Amazon.com: over the door organizer I came to know of the Isolation Door because the author did an AMA on reddit. It is a story about pain. Of the pain arising from living with a loved one's mental illness, the awareness that you are broken and the constant, almost pathological struggle to emerge from it, never knowing when you'll slip further or give in for good.

Isolation can be seen as beneficial or detrimental. Isolating one's self can reboot and unwind the brain, improve concentration, increase productivity, provide opportunities to discover yourself and find your own voice, provides time for you to think deeply, help you work through problems more effectively and

enhance the quality of your relationships with others.
