child at Westminster Abbey, with the help of Mister Six and Division X; while, in the future, a radically changed King Mob and Jak prepare for the end of history.

night, and it's up to Scary Godmother to show one little girl just how much fun spooky can be! Meet Hannah Marie, who, with the help of Scary Godmother, stands up to her mean-spirited cousin Jimmy and her fear of monsters on her first Halloween adventure with the big kids. Later, Hannah joins forces with Orson, the

vampire boy, to unravel a mystery near and dear to their hearts. Some of Scary Godmother's closest (and most frightful) pals get in on the fun too, including Bug-A-Boo, the Boozle, and Skully Pettibone. • Four of Thompson's Eisner Award-winning, fully painted children's books are collected

here, in their entirety, for the first time (Scary Godmother, The Revenge of Jimmy, The Mystery Date, and The Boo Flu). This deluxe edition also features some of the earliest concept designs for this haunting and imaginative series. • Thompson's Scary Godmother series resulted in a successful stage show and two

animated specials shown on Cartoon Network, Scary Godmother: Halloween Spooktakular and Scary Godmother: The Revenge of Jimmy. • "Jill Thompson's Scary Godmother is another of this comics maestro's knockout punches. Thompson delivers a series that shrugs off the censors like the dead

intensive research, writing, and magnitude—"a tour de force, one of the most ambitious surveys of the history of Christianity ever attempted and perhaps the most radical" (New York Review of Books). In a highly readable companion to books on faith and history, the scholar and author Johnson has illuminated the Christian world and its fascinating history in a way that no other has. Johnson's sects of Christianity takes off in the year AD 49 with his namesake the apostle Paul. Thus beginning an ambitious quest to paint the centuries since the founding of a little-known 'Jesus Sect', A History of Christianity explores to a great degree the evolution of the Western world. With an unbiased and overall optimistic tone, Johnson traces the fantastic scope of the consequent and the people who followed them. Information drawn from extensive and varied sources from around the world makes this history as credible as it is reliable. Invaluable understanding of the framework of modern Christianity—and its trials and tribulations throughout history—has never before been contained

*Critical Approaches to Comics* offers students a deeper understanding of the artistic and cultural significance of comic books and graphic novels by

introducing key theories and critical methods for analyzing comics. Each chapter explains and then demonstrates a critical method or approach, which students can then apply to interrogate and critique the meanings and forms of comic books, graphic novels, and other sequential art. The authors introduce a wide range of critical perspectives on comics, including fandom, genre, intertextuality, adaptation, gender, narrative, formalism,

visual culture, and much more. As the first comprehensive introduction to critical methods for studying comics, *Critical Approaches to Comics* is the ideal textbook for a variety of courses in comics studies. of the seventeenth century's most striking figures: a woman who ventured into the male spheres of politics, science, philosophy and literature. The Blazing World is a highly original work: part Utopian fiction, part feminist text, it tells of a lady shipwrecked on the Blazing World where she is made Empress and uses her power to ensure that it is free of war, religious division and unfair sexual discrimination. This volume also includes The Contract, a romance in which love and law work harmoniously together, and Assaulted and Pursued Chastity, which explores the power and freedom a woman can achieve in the disguise of a man.
