With equal parts wit and wisdom, New York Times bestselling author Donald Miller invites you to reconnect with your faith. Miller shares what he's learned firsthand--that our relationship with God is designed to teach us about redemption, grace, healing, and so much more. Searching for God Knows What weaves together timeless stories and fresh perspectives on the Bible to capture one man's journey to discover an authentic faith that's worth believing. Along the way, Miller poses his own questions about faith, religion, and community, asking: What if the motive behind our theology was relational? What if our value exists because God takes pleasure in us? What if the gospel of Jesus is an invitation to know God? Maybe you're a Christian wondering what faith you signed up for. Or maybe you don't believe anything and are daring someone to show you a genuine example of genuine faith. Somewhere beyond the self-help formulas, fancy marketing, and easy promises, there is a life-changing experience with God waiting for you--it just takes a little bit of searching. Praise for Searching for God Knows What: "Like a shaken snow globe, Donald Miller's newest collection of essays creates a swirl of ideas about the Christian life that eventually crystallize into a lovely landscape...[He] is one of the evangelical book market's most creative writers." --Christianity Today "If you have felt that Jesus is someone you respect and admire--but Christianity is something that repels you--Searching for God Knows What will give you hope that you still can follow Jesus and be part of a church without the trappings of organized religion." --Dan Kimball, author of The Emerging Church and Pastor of Vintage Faith Church, Santa Cruz, CA "For fans of Blue Like Jazz, I doubt you will be disappointed. Donald Miller writes with the wit and vulnerability that you expect. He perfectly illustrates important themes in a genuine and humorous manner...For those who would be reading Miller for the first time, this would be a great start." --Relevant Let Your Life Speak Oxford University Press

A Journey to Seeking God, Real or Myth? John Hunt Publishing
"Every man who knocks on the door of a brothel is knocking for God." - G. K. Chesterton What if lust for porn is really a search for true passion? In a world where there are 68 million searches for pornography every day and where over 70 percent of Christian men report viewing porn in the last year, it's no surprise that more and more men struggle with an addiction to this false fantasy. Common wisdom says if they just had more willpower or more faith, their fight would be over. Is the answer really that simple? According to the counselor and ministry leader Michael John Cusick, the answer is no--but the big truth may be much more freeing.Backed by scripture, Cusick uses examples from his own life and from his twenty years of counseling experience to show us how the pursuit of empty pleasure is really a search for our heart's deepest desire--and

the real key to to resistance is discovering and embracing the joy we truly want. Cusick's insights help readers understand how porn struggles begin, what to do to prevent them, and most importantly, how to overcome the compulsion once it begins. In the end, this powerful book shows us all how the barrier built by porn addiction can become a bridge to abundant life.

Wake Up...Live the Life You Love: Finding Your Life's Passion John Wiley & Sons
From the Author: Every woman should be looking for more than just a man. She should desire someone who makes her feel complete. Someone who makes love to her spirit, her mind, and her body. This book is intended for the grown and mature. However, I encourage parents to share this book with both young women and men. I think that as a rite of passage into adult-hood wherein young women and men will begin to explore the various feelings of sexuality that it is important they recognize that there are different types of relationships.some will be good to us, but not necessarily good for us. The viewpoints herein are strongly based on the author's point of views and experiences. They are a manifestation of conversations she's shared over the years with both men and women relative to their own personal relationships; and should not be deemed as 'absolute'. The contents are presented in a lite-hearted, and sometimes explicit manner as to grasp the attention of the reader and keep it. From the Editor: In Search of Good Dick is about a woman's journey through various relationships. What readers will find most striking is that this journey is not that of just Jacquelyn! She has taken the time to share with the world pertinent life experiences and understandings about relationships that she has learned from mentors, peers, strangers, and friends. Many of the readers will identify intimately with her; oftentimes, finding that they've traveled, ventured or even tarried on some of the same roads as Jacquelyn. The book is a lite-hearted exploration of various types relationships that women find themselves involved in for one reason or the other. Jacquelyn does a wonderful job of

making sure that allwomen from varying socioeconomic groups can enjoy the book. Many of her experiences are those of women from every race, ethnicity, or social status. We've all been in situations where we were giving so much more what we're getting back. Although, explicit in some areas, I think that was even important because the explicitness captures the reader's attention. The book reads like a letter. Jacquelyn writes in a narrative as if she is speaking directly to, or having a conversation with the reader. The book is humorous, informative, and enlightening. Both women and men will appreciate the lite-hearted humor, but gripping facts and reality about what we (men and women) should be doing to attract the right mate; enhance or sustain our existing relationship; or to move on to a relationship that may be more fulfilling. THE TIME WILL COME WHEN YOU WILL ACCEPT NOTHING LESS THAN WHAT YOU GIVE IN A RELATIONSHIP!That time has finally come for Jacquelyn Rochell. After several failed relationships where she had given her all and all to men who deserved much less, she's not willing to accept nothing less than what she is giving.
