They portray the multifaceted nature of desire, from idealistic romance to sexual jealousy, from desperate lust to relentless longing. "The Kreutzer Sonata" caused a public sensation with its indictment of so-called Christian marriage, a theme echoed in "Family Happiness." In "The Devil," a young man finds it impossible to resist a beautiful peasant woman with whom he had an affair before his marriage. And "Father Sergius" shows a man going to increasingly desperate ends in order to avoid the temptations of the flesh. The Kreutzer Sonata (Russian: ?????????? ??????, Kreitzerova Sonata) is a novella by Leo Tolstoy, named after Beethoven's Kreutzer Sonata. The novella was published in 1889, and was promptly censored by the Russian authorities. The work is an argument for the ideal of sexual abstinence and an in-depth first-person description of jealous rage. The main character, Pozdnyshhev, relates the events leading up to his killing his wife: in his analysis, the root causes for the deed were the "animal excesses" and "swinish connection" governing the relation between the sexes.

On a train journey, Pozdnyshev tells his story to a stranger: how his relationship with his wife gradually deteriorated from one of love and passion to jealousy and resentment, culminating in a mad act of desperation while she practised Beethoven's Kreutzer Sonata with her violin teacher. An uncompromising examination of lust, suspicion and infidelity which was once forbidden by censors in Russia and banned in the US due to its shocking content, Tolstoy's controversial novella – here presented in a new translation, along with 'The Prisoner of the Caucasus', 'Master and Man' and 'After the Ball' – is now considered one of the masterpieces of Tolstoy's late period.

The Kreutzer Sonata, unleashed a firestorm of controversy upon its original publication. The story seeks to unpack the complex relationship between sex and love, and in it, Tolstoy makes a number of arguments about intimacy that were considered shocking in the context of nineteenth-century morals and mores. This collection is a wonderful introduction to Tolstoy's work for new readers, or for confirmed fans looking for some of Tolstoy's lesser-known works.

Leo Tolstoy was born on the family estate at Yasnaya Polyana, south of Moscow, in 1828. His parents were of the Russian nobility. They died when he was young, leaving him and his three brothers to be brought up by aunts. He began the study of law in 1844, but was a poor student and soon dropped out. In 1851, after running up heavy gambling debts, he joined the army in the Caucasus. It was about this time he began writing. Of his early work, perhaps the best known are the three novels of his autobiographical trilogy, *Childhood* (1852), *Boyhood* (1854), and *Youth* (1857). They portray his happy childhood and young manhood. Tolstoy married Sophia Behrens, 16 years his junior, in 1862. It was a marriage marked by sexual passion and emotion. Even so, their early married life was ostensibly happy and allowed Tolstoy much freedom to write. Tolstoy died in 1910, and today is considered one of the giants of Russian literature. His most famous works include the novels *War and Peace* and *Anna Karenina* and novellas such as *The Death of Ivan Ilyich* and *The Kreutzer Sonata*.

This edition contains three short stories that were written after Tolstoy made his conversion to intense Christian beliefs. They are interesting to read together, particularly given the common theme about characters with mistaken ideas about what will bring them contentment. *How Much Land Does a Man Need?* is a parable which examines greed and contentment through the story of a peasant who believes that he would be satisfied with his life if only he had a little bit more land. *The Death of Ivan Ilych* tells the history of an outwardly prosperous but spiritually empty man who dies at the age of 45 after a fall in his home. In *The Kreutzer Sonata* a man on a train relates to a fellow passenger what the circumstances were that led to the murder of his wife. It is, at the very least, important to read these stories. *The Kreutzer Sonata* is particularly important in the history of literature. At its release, it was banned throughout much of Europe for indecency and has been inspiring debate about feminist issues and women characters in literature ever since that time. Ibsen once described Tolstoy as a supremely great writer, when he wasn't being mad. On the evidence of *The Kreutzer Sonata*, Tolstoy was a supremely great writer EVEN when he was mad.

ABOUT THE BOOK: One of the world's greatest novelists, Leo

Tolstoy (1828–1910) also wrote numerous excellent short stories,

three of which are contained in this volume. "The Kreutzer

Sonata" (1891) is a penetrating study of jealousy as well as a

splenetic complaint about the way in which society educates

young men and women in matters of sex. In "The Death of Ivan

Ilych" (1886), a symbolic Everyman discovers the inner light of

faith and love only when confronted by death. "How Much Land

Does a Man Need?" (1886) is a simple, didactic story of peasant

life, written by Tolstoy in the wake of a spiritual crisis. All three

tales offer readers a splendid introduction to Tolstoy's work as

well as the focused delights of the short story form brought to a

pinnacle in the hands of a master. ABOUT THE AUTHOR: Lev

Nikolayevich Tolstoy (Russian: ??? ??????????? ???????; most

appropriately used Liev Tolstoy; commonly Leo Tolstoy in

Anglophone countries) was a Russian writer who primarily wrote

novels and short stories. Later in life, he also wrote plays and

essays. His two most famous works, the novels *War and Peace*

and *Anna Karenina*, are acknowledged as two of the greatest

novels of all time and a pinnacle of realist fiction. Many consider

Tolstoy to have been one of the world's greatest novelists. Tolstoy

is equally known for his complicated and paradoxical persona and

for his extreme moralistic and ascetic views, which he adopted

after a moral crisis and spiritual awakening in the 1870s, after

which he also became noted as a moral thinker and social

reformer. His literal interpretation of the ethical teachings of

Jesus, centering on the Sermon on the Mount, caused him in later

life to become a fervent Christian anarchist and anarcho-pacifist.

His ideas on nonviolent resistance, expressed in such works as

*The Kingdom of God Is Within You*, were to have a profound

impact on such pivotal twentieth-century figures as Mohandas

Gandhi and Martin Luther King, Jr.
