THE KILLING HOUR (An Alexa Chase Suspense Thriller—Book 3) is book #3 in a new series by mystery and suspense author Kate Bold, which begins with THE KILLING GAME (Book #1). Alexa Chase, 34, a brilliant profiler in the FBI ’ s Behavioral Analysis Unit, was too good at her job. Haunted by all the serial killers she caught, she left a stunning career behind to join the U.S. Marshals. As a Deputy Marshal, Alexa—fit, and as tough as she is brilliant—could immerse herself in a simple career of hunting down fugitives and bringing them to justice. But with her recent work a big success, the FBI and the Marshals have decided to make their joint-task force permanent. Alexa, reeling from her own traumatic past and her PTSD of hunting serial killers, has no choice: she will now have to work with an FBI partner she dislikes and hunt down serial killers whose jurisdiction intertwines with that of the U.S. Marshals. Alexa finds herself forced to confront the thing she dreads the most—entering a killer ’ s mind. An infamous killer dramatically escapes death row, and Alexa ’ s joint task force is immediately put on the case. A high profile case with national media attention, Alexa isn ’ t the only one who ’ s called in—and between the clashes of ego with other state and federal powers, she knows the killer is only getting further away. What appears to be a straightforward manhunt, though, quickly evolves into something more complex, as more bodies turn up dead, and as the killer inexplicably eludes everyone. And when a shocking twist occurs that Alexa never saw coming, she realizes this case is far more complex—and disturbing—than she could have ever imagined. With the killer outsmarting everyone, Alexa is the only one with a mind brilliant enough to stop him, the only one standing between him and his next kill. But, weighed down by the pressure of her own traumatic past, can Alexa hold it together long enough to enter the darkest canals of his mind—and come out whole? A page-turning and harrowing crime thriller featuring a brilliant and tortured Deputy Marshal, the ALEXA CHASE series is a riveting mystery, packed with non-stop action, suspense, twists and turns, revelations, and driven by a breakneck pace that will keep you flipping pages late into the night. Books #4-#6 in the series—THE KILLING POINT, THE KILLING FOG, and THE KILLING PLACE—are also available.

A Brittany Mystery Kate Bold

'Til death do us part...Obsession can be a dangerous thing. Susannah dabbles in darkness, finding sadistic solace in the death of those who deserve it. But now she wants something more. Or, more to the point...someone.She's on a manhunt. She will possess him, one way or another, whether in life, or death. She hasn't made up her mind yet.He's the only one who ever accepted her. Who even maybe loved her, in his own strange way. And then, he left her, which could turn out to be a deadly mistake.Her husband Tim, a mild-mannered mortician, has packed his bags and fled, a fugitive from his homicidal wife. She wants him, and what Susannah wants, she gets.Will Tim continue to elude his murderous mate? If he doesn't, will he survive her peculiar form of love?This journey through the mind of a stone-cold killer will leave you on the edge of your seat. Close the doors, lock the windows, and get ready for a bloodcurdling ride.

The Killing Type Simon and Schuster

The first in James Carol's thrilling Jefferson Winter series, Broken Dolls offers rapid-fire suspense and a chilling look into the mind of a criminal - and into the mind of the one man who might be able to catch him. Ex-FBI star profiler Jefferson Winter is no ordinary investigator. An eccentric genius and self-described geek with a passion for Mozart, he is haunted by the legacy of his notorious serial killer father...and not likely to admit this may be why he has such a phenomenal insight into the psychology that drives the criminals he hunts. The former G-man is now a sought after freelance consultant, jetting around the globe helping local law enforcement agencies with their toughest cases. When Detective Investigator Mark Hatcher calls from Scotland Yard about a particularly disturbing case, Winter leaves his native California for the chilly streets of London to help track down a sadistic serial kidnapper. Four victims, all young women, all tortured and then lobotomised. None of them able to tell the police the name of their attacker. None of them able to live normal lives again. Just broken dolls, played with then discarded. When another young woman goes missing, Winter has to race against the clock to identify the attacker and find the latest victim before it's too late. James Carol's breakout debut novel takes readers on an action-packed rollercoaster ride that fans of Criminal Minds, Silence of the Lambs, Sleepy Head, and the Jack Reacher and Alex Cross series won't want to miss. More Jefferson Winter Thrillers: Jefferson Winter returns in Presumed Guilty (July 2014), the first in a series of ebook novellas chronicling Winter's FBI days, and Watch Me (August 2014), the second full-length novel in the Winter series. Also in the works: Television rights for Broken Dolls have been optioned by Sprout Pictures, the production company behind the Emmy award winning SKY comedy Moone Boy. The company is planning to adapt the novel into a major TV series, provisionally titled WINTER.

Two young, female patients are found dead in a semi-private mental hospital in Queens. Each is found on the floor in their rooms, jugulars slashed. The hospital classifies them as suicides—but when a third patient is found dead, a terrifying question arises: is there a serial killer on the loose in the hospital? The FBI Behavioral Unit calls in its star criminal profiler, Tracy Wrenn, to provide her unique insights to crack the case. Immersed in the world of the hospital, Tracy encounters a wide array of disturbing and perplexing characters, each with their own level of psychosis. Tracy must plunge into the depths of the disturbed minds of both inmates and staff as she tries to sort out what is real and what is fantasy, and as she begins to learn just how twisted the human mind can be. A shocking twist culminates in an ending Tracy can never expect, as she finds herself on the brink—and can only hope to return. Book #3 in The Killing Game will be released soon.

The Killing Hour (An Alexa Chase Suspense Thriller—Book 3) Independently Published

On January 21, 2015, a pro-ISIS Twitter account reported that John Maguire, a 23-year-old university drop-out from the Ottawa Valley town of Kemptville, had been killed fighting Kurds in the Syrian city of Kobani. A few weeks before, Maguire had starred in a YouTube video threatening Canada for bombing ISIS forces in Iraq. He is one of the dozens of young Canadians who have chosen to fight in a vicious conflict that really had little to do with them and with Canada. Why would young people choose to fight in other people's wars, especially one as bloody and cruel as this one? Why has ISIS become so good at attracting foreign fighters? This book examines the lure of this radical Islamist movement: its religious beliefs, sophisticated propaganda, and vast social media networks. ISIS is now a go-to cause for alienated young people in the Islamic World and the West. Does it offer answers to troubled young people? Are ISIS's crimes -- slavery, murder, rape, repression, and the destruction of heritage sites -- an attraction in and of themselves? What do we do about the people who take up ISIS's cause but stay in their home country? What do we do with the ISIS recruits who come home? The Killing Game examines what draws young men and women to join violent social/political movements. It looks at the psychology of young men and women today and the propaganda used by all sides in the Middle East conflicts, as well as the security laws and the political initiatives that have been designed to stop Canadians from being radicalized. From the irresistible lure of Marxist-Leninism of the 1930s through the '60s and '70s, and including the appeal of Nazism to young Germans in the 1930s, this book also investigates what it is that draws young people to join and fight for causes as different as the Spanish Civil War of the 1930s and the Red Brigades of the 1970s, but with an emphasis on the attraction of ISIS and radical Islam in our own time.

THE KILLING GAME (An Alexa Chase Suspense Thriller—Book 1) is the debut novel in a new series by mystery and suspense author Kate Bold. Alexa Chase, 34, a brilliant profiler in the FBI's Behavioral Analysis Unit, was too good at her job. Haunted by all the serial killers she caught, she left a stunning career behind to join the U.S. Marshals. As a Deputy Marshal, Alexa—fit, and as tough as she is brilliant—could immerse herself in a simple career of hunting down fugitives and bringing them to justice. But when a notorious serial killer escapes from a prison transport, it crosses the jurisdictions of the U.S. Marshals and the FBI's BAU. The two departments are forced to come together on a new joint task force to hunt down the fugitive serial killer and bring him to justice. Alexa, to her dread, finds herself forced to confront the thing she fears the most—entering a killer's mind. Doing so again, she knows, may just drag her down for good. Alexa and her new partner, each territorial, don't take well to each other. Between their tension and all the clues leading to dead ends and the bodies piling up on the killer's spree, Alexa knows that she, up against a ticking clock, can't afford to get this wrong. Especially when she realizes that she herself may be the next target. To find this diabolical killer, Alexa will have to do what she fears most—enter his twisted mind, before he can strike again. It's a life-and-death game of cat and mouse, and it's winner takes all. But will the darkness swallow her whole? A page-turning and harrowing crime thriller featuring a brilliant and tortured Deputy Marshal, the ALEXA CHASE series is a riveting mystery, packed with non-stop action, suspense, twists and turns, revelations, and driven by a breakneck pace that will keep you flipping pages late into the night.
