The foundation of potty learning is respect for the child and their own natural development. Using the Montessori Philosophy, this book explains when to start, how to set-up your bathroom for a successful transition, and includes a step-by-step guide to get started. You will learn how to encourage your child to recognize their body's signals and develop independence in their bathroom routine. Learn the method that Montessori Schools use that keeps toileting stress-free and child-centered. Included in the second edition are tips for choosing training underwear, starting before your child is walking, and starting after your child is three-years-old.

This book is uniquely original and can be personalized with any girl's name. How fun is that? Think of the possibilities: baby or shower gifts, birthdays, a special something from grandma, and more. You can purchase the book as shown, using Faith in the title, or personalize it to suit your specific needs. Simply contact us at [eStoryTime.com](http://eStoryTime.com) BEFORE placing your Amazon order and we'll take care of the rest. After contacting us, you'll still

need to order the book through Amazon, so we'll send you a direct link to use when placing your order. It will assure the book is personalized with the name you've requested. We've taken the worry out of the process and your child will be thrilled with the final product. Who doesn't like to see their name on the cover or hear it related throughout the story? The author, Melissa Ryan, is the mother of five children and knows the importance of reading to your little ones. It instills a love of books and fosters an active imagination in the youngest of readers. Help start them on a path of discovery with Melissa's stories. The tale of Faith is perfect for bedtime, especially when unleashing the child's wonder by using her own name. This is a book that can be enjoyed over and over again, and will be remembered long after the last page is read and the lights turned out. Faith's Hiccum-ups Day is beautifully written and will hold your child's attention while you share this delightful tale. Tag along with Faith as she giggles, HIC's, and jumps her way through a day with the hiccum-ups. See the silly things her family suggests to solve her problem. It's a day filled with enough fun for everyone. Faith will capture your heart, and the moments spent reading it together will build fond memories that will be cherished throughout the years. Your little girls grow up all too fast; make lasting impressions while you can. This is just one of several books offered by Melissa in her ever-expanding children's book series. You'll learn to love and appreciate the extra attention that goes into each volume. Special care is taken to keep the child's heart at the center of each story, helping them build character and learn

Children Time Book teaching Children time management . Kids will love this Book This edifying book tells Our Kids that all children must keep regular hours. Each morning it is necessary to get up early, clean the teeth, eat wholesome food for breakfast, get ready on time and go to school in a clean look, always wash hands after returning home and only after that sit down to eat hearty dinner. It is also necessary to do homework, rest after and play favourite toys. In the evening each child must eat light supper, and after resting a while take a bath. It is necessary to hug and kiss your parents before sleep, and go to bed on time . The everyday execution of all these simple rules helps you raise up decent, purposeful , neat , kind, obedient, industrious, responsible children and form

many other positive qualities.As a present in the paperback vrsion you will find a coloring papers for all animals in this book ....Please enjoy.

I Am Giraffe Michael Edwards

A fresh, comprehensive biography of the pioneering educator and activist who changed the way we look at children ' s minds, from the author of Oriana Fallaci. Born in 1870 in Chiaravalle, Italy, Maria Montessori would grow up to embody almost every trait men of her era detested in the fairer sex. She was self-confident, strong-willed, and had a fiery temper at a time when women were supposed to be soft and pliable. She studied until she became a doctor at a time when female graduates in Italy provoked outright scandal. She never wanted to marry or have children—the accepted destiny for all women of her milieu in late nineteenth-century bourgeois Rome—and when she became pregnant by a colleague of hers, she gave up her son to continue pursuing her career. At around age thirty, Montessori was struck by the condition of children in the slums of Rome ' s San Lorenzo neighborhood, and realized what she wanted to do with her life: change the school, and therefore the world, through a new approach to the child ' s mind. In spite of the resistance she faced from all sides—scientists accused her of being too mystical, and the clergy of being too scientific, traditionalists of giving children too much freedom, and anarchists of

---

giving them too much structure—she would garner acclaim and establish the influential Montessori method, which is now practiced throughout the world. A thorough, nuanced portrait of this often controversial woman, *The Child Is the Teacher* offers an unbiased perspective from an author who is not a member of the Montessori movement, but who has been granted access to original letters, diaries, notes, and texts written by Montessori herself, including an array of previously unpublished material.

[Internationalizing Early Childhood Curriculum](#) empowers teachers and directors to internationalize their curriculums around the world in their own unique and culturally specific ways. Serving as a guide and catalyst for thinking about curriculum in our interconnected world, this book explores how young children learn about the world and describes how children develop intercultural understanding, including

how their teachers transform to expand their own global awareness and citizenship. Stories from actual classroom curriculum projects are featured, as well as suggested strategies and stages for the process of implementation. Exploring the implications for teacher education and professional development, this book gives readers the tools they need to bring internationalization into their own programs. Designed to apply to formal and informal early childhood centers across the spectrum, *Internationalizing Early Childhood Curriculum* is essential reading for professional developers and trainers, as well as classroom teachers, directors, policy-makers and NGO professionals providing early childhood services in the U.S. and around the world.

A child's dream takes us on a journey through space. The child looks for a place to land while exploring each planet, but some are too hot, some are too cold, and some are just made of liquid and gas. Only planet Earth is just right. Fun rhyming text introduces children to each planet and basic facts about it. The text is accompanied by stunning images of a rocket traveling through the solar system, interspersed by close up images of each planet in order. While each planet is amazing in its own way, there is only one we can call home. If parents choose, this can be the start to a conversation about how we can take better care of our planet. Visit [lorifettner.wordpress.com/no-place-like-earth/](http://lorifettner.wordpress.com/no-place-like-earth/) to see sample pages from the interior.

The Amazing Book of No was just announced as a Winner of the 2015 Readers Favorite Award for K-3rd grade readers. "The Amazing Book of No" is a deceptively simple story that will teach your 3-7 year old how to accept the word "no" when you say it, and why they shouldn't argue. The story is about two moms and their children. One mom says "no" all the time, while the other says "yes" to everything. It is cute and engaging all in one, and designed not to take up too much of a parents valuable time, with the idea being to try and imprint wholesome ideals while kids are young. Reading this just a few times to your boy or girl at bedtime will ensure you don't have any misunderstandings with your children about the word "NO" as they grow older. This really is: The Amazing Book of No!

Ellie the Elephant (Photo Version) The Joyful Child Montessori, Global Wisdom for Birth to Three

God's Masterpiece is a Children's book which illustrates the first chapter of Genesis, the creation of the world, in a fun little way! The book is simple to read and full of pictures to which one can follow along. The Montessori Method was developed in the early 1900s by an Italian medical doctor named Maria Montessori. Though there are Montessori schools around the world, there is little published about teaching a foreign or second language in a Montessori environment. Matt Bronsil has been working in Taiwan for over a decade and shares his experience and expertise of teaching a foreign language in a Montessori 3-6 year old environment. This book looks at: --Understanding the Montessori Method.--Evaluating the needs of your students and school.--Philosophy of teaching a foreign language.--Teaching oral communication skills.--Teaching writing and reading.--Advanced reading skills for this age. This book is an excellent tool not only for the foreign teacher in Montessori settings, but anyone that works with young

Turn your home into a Montessori home—and become a more mindful, attentive, and easygoing parent. It’s time to change the way we see toddlers. Using the principles developed by the educator Dr. Maria Montessori, Simone Davies shows how to turn life with a “terrible two” into a mutually rich and rewarding time of curiosity, learning, respect, and discovery. With hundreds of practical ideas for every aspect of living with a toddler, here are five principles for feeding your child’s natural curiosity, from “Trust in the child” to “Fostering a sense of wonder.” Step-by-step ways to cultivate daily routines with ease, like brushing teeth, toilet-training, dealing with siblings, losing the pacifier. Plus learn how to: Stay composed when your toddler is not and set limits with love and respect—without resorting to bribes or punishment Set up your home and get rid of the chaos Create Montessori activities that are just right for your one-to-three-year-old Raise an inquisitive learner who loves exploring the world around them See the world through your toddler’s eyes and be surprised and delighted by their perspective Be your child’s guide—and truly celebrate every stage
