The Bible has plenty to say about end times. But until now, there has been no other book that—in straightforward prose that's easy to understand—gathers ten scriptural prophecies, lays out a chronological checklist, and offers a guideline for sorting

it all out. In *What in the World Is Going On?* Dr. David Jeremiah answers the hard questions, including these: "How is prophecy playing out in modern Europe?" "Why does Israel matter?" The doctrine of the Antichrist is one of the most interesting doctrines found in Scripture, says author Kim Riddlebarger. Unfortunately, it's also one which has been subject to far more speculation than sound biblical exegesis.

Until now. Unlike other resources available on the Antichrist, The Man of Sin focuses on Scripture, not contemporary events, to uncover the truth about this mysterious entity. With skilled exegesis Riddlebarger asserts that, contrary to popular speculation, the Antichrist is not a singular individual but a series of beings that will arise to challenge Christ throughout the inter-advental age before culminating in an end-times Antichrist. Backing this claim first in Scripture, Riddlebarger also draws from historical teachings including those of the church fathers, the Reformation, and historic Protestantism, before contrasting this evidence to the sensational interpretations of many contemporary writers. Pastors, teachers, and study groups wanting to understand the doctrine of the Antichrist will find The Man of Sin to be a unique and comprehensive study.

In The Art of Prophesying, Puritan William Perkins (1558-1602) teaches how to preach the Word with "studied plainness," not relying on technique or soaring flourishes of oratory, but rather by unleashing the majestic power of the unencumbered Word of God. Unlike so much of the milquetoast preaching heard today, Perkins teaches how to utilize the Scripture in all its capacities: for teaching correct doctrine, for reproof and correction, and for training the godly in righteousness (2 Timothy 3:16). This type of preaching changed lives during Perkins' lifetime, and it has the same effect today. Includes a biographical preface by Benjamin Brook. Scripture references (from the ESV) are embedded in the text as hyperlinks--no internet connection required.

Of the many trouble spots in the world today, none rivals Jerusalem for ultimate significance. Zechariah prophesied that in the last days God would make Jerusalem a "cup of trembling" and a "burdensome stone" for the whole world. Today's world has its eyes on Jerusalem, believing that the next world war will break out over this city.

Jerusalem is indeed a "cup of trembling" and will continue to be so in spite of false peace initiatives.

Greil Marcus, author of *Mystery Train*, widely acclaimed as the best book ever written about America as seen through its music, began work on this new book out of a fascination with the Sex Pistols: that scandalous antimusical group, invented in London in 1975 and dead within two years, which sparked the emergence of the culture called punk. "where in the world of pop music did that come from? Looking for an answer, with a high sense of the drama of the journey, Marcus takes us down the dark paths of counterhistory, a route of blasphemy, adventure, and surprise. This is no mere search for cultural antecedents. Instead, what Marcus so brilliantly shows is that various kinds of angry, absolute demands on society, art, and all the governing structures of everyday life seem to be coded in phrases, images, and actions passed on invisibly, but inevitably, by people quite unaware of each other. Marcus lets us hear strange yet familiar voices: of such heretics as the Brethren of the Free Spirit in medieval Europe and the Ranters in seventeenth-century England; the dadaists in Zurich in 1916 and Berlin in 1918, wearing death masks, chanting glossolalia; one Michel Mourre, who in 1950 took over Easter Mass at Notre-Dame to proclaim the death of God; the Lettrist International and the Situationist International, small groups of Paris-based artists and writers surrounding Guy Debord, who produced blank-screen films, prophetic graffiti, and perhaps the most provocative social criticism of the 1950s and '60s; the rioting students and workers of May '68, scrawling cryptic slogans on city walls and bringing France to a halt; the Sex Pistols in London, recording the savage *Anarchy* in the U.K. and *God Save the Queen*. Although the Sex Pistols shape the beginning and the end of

the story, Lipstick Traces is not a book about music; it is about a common voice, discovered and transmitted in many forms. Working from scores of previously unexamined and untranslated essays, manifestos, and filmscripts, from old photographs, dada sound poetry, punk songs, collages, and classic texts from Marx to Henri Lefebvre, Marcus takes us deep behind the acknowledged events of our era, into a hidden tradition of moments that would seem imaginary except for the fact that they are real: a tradition of shared utopias, solitary refusals, impossible demands, and unexplained disappearances. Written with grace and force, humor and an insistent sense of tragedy and danger, Lipstick Traces tells a story as disruptive and compelling as the century itself.

Watch therefore, for ye know neither the day nor the hour wherein the Son of man cometh. (Matthew 25:1-13) We live in troubled and dangerous times. It has been a long time since there have been as many ideas and events in our world causing fear and anxiety as there are today. But one thing, in any event, is clear, and that is the duty of Christians to search more diligently than ever the prophetic Scriptures. Do not be like the Jews at the first advent who were blind to the hand of God and the fulfillment of His purposes in all that was going on in the world. Let us instead remember that the word of prophecy is given to be a light that shineth in a dark place, until the day dawn, and the day star arise (2 Peter 1:19). Let us walk in that light. Let us search what, or what manner of time the Spirit of Christ which was in them [the prophets] did signify, when it testified beforehand the sufferings of Christ, and the glory that should follow (1 Peter 1:11). Let us compare prophecies fulfilled with prophecies unfulfilled and attempt to make the one illustrate the other. Let us strive, above all, to obtain clear views of the things we should be expecting, both in the church and the world, before the end comes and time will be no more.

"Throughout history, the largely gentile Christian Church has utterly failed to heed Paul's warnings, falling headlong into both ignorance and

arrogance toward unbelieving Israel almost from the start. The horrific results of this have been seen in the long and bloody history of anti-Semitism against the Jewish people, in the profound blindness of the Church concerning God's unfolding prophetic plans, in a widespread identity crisis, and in its inability to faithfully proclaim the true and full Gospel message. The Church must acknowledge and repent of its long, bloody history and prepare for the days ahead. Discusses the good fruit and growing number of salvations among Jews, particularly in Israel. An appeal to support evangelism among Jews in Israel, as well as prayer and support for that nation in anticipation of the Lord's complete redemption of His people"--

Not only does it show that the Antichrist will be Muslim, it also identifies four events the author calls Signposts which will occur in a series leading right up to the Tribulation.
