The Conquest of Happiness Vermilion  
#1 NEW YORK TIMES BESTSELLER • The book that sparked a revolution and inspired the hit Netflix series *Tidying Up with Marie Kondo: the original guide to decluttering your home once and for all*. ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE—CNN Despite constant efforts to declutter your home, do papers still accumulate like snowdrifts and clothes pile up like a tangled mess of noodles? Japanese cleaning consultant Marie Kondo takes tidying to a whole new level, promising that if you properly simplify and organize your home once, you ' ll never have to do it again. Most methods

advocate a room-by-room or little-by-little approach, which doom you to pick away at your piles of stuff forever. The KonMari Method, with its revolutionary category-by-category system, leads to lasting results. In fact, none of Kondo ' s clients have lapsed (and she still has a three-month waiting list). With detailed guidance for determining which items in your house “ spark joy ” (and which don ' t), this international bestseller will help you clear your clutter and enjoy the unique magic of a tidy home—and the calm, motivated mindset it can inspire.

*All the Joy You Can Stand* Createspace Independent Publishing Platform

Fly out of CHAOS (Can't Have Anyone Over Syndrome) into Order—one baby step at a time. With her special blend of housecleaning tips, humor, and musings about daily life, Marla Cilley, a.k.a. Drawn from the lessons and tools used in her popular mentoring program, the FlyLady system helps you create doable housekeeping routines and break down overwhelming chores into manageable missions that will restore peace to your home—and your psyche. Soon you'll be able to greet guests without fear, find your keys, locate your kids, and, most of all,

---

learn how to FLY: Finally Love Yourself.

One Year to an Organized Life Squall Press Inc

Everyone longs to be happy, yet many wrongly believe that happiness comes from having enough money, fame, personal comfort, worldly success, or even dumb luck. Happiness all too often seems to be an elusive, arbitrary thing -- something that is always just out of reach. Joan Chittister sees happiness differently -- as a personal quality to be learned, mastered, and fearlessly wielded. In *Happiness* she embarks on a "great happiness dig" through sociology, biology, neurology, psychology, philosophy, history, and world religions to develop "an archaeology of happiness." Sifting through the wisdom of the ages, Chittister offers inspiring insights that will help seekers everywhere cultivate true and lasting happiness within.

Marie Kondo, author of the worldwide #1 bestseller *The Life-Changing Magic of Tidying Up*, and organizational psychologist Scott Sonenshein team up to bring joy to work. The workplace is a magnet for clutter and mess. Who hasn't felt drained by wasteful meetings, disorganized papers, endless emails, and unnecessary tasks? These are the modern-day hazards of working, and they can slowly drain the joy from work, limit our chances of career progress, and undermine our well-being. There is another way. In *Joy at Work*, bestselling author and Netflix star Marie Kondo and Rice University business professor Scott Sonenshein offer stories, studies, and strategies to help you eliminate clutter and make space for work that really matters. Using the world-renowned KonMari Method and cutting-edge research, *Joy at Work* will help you overcome the challenges of workplace mess and enjoy the productivity, success, and happiness that comes with a tidy desk and mind.

**Happiness** Jessica Kingsley Publishers

We are drowning in paper. We keep stacks of it on the kitchen counter, stash it in drawers, and stuff file cabinets full of documents (just one file cabinet can hold

18,000 sheets of paper - yikes). Despite this clear crisis of paper, there hasn't been a book devoted to managing and organizing this single most abundant item in our homes - until now. In *The Paper Solution*, Lisa Woodruff delivers a proven, step-by-step guide to decluttering the paper in our lives and sorting what's left behind into easily accessible, structured, and, most importantly, manageable files. The system Woodruff offers isn't based on unrealistic advice, such as 'touch a piece of paper only once'. Instead, it accounts for paper's unique qualities: its sentimental value, ability to accumulate astonishingly fast, the generational differences in how it's treated, and the fact that it's not going anywhere despite the popularity of minimalism movements such as KonMari. Woodruff's approach is doable, effective, and compassionate. Much more than simply cleaning out your files, *The Paper Solution* will help you organize your paperwork with a purpose-removing the heavy burden of a chaotic mess and giving you the space and time to enjoy what you love and discover a sense of peace.

*The Joy of Being Single* Simon and Schuster

---

A charming, practical, and unsentimental approach to putting a home in order while reflecting on the tiny joys that make up a long life. In Sweden there is a kind of decluttering called *döstädning*, *dö* meaning "death" and *städning* meaning "cleaning." This surprising and invigorating process of clearing out unnecessary belongings can be undertaken at any age or life stage but should be done sooner than later, before others have to do it for you. In *The Gentle Art of Swedish Death Cleaning*, artist Margareta Magnusson, with Scandinavian humor and wisdom, instructs readers to embrace minimalism. Her radical and joyous method for putting things in order helps families broach sensitive conversations, and makes the process uplifting rather than overwhelming. Margareta suggests which possessions you can easily get rid of (unworn clothes, unwanted presents, more plates than you'd ever use) and which you might want to keep (photographs, love letters, a few of your children's art projects). Digging into her late husband's tool shed, and her own secret drawer of vices, Margareta introduces an element of fun to a potentially daunting task. Along

the way readers get a glimpse into her life in Sweden, and also become more comfortable with the idea of letting go.

Restoring Joy to Your Inner World Grand Central Publishing

Marie Kondo's first book, *The Life-Changing Magic of Tidying*, transformed the homes and lives of millions of people around the world. *Spark Joy* is her in-depth tidying masterclass, a line-illustrated, room-by-room guide to decluttering and organising your home. It covers every room in the house - from the bedroom and kitchen to the bathroom and living room - as well as all the items that occupy their spaces. Charming line drawings explain how to organise your house and apply Marie Kondo's unique folding method to all your clothes, including shirts, trousers, jackets, skirts, socks and bras. The secret to Marie Kondo's unique and simple KonMari tidying method is to tidy by category and to focus on what you want to keep, not what you want to get rid of. Ask yourself if something 'sparks joy' and suddenly it becomes so much easier to understand if you really need it in your home and your life. Except tidying up is not just about transforming your home: when you surround yourself with things you love, you will find that your whole life begins to change.

fixing up an apartment, menu planning, celebrating the holidays, and personal financial management

Broken Vows Simon and Schuster

The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." - Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and

globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*

**Life Drawing** Harper Collins

It's Hard to Make a Difference When You Can't Find Your Keys Springer Publishing Company

Overbooking? Running late? Feeling overwhelmed by clutter and to-dos? Management consultant Dr. Marilyn Paul guides you on a path to personal change that will bring true relief from the pain and stress of disorganization. Unlike other books on getting organized, *It's Hard to Make a Difference When You Can't Find Your Keys* offers a clear seven-step path to personal development that

---

is comprehensive in nature. Drawing on her own experience as a chronically disorganized person, Paul adds warmth, insight, humor, and hope to this manual for change and self-discovery. She introduces the notion of becoming "organized enough" to live a far more rewarding life and make the difference that is most important to you.

*Tidying Up with Marie Kondo: The Book Collection* Bantam

Dr. Combs updates his groundbreaking Field Theory of personality. This model grows out of Carl Rogers' ideas on client-centered therapy and has long been a major influence on theories of psychotherapy and personality within the humanistic and phenomenological traditions. Here Dr. Combs ties field psychology to the paradigm shifts in biophysical sciences, and so provides a unifying frame of reference for all branches of psychology. His concise approach to the topic makes this book of practical interest to students, clinical psychologists and counselors, as well as academics teaching upper-level or graduate courses in personality and on therapeutic techniques.

The Sidetracked Sisters' Happiness File Penguin

Organizing the Disorganized Child explains: How to solve the messy-backpack problem (page 28). Step-by-step tips to help your child improve study skills (page 96). Which school supplies work best for

different types of children (page 26). Methods for note taking (page 99). Techniques for time management (page 72). Strategies to refine morning and nighttime routines that will help the entire family (page 128).
