Stephanie Reents (Author of The Kissing List)

The basics: The Kissing List is the debut short story collection by Stephanie Reents. Some of the stories are linked. My thoughts: The first story in the collection "Kissing," sets the stage for the rest of the book. Reents and the female narrators of her stories are young, brazen, fun and wise: "The funny thing about being in your early twenties is that it's a lot like being in any other age, except you don't know it."
