countertops
loaded with
kitchen
gadgets, and
overstuffed
computer
desktops. We
dream of
getting

organized—but what's a disorganized person to do? In this book, professional organizer Stacey Platt comes to the rescue with empowering ideas on putting and keeping things in order. Like earlier titles in the series, such as the best-selling *What's a Cook to Do?*, this book offers easy-to-scan and access solutions to everyday aggravations: How do you keep from misplacing your cell phone or house keys? What's the best way to organize

the fridge? How do you pack efficiently for a trip? This user-friendly book, illustrated with stylish, full-color photography, is up-to-date on the latest technologies for organizing everything from music to family photos. Here are hundreds of ingenious solutions for gaining control of clutter so you can live happily in your space. There are quick solutions as well as one-hour projects—from organizing your emails so you can find your

passwords to sorting the area under the bathroom sink—that readers can tackle, one weekend at a time, with big payoffs. From the kitchen to the home office, the bedroom closet to the car, this thoughtful guide will help readers carve out more space and more time. **Unf*ck Your Habitat Image** Dr. Combs updates his groundbreaking **Field Theory of personality**. This model grows out of Carl Rogers' ideas on client-centered therapy and has long been a major influence

on theories of psychotherapy and personality within the humanistic and phenomenological traditions. Here Dr. Combs ties field psychology to the paradigm shifts in biophysical sciences, and so provides a unifying frame of reference for all branches of psychology. His concise approach to the topic makes this book of practical interest to students, clinical psychologists and counselors, as well as academics teaching upper-level or graduate courses in personality and on therapeutic techniques.

Joyful Militancy
Canbury Press
International tidying superstar and New York Times bestselling author Marie Kondo brings her unique method to young readers in this charming story about how tidying up creates space for joy in all parts of your life, co-written and illustrated by beloved children's book veteran Salina Yoon. The KonMari Method inspires a charming friendship story that is sure to spark joy! Kiki and Jax are best friends, but they couldn't be more different. The one thing they always agree on is how much fun they have together. But when things start to

get in the way, can they make space for what has always sparked joy—each other?
The Joy of the Gospel Macmillan
Two sisters share the system of organising household chores that they created to make managing a home less time consuming and more efficient, in an updated handbook that explains how to reduce chaos and clutter and achieve organisation in the home.
The Joy of an Uncluttered Life
InterVarsity Press
Applied expository guide to Hebrews—a

book that shows us how and why Jesus is better than anything else. We are all tempted to drift away from Jesus, but in the book of Hebrews God gives us an anchor: a detailed understanding of how and why Jesus is better than anything else. Seminary professor Michael J. Kruger unpacks this rich book verse by verse. He explains the Old Testament background, gives plenty of application for our lives today, and shows us how Jesus is the fulfilment of all God's work on earth. He encourages us to live by faith in Jesus—the only anchor for our souls. This expository guide can be read as a book; used as a devotional; and utilized in teaching and

preaching. **More Hours in My Day** AK Press National Book Award Finalist: “ This man ’ s ideas may be the most influential, not to say controversial, of the second half of the twentieth century. ” —Columbu s Dispatch At the heart of this classic, seminal book is Julian Jaynes's still-controversial thesis that human consciousness did not begin far back in animal evolution but instead is a learned process that came about only three

thousand years ago and is still developing. The implications of this revolutionary scientific paradigm extend into virtually every aspect of our psychology, our history and culture, our religion—and indeed our future. “ Don ’ t be put off by the academic title of Julian Jaynes ’ s *The Origin of Consciousness in the Breakdown of the Bicameral Mind*. Its prose is always lucid and often lyrical...he unfolds his case with the utmost intellectual

rigor. ” —The New York Times “ When Julian Jaynes . . . speculates that until late in the twentieth millennium BC men had no consciousness but were automatically obeying the voices of the gods, we are astounded but compelled to follow this remarkable thesis. ” —John Updike, The New Yorker “ He is as startling as Freud was in The Interpretation of Dreams, and Jaynes is equally as adept at forcing a new view of known human behavior.

” —American Journal of Psychiatry The Disorganized Mind Thomas Nelson #1 NEW YORK TIMES BESTSELLER • The book that sparked a revolution and inspired the hit Netflix series Tidying Up with Marie Kondo: the original guide to decluttering your home once and for all. ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE—CNN Despite constant efforts to declutter your home, do

papers still accumulate like snowdrifts and clothes pile up like a tangled mess of noodles? Japanese cleaning consultant Marie Kondo takes tidying to a whole new level, promising that if you properly simplify and organize your home once, you ’ ll never have to do it again. Most methods advocate a room-by-room or little-by-little approach, which doom you to pick away at your piles of stuff forever. The KonMari Method, with its revolutionary categ

ory-by-category system, leads to lasting results. In fact, none of Kondo ' s clients have lapsed (and she still has a three-month waiting list). With detailed guidance for determining which items in your house “ spark joy ” (and which don ' t), this international bestseller will help you clear your clutter and enjoy the unique magic of a tidy home—and the calm, motivated mindset it can inspire. The Messy Middle Springer Publishing Company

Battle burnout, simplify your life, and change your thinking with #1 New York Times bestselling author and renowned Bible teacher Joyce Meyer. Many of us understand how easy it is for life to become hectic, stressful, and busy. We are overcommitted, have no free time, and feel trapped in the daily demands of life. But there is good news—you don ' t have to live this way! In *The Joy of an Uncluttered Life*, you will find relief from burnout and unnecessary stress with 100 ways to simplify your life. These doable tips will teach you to set

boundaries, stay positive, clear out clutter in your life, deal with other people in healthy ways, and more. Even the smallest things we do in a day have the power to bring about more peace, and this book will empower you to make lasting changes in your life. Discover a life beyond stress and frustration and develop a mindset of simplicity and peace! Derived from material previously published in *100 Ways to Simplify Your Life*. Sidetracked Home Executives(TM) HarperCollins After giving up the Internet for a month, a writer

shares how we can all learn from her experience and rethink our relationship with the digital world. There ' s no doubt that technology has overrun our lives. Over the past few decades, the world has embraced " progress " and we ' re living with the resultant clicking, beeping, anxiety-inducing frenzy. But a creative backlash is gathering steam, helping us cope with the avalanche of data that threatens to overwhelm us daily through our computers, tablets, and smartphones. The Joy of Missing Out considers the technologically

focused life, with its impacts on our children, relationships, communities, health, work, and more, and suggests opportunities for those of us longing to cultivate a richer on- and off-line existence. By examining the connected world through the lens of her own Internet fast, author Christina Crook creates a convincing case for increasing intentionality in our day-to-day lives. Using historical data, typewritten letters, chapter challenges, and personal accounts, she invites us to explore a new way of living, beyond our

steady state of distracted " connectedness. " Most of us can ' t throw away our smartphone or cut ourselves off from the Internet. But we can all rethink our relationship with the digital world, discovering new ways of introducing balance and discipline to the role of technology in our lives. This book is a must-read for anyone wishing to rediscover quietness of mind, and seeking a sense of peace amidst the cacophony of the modern world. Praise for The Joy of Missing Out " Crook ' s book does a marvelous job of examining

where we 've gone awry and how we might begin to take ourselves and our lives back, while acknowledging the reality and importance of our wired world. ”
—Dr. Susan Biali, MD, Psychology Today “ Offers thoughtful consideration of how online communications have evolved, as well as the value we place on being ever present in a digital world, often to the detriment of personal space and quiet time. Through practical examples and directions, Crook champions developing healthier habits for a more mindful online

experience. ” —Lori A. May, Portland Book Review
The Joy of Missing Out
Artisan
"Lively opening band music adds to the fun of author and illustrator Costello's story about Little Pig, aka Jacob, and his siblings... This delightful production adds to the value of the book by allowing youngsters to enjoy hearing what the music and instruments sound like as they follow along with the story."
-Booklist Magazine

A Bigger Table The Countryman Press
Does your life feel cluttered? Maybe an overcrowded calendar isn't your only problem! In this updated classic, learn how our technology-focused generation can deal with stress and find balance in life by submitting to God in five areas: motivation, priorities, intellect, spiritual growth, and rest. We have schedule planners, computerized calendars, smart phones, and sticky notes to help us organize our business and social lives every day. But what about organizing the other side of our

lives? The spiritual side? In *Ordering Your Private World*, Gordon MacDonald equips you to live life from the inside out, cultivating the inner victory necessary for effectiveness. Simplifying your external life begins with seeking internal order. In addition to focusing on spiritual and mental disciplines, you'll discover: The difference between being driven and being called The lifelong pursuit of the growth of the mind The importance of being a listener and reader How to exercise your soul to keep it in good shape Our culture encourages

us to believe that the busy, publicly active person is also the most spiritual. Our massive responsibilities at home, work, and church have resulted in many of us on the verge of collapse. Learn to take a step back from the outer world and deal with the stress of life by developing your inner world: your soul. *Joy at Work* Crown Books for Young Readers In turn heartbreaking, irreverent, moving—and at times raucously humorous—one of the nation's leading pediatric researchers recounts his first

years as a newly minted, struggling, and insecure doctor at Massachusetts General Hospital in Boston. A graduate of a state university medical school, Scott Rivkees was competing with elite students from some of the most prestigious schools in the country. Nervous and uncertain, he worked unholy hours with patients ranging from indigent street people to celebrity guests drawn to the reputation and care offered by Mass General. Along the way he learned what medical school textbooks don't teach: how to deal with immense

pressure, exhaustion, unruly patients, mysterious conditions, the joy of saving a life, and the wrenching suddenness of losing a patient, more often than not a young child. His resident education did not prevent him from losing his sense of irony and humor as he recounts bleary nights on the town, the allure of young nurses, substandard housing, and the value of pricking an inflated ego. Resident On Call Harper Collins Eliminate the clutter and discover the joy of having your house organized with

simple, realistic strategies that work for normal people. So you want to keep your kitchen counter clean but you aren't ready to toss the toaster? You want to be able to find your kids' socks but aren't looking to spend your 401(k) on clear bins? You long for a little more peace but minimalism isn't sparking joy? Discover 100 practical, do-able tips to organize, declutter and manage your home. Traditional organizing advice never worked for decluttering expert

and self-proclaimed recovering slob Dana K. White. Is it possible, she wondered, to get organized without color coding my sock drawer? As Dana let go of the need for perfection, she discovered the joy of having an organized house in the midst of everyday life. You can too! In Organizing for the Rest of Us, Dana teaches you how to make great strides without losing your mind in organizing every room of your home. You'll find her 100 easy-to-read organizing tips invaluable,

including: Why you and a ribbon need to get a grip on laundry and dishes before getting organized The basics of organization for people who don't like to organize Why changing how we think about clutter is the first step to getting rid of it How living with less stuff is better for the environment, our spiritual lives, and our relationships The simple yet life-changing tactic that is the container concept Organizing for the Rest of Us includes colorful, practical photos, a presentation page, approach, Dana provides bite-size, workable solutions to break through every organizational struggle you have--for good! Look for additional, practical organizational resources from Dana: Decluttering at the Speed of Life How to Manage Your Home Without Losing Your Mind I'm OK-- But You Have a Lot of Work to Do! Houghton Mifflin Harcourt Defeat chaos with this supportive guide to household organization from a pair of reformed slobs. Pam Young

marker, making it a thoughtful and useful gift or self-purchase if you are: Doing spring cleaning (or cleaning during any season) Making New Year's resolutions Downsizing your own home or your parents' home Decluttering and organizing for your own peace of mind Fans of Dana's popular podcast, A Slob Comes Clean, will treasure this book as a timeless (and frequently revisited) resource. With her humorous, lighthearted, easy-to-follow

and Peggy Jones—aka the Slob Sisters—used to find basic housekeeping a complex concept akin to quantum physics. Chaos (Can ' t Have Anyone Over Syndrome) reigned over their homes and their lives—until one day, they made a vow to reform. Armed with 3x5 index cards, a battle plan, and grim determination, they found a way to get their act together. In this empathetic, lighthearted guide, they share a program that even the worst slobs can master—a plan that allows for some much-needed breathing room in your space and in your schedule.

“ Maintaining that most organization manuals are written by the naturally efficient who can ' t

empathize with the born slob, Young and Jones tell their own stories of the overwhelming messes their households had become and of their recovery... Their methods are simple and easy to follow. ” —Library Journal

from the author of *Dusk, Night, Dawn, Hallelujah Anyway, Bird by Bird, and Almost Everything*
“ Lamott ’ s ...most insightful book yet, *Stitches* offers plenty of her characteristic witty wisdom...this slim, readable volume [is] a lens on life, widening and narrowing, encouraging each reader to reflect on what it is, after all, that really matters. ” —People
What do we do

when life lurches out of balance?
How can we reconnect to one other and to what ’ s sustaining, when evil and catastrophe seem inescapable? These questions lie at the heart of *Stitches*, Lamott ’ s profound follow-up to her New York Times – bestselling *Help, Thanks, Wow*. In this book Lamott explores how we find meaning and peace in these loud and frantic times; where we start again after personal and public devastation;

how we recapture wholeness after loss; and how we locate our true identities in this frazzled age. We begin, Lamott says, by collecting the ripped shreds of our emotional and spiritual fabric and sewing them back together, one stitch at a time. It ’ s in these stitches that the quilt of life begins, and embedded in them are strength, warmth, humor, and humanity.
