Adventure abounds
when a toy comes to
life in this classic
novel! It's Omri's
birthday, but all he
gets from his best

friend, Patrick, is a little plastic warrior figure. Trying to hide his disappointment, Omri puts his present in a metal cupboard and locks the door with a mysterious skeleton key that once belonged to his great-grandmother. Little does Omri know that by turning the key, he will transform his ordinary plastic toy into a real live man from an altogether different time and place! Omri and the tiny warrior called Little Bear could hardly be more different, yet soon the two forge a very special friendship. Will Omri be able to keep Little Bear

without anyone
finding out and
taking his new friend
away?

'My son, I have
nothing I can give,
but this chance
that you may live.'
With these words,
a Hebrew mother
places her infant
son, Moses, in a
basket and sets
him adrift on the
Nile River. From
his carefree days
as a prince of
Egypt to his flight
into the desert,
nothing can fully

prepare Moses for what is to come. Lynne Reid Banks, author of the best-selling novel *The Indian in the Cupboard*, brings the timeless story of Moses to life in this spirited retelling. Enriched with a full-color insert depicting characters and scenes from the film, this is a popular format that will enable older children to experience the movie again and again.

The Indian in the Cupboard

William Morrow & Company
NATIONAL BOOK AWARD FINALIST ONE

OF THE BEST BOOKS OF THE YEAR NPR • Time Magazine • The Washington Post • Entertainment Weekly • The Boston Globe A NEW YORK TIMES NOTABLE BOOK From one of our most accomplished and widely admired historians—a revelatory portrait of Benjamin Franklin's youngest sister, Jane, whose obscurity and poverty were matched only by her brother's fame and wealth but who, like him, was

a passionate reader, a gifted writer, and an astonishingly shrewd political commentator.

Making use of an astonishing cache of little-studied material, including documents, objects, and portraits only just discovered, Jill Lepore brings Jane Franklin to life in a way that illuminates not only this one extraordinary woman but an entire world.

Jane's son David is eight years old and Jane is filled with doubts as he grows up without a father. Toby, her first love, has gone to Israel after the collapse of his marriage to Melissa. Then there is Andy, close at hand, a complex personality with his own problem son.

In the background is Terry, David's father, an amorphous shadow hanging over them. This intense, compassionate novel completes the trilogy which began with *The L-Shaped Room*, *Jane Eyre* Bloomsbury Publishing De levensgeschied enissen van de Egelse schrijfster Charlotte Brontë (1816-1855), Emily Brontë (1818-1848), Anne Brontë (1820-1849) en hun broer Branwell (1817-1848). One More River Brookings Institution Press

Meet shapeshifting skinwalker Jane Yellowrock in the first novel in the New York Times bestselling series that captures “the essence of urban fantasy” (SF Site). Jane Yellowrock is the last of her kind—a skinwalker of Cherokee descent who can turn into any creature she desires and hunts vampires for a living. But now she’s been hired by Katherine Fontaneau, one of the oldest vampires in New Orleans and the madam of *Katies’s Ladies*, to hunt a powerful rogue

vampire who's killing other vamps. Amidst a bordello full of real "ladies of the night," and a hot Cajun biker with a panther tattoo who stirs her carnal desire, Jane must stay focused and complete her mission—or else the next skin she'll need to save just may be her own...

Little, Brown Books for Young Readers
As his adventures with Little Bear continue, Omri travels from the French and Indian wars to the present, and then back to the Old West at the turn-of-the-century.

Alice By Accident
HarperCollins UK
A NEW YORK TIMES NOTABLE BOOK OF THE YEAR • NEW YORK TIMES BEST SELLER •
From the indie rockstar of Japanese Breakfast fame, one of TIME's Most Influential People of 2022, and author of the viral 2018 New Yorker essay that shares the title of this book, an unflinching, powerful memoir about growing up Korean American, losing her mother, and forging her own identity. In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far

more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling

band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and

complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

Whether you're a devoted Janeite or simply Jane-curious, *The Making of Jane Austen* will have you thinking about how a literary icon is made, transformed, and handed down from generation to generation.

[Moses in Egypt](#)
Thomas Nelson Publishers
To Libby Mason, Mr. Right has always meant Mr. Rich. A twenty-seven-year-old publicist, she's

barely able to afford her fashionable and fabulous lifestyle and often has to foot the bill for dates with *Struggling Writer* Nick, a sexy but perpetually strapped-for-cash guy she's dating (no commitments – really). So when Ed, Britain's wealthiest but stodgiest bachelor, enters the picture, her idea of the fairy tale romance is turned on its head. Mr. Maybe is the tale of her heartfelt but hilarious deliberation, irresistibly chronicled by

bestselling author Jane Green. On one hand, Nick makes up for his low bank-account balance by his performance in the sack, or in the bathtub, as the case may be. But life with him means little more than nightly trips to the bar, a dark and grungy apartment, and plenty of dull political tirades to boot. But those blue eyes, and that tender heart... On the other hand, there's Ed, whose luxurious house and gargantuan bank account are quite tempting to the starving Libby.

But his unsavory mustache and bumbling ways make Libby wonder if the platinum AMEX and unlimited "retail therapy" are worth it. He may have fallen in love with her at first sight, but nothing seems to solve his lackluster performance in the sack – even speed reading *The Joy of Sex*. When the diamond shopping commences, Libby is forced to realize that the time for "maybe" is up. Taking romantic comedy to a hip, sparkling new level, *Mr. Maybe* is a classic tale of

what happens to one girl when her heart and her head aren't looking for the same thing. With a laugh and minute and a heroine whose struggles in the dating jungle will remind you of your own, *Mr. Maybe* is a story that all will leave you smitten. *The Warning Bell* Yearling
In the fourth book in Bank's acclaimed INDIAN IN THE CUPBOARD saga, Omri and his family move to an old farmhouse, where he finds an ancient notebook that reveals a family secret-and the mysterious origins of his magical cupboard. [Two Is Lonely](#)

Angela and Diabola are twins, but from the moment they enter the world - one with a smile and the other with a vengeance - they have nothing in common. Angela is the perfect daughter while Diabola wreaks havoc. Yet even in

their world of extremes, a balance needs to be sought. *Room* Harper Collins
On marijuana, there is no mutual federal-state policy; will this cause federalism to go up in smoke? More than one-half the 50 states have legalized the use of marijuana at least for medical purposes, and about a dozen of those states have gone further, legalizing it for recreational use. Either step would have been almost inconceivable just a couple decades

ago. But marijuana remains an illegal “controlled substance” under a 1970 federal law, so those who sell or grow it could still face federal prosecution. How can state and federal laws be in such conflict? And could federal law put the new state laws in jeopardy at some point? This book, an edited volume with contributions by highly regarded legal scholars and policy analysts, is the first detailed examination of these and other questions surrounding a highly unusual

conflict between state and federal policies and laws. Marijuana Federalism surveys the constitutional issues that come into play with this conflict, as well as the policy questions related to law enforcement at the federal versus state levels. It also describes specific areas—such as banking regulations—in which federal law has particularly far-reaching effects. Readers will gain a greater understanding of federalism in general, including how the division of authority between

the federal and state governments operates in the context of policy and legal disputes between the two levels. This book also will help inform debates as other states consider whether to jump on the bandwagon of marijuana legalization.

H, Houdini Crown First published in 1813 by Thomas Egerton, *Pride and Prejudice* was originally drafted by Austen during a particularly creative period before 1800. The essential plot concerns the marriage plans of

Elizabeth Bennett and how they are shaped by her initial prejudice against the proud and reserved Mr Darcy. Through a well-accounted narrative of social scenes and prim courting practices, Elizabeth comes to see that Mr Darcy is not the uptight, austere man she first-perceived, but it takes Mr Darcy to overcome his natural reserve before the plot can be resolved satisfactorily. Darcy's pride and Elizabeth's prejudice provide the substance of the title and create a little more

subtlety than the original name for the novel – First Impressions.

Austen's draft was likely revised in stages over the years between its original drafting and its subsequent publication and the final version is rich in detail and dramatic dialogue.
