The Mystery, the Way, and the Journey Simon and Schuster
A major Channel 4 series and a Sunday Times bestseller His journey is 4,250 miles long. He is walking every step of the way, camping in the wild, foraging for food, fending for himself against multiple dangers. He is passing through rainforest, savannah, swamp, desert and lush delta oasis. He will cross seven, very different countries. No one has ever made this journey on foot. In this detailed, thoughtful, inspiring and dramatic book, recounting Levison Wood's walk the length of the Nile, he will uncover the history of the Nile, yet through the people he meets and who will help him with his journey, he will come face to face with the great story of a modern Africa emerging out of the past. Exploration and Africa are two of his great passions - they drive him on and motivate his inquisitiveness and resolution not to fail, yet the challenges of the terrain, the climate, the animals, the people and his own psychological resolution will throw at him are immense. The dangers are very real, but so is the motivation for this ex-army officer. If he can overcome the mental and physical challenges, he will be walking into history...

Walking the Americas Houghton Mifflin Harcourt
"Travel with Adam Hamilton as he retraces the life and ministry of Jesus Christ. Using historical information, archaeological data, and stories of the faith, Hamilton follows in the footsteps of Jesus from his baptism to the temptations to the heart of his ministry, including the people he loved, the parables he taught, the enemies he made, and the healing he brought"--Publisher.

The Journey Abrams
God is our ever-faithful Guide and Companion. He is the One who never leaves us. Not even in life's toughest, most tedious or trying times. Not even if we falter or fail. If you do not sense Him at your side now? or if His footsteps are faint? Your spiritual eyes and ears will be opened by walking the path laid out in this book. Join me as we walk the Gravel Road through this 31 day Devotional.

The Old Ways Vintage
Nineteen days, 256 miles, and one renowned poet walking the backbone of England. The wandering poet has always been a feature of our cultural imagination. Odysseus journeys home, his famous flair for storytelling seducing friend and foe. The Romantic poets tramped all over the Lake District searching for inspiration. Now Simon Armitage, with equal parts enthusiasm and trepidation, as well as a wry humor all his own, has taken on Britain's version of our Appalachian Trail: the Pennine Way. Walking "the backbone of England" by day (accompanied by friends, family, strangers, dogs, the unpredictable English weather, and a backpack full of Mars Bars), each evening he gives a poetry reading in a different village in exchange for a bed. Armitage reflects on the inextricable link between freedom and fear as well as the poet's place in our bustling world. In Armitage's own words, "to embark on the walk is to surrender to its lore and submit to its logic, and to take up a challenge against the self."

The Good Way Abingdon Press
'A memorable, oddly beautiful book' Wall Street Journal 'A marvellous glimpse of the Japan that rarely peeks through the country's public image' Washington Post One sunny spring morning in the 1970s, an unlikely Englishman set out on a pilgrimage that would take him across the entire length of Japan. Travelling only along small back roads, Alan Booth travelled on foot from Soya, the country's northernmost tip, to Sata in the extreme south, traversing three islands and some 2,000 miles of rural Japan. His mission: 'to come to grips with the business of living here,' after having spent most of his adult life in Tokyo. The Roads to Sata is a wry, witty, inimitable account of that prodigious trek, vividly revealing the reality of life in off-the-tourist-track Japan. Journeying alongside Booth, we encounter the wide variety of people who inhabit the Japanese countryside - from fishermen and soldiers, to bar hostesses and school teachers, to hermits, drunks and the homeless. We glimpse vast stretches of coastline and rambling townscapes, mountains and motorways; watch baseball games and sunrises; sample trout and Kilimanjaro beer, hear folklore, poems and smutty jokes. Throughout, we enjoy the wit and insight of a uniquely perceptive guide, and more importantly, discover a new face of an often-misunderstood nation.

The Way: 40 Days of Reflection Atlantic Monthly Press
A trek through Central America from the author of Walking the Himalayas, " just the kind of guy you want with you on an adventure " (The Washington Post). Beginning in the Yucat á n—and moving south through Belize, Guatemala, Honduras, Nicaragua, Costa Rica, and Panama—Wood ’ s journey takes him from sleepy barrios to glamorous cities to Mayan ruins lying unexcavated in the wilderness. Wood encounters indigenous tribes in Mexico, revolutionaries in a Nicaraguan refugee camp, fellow explorers, and migrants heading toward the United States. The relationships he forges along the way are at the heart of his travels—and the personal histories, cultures, and popular legends he discovers paint a riveting history of Mexico and Central America. While contending with the region ’ s natural obstacles like quicksand, flashfloods, and dangerous wildlife, he also partakes in family meals with local hosts, learns to build an emergency shelter, negotiates awkward run-ins with policemen, and witnesses the surreal beauty of Central America ’ s landscapes, from cascading waterfalls and sunny beaches to the spectacular ridgelines of the Honduran highlands. Finally, Wood attempts to cross one of the world ’ s most impenetrable borders: the Dari é n Gap route from Panama into South America, a notorious smuggling passage and the wildest jungle he has ever navigated. A Sunday Times bestseller and longlisted for the Banff Mountain Book Award for adventure travel, Walking the Americas is a thrilling personal tale, an accomplished piece of cultural reportage, and a breathtaking journey across some of the most diverse and unpredictable regions on earth. “ A thrilling narrative trek . . . [Wood] elevates this already fascinating landscape with lively prose that combines travel journal with history lessons, memoir, and survivalist handbook. ” —Booklist

The Roads to Sata Abingdon Press
The purpose of this book is to reassure any and everyone that the path in which they are traveling is purposed for them. I want them to know that we are in a time that we have been faced with may tests and trials, but they are there to make us strong. This book is to remind women that they are not alone. By reading this book women will understand how important it is to now their identity and will learn to live in the fullness of God.

Celebrate the 10th Anniversary of Adam Hamilton's classic, The Journey.

The Journey, Expanded Large Print Edition Createspace Independent Pub
More than six hundred years ago, the Archbishop of Canterbury was murdered by King Henry II ’ s knights. Before the Archbishop ’ s blood dried on the Cathedral floor, the miracles began. The number of pilgrims visiting his shrine in the Middle Ages was so massive that the stone floor wore thin where they knelt to pray. They came seeking healing, penance, or a sign from God. Chaucer ’ s The Canterbury Tales, one of the greatest, most enduring works of English literature, is a bigger-than-life drama based on the experience of the medieval pilgrim. Power, politics, friendship, betrayal, martyrdom, miracles, and stories all had a place on the sixty mile path from London to Canterbury, known as the Pilgrim ’ s Way. Walking to Canterbury is Jerry Ellis ’ s moving and fascinating account of his own modern pilgrimage along that famous path. Filled with incredible details about medieval life, Ellis ’ s tale strikingly juxtaposes the contemporary world he passes through on his long hike with the history that peeks out from behind an ancient stone wall or a church. Carrying everything he needs on his back, Ellis stops at pubs and taverns for food and shelter and trades tales with the truly captivating people he meets along the way, just as the pilgrims from the twelfth century would have done. Embarking on a journey that is spiritual and historical, Ellis reveals the wonders of an ancient trek through modern England toward the ultimate goal: enlightenment.

The Way of Kings Macmillan
Following his trek along the length of the Nile River, explorer Levison Wood takes on his greatest challenge yet: navigating the treacherous foothills of the Himalayas, the world's highest mountain range. Praised by Bear Grylls, Levison Wood has been called "the toughest man on TV" (The Times UK). Now, following in the footsteps of the great explorers, Levison recounts the beauty and danger he found along the Silk Road route of Afghanistan, the Line of Control between Pakistan and India, the disputed territories of Kashmir and the earth-quake ravaged lands of Nepal. Over the course of six months, Wood and his trusted guides trek 1,700 gruelling miles across the roof of the world. Packed with action and emotion, Walking the Himalayas is the story of one intrepid man's travels in a world poised on the edge of tremendous change.

Walking The Himalayas Image
Shares the story of a pair of Sudanese youths whose lives were irrevocably shaped by the crisis in Darfur, control of limited oil reserves, and radical Islamic terrorism, in a tale that follows the displacement of thousands of refugee children who face starvation, disease, and violence.

The Journey Revell
In this discursive jaunt through the groves and thickets of the

English language, David Crystal creates a mesmerizing and entertaining narrative account of his encounters with the language and its speakers. Woven from personal reflections, historical allusions, and observations of travelers, this fascinating journey through the language we use every day will have readers thinking twice about each word they speak. Starting in Wales and moving from England to San Francisco by way of, yes, Poland, Crystal encounters numerous linguistic side roads that he cannot resist exploring, from pubs to trains to Tolkien. Walking English captures the seductive, quirky, teasing, tantalizing nature of the language itself—a Bill Bryson-esque exploration of language by our foremost expert on the subject.

Walking the Nile HarperCollins
Journey with Adam Hamilton as he travels from Nazareth to Bethlehem in this fascinating look at the birth of Jesus Christ. As he did with Jesus' crucifixion in 24 Hours That Changed the World, Hamilton once again approaches a world-changing event with thoughtfulness. Using historical information, archaeological data, and a personal look at some of the stories surrounding the birth, the most amazing moment in history will become more real and heart-felt as you walk along this road. Read The Journey on your own or, for a more in-depth study, enjoy it with a small group. Also available: The Journey: A Season of Reflections The Journey: DVD with Leader Guide The Journey: Youth Edition The Journey: Children's Edition "This book may be the greatest Christmas present of the year. Adam thoughtfully, movingly walks us through what really happened when God touched this planet. The richness of the full story will touch your life as well." John Ortberg, author of The Me I Want to Be: Becoming God's Best Version of You "If you think you know the story of Jesus' birth, think again! This wonderful book sets us on a journey to the times and characters of Christmas so that we experience the birth of Christ in our lives in a new way." Joel C. Hunter, author of Church Distributed "Adam is a pastor who has clearly walked in the footsteps of the Master. This is a timely Christmas gift for a friend no matter where he or she is along 'the journey.'" Rich Nathan, coauthor of Empowered Evangelicals 'Adam Hamilton is one of the finest pastors I know. In addition, his books have long been favorites of mine. The Journey: Walking the Road to Bethlehem will soon be a favorite of yours. Complete with a 28 day devotional and videos filmed in the Holy Land this will add a new depth and joy to your Christmas season." Bill Hybels Senior pastor, Willow Creek Community Church Chairman of Board, Willow Creek Association

Walking English Abingdon Press
NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Walking in the Footsteps of Jesus Abingdon Press
Mary appears only a few times in the Bible, but those few passages come at crucial moments. Catholics believe that Mary is the ever-virgin Mother of God, the Queen of Heaven and Earth. But she also was a human being--a woman who made a journey of faith through various trials and uncertainties and endured her share of suffering. Even with her unique graces and vocation, Mary remains a woman we can relate to and from whom we have much to learn. In Walking with Mary, Edward Sri looks at the crucial passages in the Bible concerning Mary and offers insight about the Blessed Mother's faith and devotion that we can apply in our daily lives. We follow her step-by-step through the New Testament account of her life, reflecting on what the Scriptures tell us about how she responded to the dramatic events unfolding around her. “ This book is the fruit of my personal journey of studying Mary through the Scriptures, from her initial calling in Nazareth to her painful experience at the cross, ” writes Edward Sri “ It is intended to be a highly readable, accessible work that draws on wisdom from the Catholic tradition, recent popes, and biblical scholars of a variety of perspectives and traditions. With the riches of these insights, we will ponder what her journey of faith may have been like in order to draw out spiritual lessons for our own walk with God. ” He add, “ It is my hope, therefore, that whether you are of a Catholic, Protestant, or other faith background, this book may help you to know, understand, and love Mary more, and that it may inspire you to walk in her footsteps as a faithful disciple of the Lord in your own pilgrimage of faith. ”

Walking with God on the Road You Never Wanted to Travel

Abingdon Press

Introduces the world of Roshar through the experiences of a war-weary royal compelled by visions, a highborn youth condemned to military slavery, and a woman who is desperate to save her impoverished house.

The Way The Journey

The British author embarks on an awe-inspiring trek through 1930s West Africa in “ one of the best travel books [of the twentieth] century ” (The Independent). When Graham Greene left Liverpool in 1935 for what was then an Africa unmarked by colonization, it was to leave the known transgressions of his own civilization behind for those unknown. First by cargo ship, then by train and truck through Sierra Leone, and finally on foot, Greene embarked on a dangerous and unpredictable 350-mile, four-week trek through Liberia with his cousin, and a handful of servants and bearers, into a world where few had ever seen a white man. For Greene, this odyssey became as much a trip into the primitive interiors of the writer himself as it was a physical journey into a land foreign to his experience. “ No one who reads this book will question the value of Greene ’ s experiment, or emerge unshaken by the penetration, the richness, the integrity of this moving record. ” —The Guardian

The Journey for Youth Abingdon Press
