one of our most accomplished
and widely admired historians—a
revelatory portrait of Benjamin
Franklin's youngest sister, Jane,

whose obscurity and poverty were matched only by her brother's fame and wealth but who, like him, was a passionate reader, a gifted writer, and an astonishingly shrewd political commentator. Making use of an astonishing cache of little-studied material, including documents, objects, and portraits only just discovered, Jill Lepore brings Jane Franklin to life in a way that illuminates not only this one extraordinary woman but an entire world.

Harry the Poisonous
Centipede: A Story To Make
You Squirm Random House

First published in 1813 by Thomas Egerton, *Pride and Prejudice* was originally drafted by Austen during a particularly creative period before 1800. The essential plot concerns the marriage plans of Elizabeth Bennett and how they are shaped by her initial prejudice against the proud and reserved Mr Darcy. Through a well-accounted narrative of social scenes and prim courting practices, Elizabeth comes to

see that Mr Darcy is not the uptight, austere man she first-perceived, but it takes Mr Darcy to overcome his natural reserve before the plot can be resolved satisfactorily. Darcy ' s pride and Elizabeth ' s prejudice provide the substance of the title and create a little more subtlety than the original name for the novel – *First Impressions*. Austen ' s draft was likely revised in stages over the years between its original drafting and its subsequent publication and the final version is rich in detail and dramatic dialogue.

The Backward Shadow

Penguin

A heartbreaking and powerful story about a black boy killed by a police officer, drawing connections through history, from award-winning author Jewell Parker Rhodes. Only the living can make the world better. Live and make it better. Twelve-year-old Jerome is shot by a police officer who mistakes his toy gun for a real threat. As a

ghost, he observes the devastation that's been unleashed on his family and community in the wake of what they see as an unjust and brutal killing. Soon Jerome meets another ghost: Emmett Till, a boy from a very different time but similar circumstances. Emmett helps Jerome process what has happened, on a journey towards recognizing how historical racism may have led to the events that ended his life. Jerome also meets Sarah, the daughter of the police officer, who grapples with her father's actions. Once again Jewell Parker Rhodes deftly weaves historical and socio-political layers into a gripping and poignant story about how children and families face the complexities of today's world, and how one boy grows to understand American blackness in the aftermath of his own death.

Two Is Lonely Doubleday
Books for Young Readers
Meet shapeshifting skinwalker Jane Yellowrock in the first

novel in the New York Times bestselling series that captures “the essence of urban fantasy” (SF Site). Jane Yellowrock is the last of her kind—a skinwalker of Cherokee descent who can turn into any creature she desires and hunts vampires for a living. But now she’s been hired by Katherine Fontaneau, one of the oldest vampires in New Orleans and the madam of Katies’s Ladies, to hunt a powerful rogue vampire who’s killing other vamps. Amidst a bordello full of real “ladies of the night,” and a hot Cajun biker with a panther tattoo who stirs her carnal desire, Jane must stay focused and complete her mission—or else the next skin she’ll need to save just may be her own...

I, Houdini Brookings Institution Press

A delightfully squirmy story starring Harry the Poisonous Centipede in a scary world of flying swoopers, furry biters and the dreaded Hoo-Mins!

With wonderful humour and brilliant illustrations, this is the perfect book for wriggly young readers.

The Farthest Away Mountain Thomas Nelson Publishers

One family’s household has been in a state of disarray because of one small furry problem. Meet Houdini, an extraordinarily brilliant escapologist. No, not that Houdini. This one is a hamster. Once you meet him, you will understand that his owners just couldn’t name him anything else, for his name is quite fitting. He can escape from anything—a cage or the clutches of a mean cat. While on his escapades, he causes all kinds of trouble from chewing through wires to causing

a flood. But Houdini thinks it's all worth it, because he is desperate to explore the great Outdoors. But once he gets out, will he ever come back? Or will this be his final escape?

rules and subtle guidelines of English grammar and usage, *The Blue Book of Grammar and Punctuation* offers comprehensive, straightforward instruction.

Book of Ages Hachette UK

It all started with a shattering bang. Maura found herself flat on her face on the pavement. For moments there was nothing, just blackness and silence. But she knew.

Once again, a bomb had exploded in the streets of Belfast. And lying beside Maura, with her face buried in her arms, was a stranger.

When the other girl moved her head sharply and looked up, Maura got the strangest feeling. It was like looking in a mirror, but not exactly... 00-01 Keystone to Reading Book Award

Adventure abounds when a toy comes to life in this classic novel! It's Omri's birthday, but all he gets

from his best friend, Patrick, is a little plastic warrior figure. Trying to hide his disappointment, Omri puts his present in a metal cupboard and locks the door with a

mysterious skeleton key that once belonged to his great-grandmother. Little

does Omri know that by turning the key, he will transform his ordinary plastic toy into a real live man from an altogether different time and place!

Omri and the tiny warrior called Little Bear could hardly be more different, yet soon the two forge a very special friendship. Will Omri be able to keep Little Bear without anyone finding out and taking his new friend away?

A NEW YORK TIMES

NOTABLE BOOK OF THE

YEAR • NEW YORK TIMES

BEST SELLER • From the

indie rockstar of Japanese Breakfast fame, one of TIME's

Most Influential People of

2022, and author of the viral

2018 New Yorker essay that shares the title of this book,

an unflinching, powerful

memoir about growing up

Korean American, losing her

mother, and forging her own

identity. In this exquisite story

of family, food, grief, and

endurance, Michelle Zauner

proves herself far more than a

dazzling singer, songwriter,

and guitarist. With humor and

heart, she tells of growing up

one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her.

Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich

with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

[The Making of Jane Austen](#)

Lulu Press, Inc

A coming of age debut novel from *The Boondock Saints* and *Young Indiana Jones* actor Sean Patrick Flanery. A young Mickey navigates through the dense Texas humidity of the 70s and out onto the porch every single time his Granddaddy calls him, where he's presented with the heirloom recipe for life, love, and manhood. But all the logic and insight in the world cannot prepare him to operate correctly in the presence of a wonderfully

beautiful little girl who moves in just behind his rear fence. How will this magical moment divide Mickey's life into a "before and after" and permanently change his motion and direct it down the unpaved road to which only a lucky few are granted access?

Cooking In A Bedsitter

The L-shaped Room

William Morrow & Company

On marijuana, there is no mutual federal-state policy; will this cause federalism to go up in smoke? More than one-half the 50 states have legalized the use of marijuana at least for medical purposes, and about a dozen of those states have gone further, legalizing it for recreational use. Either step would have been almost inconceivable just a couple decades ago. But marijuana remains an

illegal “controlled substance” under a 1970 federal law, so those who sell or grow it could still face federal prosecution. How can state and federal laws be in such conflict? And could federal law put the new state laws in jeopardy at some point? This book, an edited volume with contributions by highly regarded legal scholars and policy analysts, is the first detailed examination of these and other questions surrounding a highly unusual conflict between state and federal policies and laws. *Marijuana Federalism* surveys the constitutional issues that come into play with this conflict, as well as the policy questions related to law enforcement at the federal versus state levels. It also describes specific areas—such as banking regulations—in which federal

law has particularly far-reaching effects. Readers will gain a greater understanding of federalism in general, including how the division of authority between the federal and state governments operates in the context of policy and legal disputes between the two levels. This book also will help inform debates as other states consider whether to jump on the bandwagon of marijuana legalization.

Pride and Prejudice John Wiley & Sons

As his adventures with Little Bear continue, Omri travels from the French and Indian wars to the present, and then back to the Old West at the tum-of-the-century.

The Warning Bell Broadway
In the fourth book in Bank's acclaimed INDIAN IN THE CUPBOARD saga, Omri and his family move to an old farmhouse, where he finds an ancient notebook

that reveals a family secret and the mysterious origins of his magical cupboard.
