This stunning fantasy inspired by Chinese folklore is a companion novel to *Starry River of the Sky* and the New York Times bestselling and National Book Award finalist *When the Sea Turned to Silver*. In the valley of Fruitless mountain, a young girl named Minli lives in a ramshackle hut with her parents. In the evenings, her father regales her with old folktales of the Jade Dragon and the Old Man on the Moon, who knows the answers to all of life's questions. Inspired by these stories, Minli sets off on an extraordinary journey to find the Old Man on the Moon to ask him how she can change her family's fortune. She encounters an assorted cast of characters and magical creatures along the way, including a dragon who accompanies her on her quest for the ultimate answer. Grace Lin, author of the beloved *Year of the Dog* and *Year of the Rat* returns with a wondrous story of adventure, faith, and friendship. A fantasy crossed with Chinese folklore, *Where the Mountain Meets the Moon* is a timeless story reminiscent of *The Wizard of Oz* and Kelly Barnhill's *The Girl Who Drank the Moon*. Her beautiful illustrations, printed in full-color, accompany the text throughout. Once again, she has created a charming, engaging book for young readers.

The Jewel That Was Ours Aladdin
Edgar Allan Poe and C. Auguste Dupin strive unravel a mystery involving old enemies, lost soul-mates, ornithomancy, and the legendary jewel of Peru. Philadelphia, 1844. As violent tensions escalate between nativists and recent Irish immigrants, Edgar Allan Poe's fears for the safety of his wife, Virginia, and mother-in-law, Muddy, are compounded when he receives a parcel of mummified bird parts. Has his nemesis returned to settle an old score? Just as odd is the arrival of Helena Loddiges, a young heiress who demands Poe's help to discover why her lover died at the city's docks on his return from an expedition to Peru. Poe is skeptical of her claims of having received messages from birds—and visitations from her lover's ghost—but when Miss Loddiges is kidnapped, he and his friend C. Auguste Dupin must unravel a mystery involving old enemies, lost soul-mates, ornithomancy, and the legendary jewel of Peru.

The Jewel That Was Ours is the ninth novel in Colin Dexter's Oxford-set detective series. He looked overweight around the midriff, though nowhere else, and she wondered whether perhaps he drank too much. He looked weary, as if he had been up most of the night conducting his investigations. . . . For Oxford, the arrival of twenty-seven American tourists is nothing out of the ordinary. . . . until one of their number is found dead in Room 310 at the Randolph Hotel. It looks like a sudden — and tragic — accident. Only Chief Inspector Morse appears not to overlook the simultaneous theft of a jewel-encrusted antique from the victim's handbag. . . . Then, two days later, a naked and battered corpse is dragged from the River Cherwell. A coincidence? Maybe. But this time Morse is determined to prove the link. . . . The Jewel That Was Ours is followed by the tenth Inspector Morse book, *The Way Through the Woods*.

A NEW YORK TIMES BEST SELLER The Selection meets Reign in this dazzling trilogy of interwoven novels about three girls on a quest for freedom and true love from #1 internationally bestselling author Richelle Mead. Mira is not like the other Glittering Court girls. She is a war refugee, cast out of her home country and thrust into another, where she has learned to fight against the many injustices around her. For some, the Glittering Court offers a chance at a life they've only ever dreamed of, one of luxury, glamour, and leisure. But for Mira, it's simply a means to an end. In the new world, she plans to earn off her marriage contract price, and finally be free. Mira pitches herself as an asset to one of the passengers on board the ship: the sardonic and aloof Grant Elliot, whom she's discovered is a spy for the prestigious McGraw Agency—and her ticket to buying her freedom. His cover blown, Grant has little choice but to take her on. Mira applies herself by day, learning the etiquette and customs that will help to earn her anonymity. By night, she dons a mask and slips into the city, fighting injustice and corruption on her own terms—and impressing Grant with her extraordinary abilities and insights into a brewing rebellion. But the rebellion isn't all they're fighting. . . . Neither of them can ignore the attraction burning between them—an attraction so powerful, it threatens to unravel everything Mira's worked so hard for. With freedom finally within her grasp, can Mira risk it all for love?

From some of our most prominent spiritual and religious leaders, poets and thinkers, singers and writers, a book of wisdom to light our way in dark times. At the start of 2020, in what felt already like an age of disorder, our world faced one of the gravest global challenges in a century. Covid-19 raced around the earth, and chaos erupted. Yet in the midst of this crisis, billions of human beings responded with love. Across the globe, people sought to connect, whether in person from a socially distant six feet or via a screen from 10,000 miles away. In that moment, Tim Shriver saw an opportunity for those hungry for community to answer a call to heal, a call to hope, a call to unite. He asked monks and nuns, artists and activists, nurses and doctors, ex-presidents and ex-cons to come together to share messages of inspiration, transformation, and love. This book captures the spirit of that 24-hour event. Featuring stories and insights from Bishop TD Jakes, Elizabeth Gilbert, Van Jones, Amy Grant, Dr. Rheeda Walker, Pastor Rick Warren, Rev. Jacqui Lewis, Jewel, Deepak Chopra and many others, *The Call to Unite* offers readers a book of wisdom to turn to in hard times - filled with prayers, poems, spiritual insights and lessons to live by that will stand the test of time. Those seeking affirmation, solace, and inspiration need only look inside for guidance in finding the light in any crisis. Only in embracing each other can we amplify the love that creates our global community. Only in coming together can we be our happiest, and our best.

A Jewel Story Little, Brown Books for Young Readers

The Last Enchantments is a powerfully moving and lyrically written novel. A young American embarks on a year at Oxford and has an impassioned affair that will change his life forever After graduating from Yale, William Baker, scion of an old line patrician family, goes to work in presidential politics. But when the campaign into which he's poured his heart ends in disappointment, he decides to leave New York behind, along with the devoted, ambitious, and well-connected woman he's been in love with for the last four years. Will expects nothing more than a year off before resuming the comfortable life he's always known, but he's soon caught up in a whirlwind of unexpected friendships and romantic entanglements that threaten his safe plans. As he explores the heady social world of Oxford, he becomes fast friends with Tom, his snobbish but affable flat mate; Anil, an Indian economist with a deep love for gangster rap; Anneliese, a German historian obsessed

with photography; and Timmo, whose chief ambition is to become a reality television star. What he's least prepared for is Sophie, a witty, beautiful and enigmatic woman who makes him question everything he knows about himself. For readers who made a classic of Richard Yates's *A Good School*, Charles Finch's *The Last Enchantments* is a sweeping novel about love and loss that redefines what it means to grow up as an American in the twenty-first century.

Liberal Arts and Music in Female Seminaries The Jewel That Was Ours

The #1 New York Times — bestselling author of *A Discovery of Witches* examines the real-life history of the scientific community of Elizabethan London. Travel to the streets, shops, back alleys, and gardens of Elizabethan London, where a boisterous and diverse group of men and women shared a keen interest in the study of nature. These assorted merchants, gardeners, barber-surgeons, midwives, instrument makers, mathematics teachers, engineers, alchemists, and other experimenters formed a patchwork scientific community whose practices set the stage for the Scientific Revolution. While Francis Bacon has been widely regarded as the father of modern science, scores of his London contemporaries also deserve a share in this distinction. It was their collaborative, yet often contentious, ethos that helped to develop the ideals of modern scientific research. The book examines six particularly fascinating episodes of scientific inquiry and dispute in sixteenth-century London, bringing to life the individuals involved and the challenges they faced. These men and women experimented and invented, argued and competed, waged wars in the press, and struggled to understand the complexities of the natural world. Together their stories illuminate the blind alleys and surprising twists and turns taken as medieval philosophy gave way to the empirical, experimental culture that became a hallmark of the Scientific Revolution. “Elegant and erudite.” —Anthony Grafton, *American Scientist* “A truly wonderful book, deeply researched, full of original material, and exhilarating to read.” —John Carey, *Sunday Times* “Widely accessible.” —Ian Archer, *Oxford University* “Vivid, compelling, and panoramic, this revelatory work will force us to revise everything we thought we knew about Renaissance science.” —Adrian Johns, author of *The Nature Book*

"DELIGHTFUL." --The Wall Street Journal In short mysteries so brilliantly plotted they'll confound the cleverest of souls, Inspector Morse remains as patient as a cat at a mouse hole in the face of even the most resourceful evildoers. Muldoon, for instance, the one-legged bomber with one fatal weakness . . . the quartet of lovers whose bizarre entanglements Morse deciphers only after a beautiful woman is murdered . . . and those artful dodgers who catch the cunning and very respectful Morse with his pants down. There are mysteries featuring new characters and some familiar ones, including the great Sherlock Holmes, and a royal flush of American crooks. "BRILLIANT . . . Inspector Morse is back, and more than welcome." --Houston Chronicle "Fear not. In Dexter's dexterous hands, the short-form Morse is every bit as wily and irascible as he is in the the popular Morse novels and the long-running PBS Mystery! series." --The Raleigh News & Observer

The Wench is Dead is the eighth novel in Colin Dexter's Oxford-set detective series. That night he dreamed in Technicolor. He saw the ochre-skinned, scantily clad siren in her black, arrowed stockings. And in Morse's muddled computer of a mind, that siren took the name of one Joanna Franks. . . . The body of Joanna Franks was found at Duke's Cut on the Oxford Canal at about 5.30 a.m. on Wednesday, 22nd June 1859. At around 10.15 a.m. on a Saturday morning in 1989 the body of Chief Inspector Morse — though very much alive — was removed to Oxford's John Radcliffe Hospital. Treatment for a perforated ulcer was later pronounced successful. As Morse begins his recovery he comes across an account of the investigation and the trial that followed Joanna Franks' death. . . . and becomes convinced that the two men hanged for her murder were innocent. . . . *The Wench is Dead* is followed by the ninth Inspector Morse book, *The Jewel That Was Ours*.
