Heroes Are My Weakness Annie's Goldengrove's towers and twisted chimneys rose at the very edge of the peaceful Weald, a stone's throw from the poisonous marshes and

merciless waters of Rye Bay. Young Tabby Palethorp had been running wild there ever since her mother grew too ill to leave her room. I was the perfect choice to give Tabby a good English education: thoroughly respectable and far too plain to tempt her lonely father, Sir Kit, to indiscretion. I knew better than to trust my new employer with the truth about my past. But knowing better couldn't stop me from yearning for impossible things: to be Tabby's mother, Sir Kit's companion, and

Goldengrove's new mistress. All that belonged to poor Lady Palethorp. Most of all, I burned to finally catch a glimpse of her. Surely she could tell me who cut the strings on my guitar, why all the doors inside the house were locked after dark, and whose footsteps I heard in the night...

her friends--From publisher's description. The Football Girl Multnomah In the vein of psychological thrillers like *We Were Liars* and *One of Us Is Lying*, bestselling and Edgar Award nominated author Caroline Cooney's JANIE series seamlessly blends mystery and suspense with issues of family, friendship and love to offer an emotionally evocative thrill ride of a read. No one ever really paid close attention to the faces of the missing children on the milk

cartons. But as Janie Johnson glanced at the face of the ordinary little girl with her hair in tight pigtails, wearing a dress with a narrow white collar—a three-year-old who had been kidnapped twelve years before from a shopping mall in New Jersey—she felt overcome with shock. She recognized that little girl—it was she. How could it possibly be true? Janie can't believe that her loving parents kidnapped her, but as she begins to piece things together, nothing makes sense. Something

is terribly wrong. Are Mr. and Mrs. Johnson really her parents? And if not, who is Janie Johnson, and what really happened? **Wellspring of Magic St.** Martin's Press Now a major Lifetime movie event, from New York Times bestselling author and literary phenomenon V.C. Andrews (*Flowers in the Attic*, *My Sweet Audrina*) comes the fourth installment in the classic story of the Casteel family saga.

Stunned by tragedy, a young woman finds herself desperate and alone, and clinging to the frailest of dreams. Can Heaven's daughter find the inner strength to survive? The car crash that killed Heaven and Logan left Annie Casteel Stonewall orphaned and crippled. Whisked off to Farthinggale Manor by the possessive Tony Tatterton, Annie pines for her lost family, but especially for Luke, her half-brother. Friend of **Attic** Annie's her childhood, her fantasy prince, her loving confidante...witho author Kristin Hannah comes a powerful novel of love, loss, and the magic of friendship. . . . now a #1 Netflix series! Then, to her amazement, the "coolest girl in the world" moves in across the street and wants to be her friend. Tully Hart

seems to have it all---beauty, brains, ambition. On the surface they are as opposite as two people can be: Kate, doomed to be forever uncool, with a loving family who mortifies her at every turn. Tully, steeped in glamour and mystery, but with a secret that is destroying her. They make a pact to be best friends forever; by summer's end they've become Tully and Kate. Inseparable. So begins Kristin Hannah's magnificent new

novel. Spanning more than three decades and playing out across the ever-changing face of the Pacific Northwest, *Firefly Lane* is the poignant, powerful story of two women and the friendship that becomes the bulkhead of their lives. From the beginning, Tully is desperate to prove her worth to the world. Abandoned by her mother at an early age, she longs to be loved unconditionally. In the glittering, big-hair era of the eighties, she

looks to men to fill the void in her soul. But in the buttoned-down nineties, it is television news that captivates her. She will follow her own blind ambition to New York and around the globe, finding fame and success . . . and loneliness. Kate knows early on that her life will be nothing special. Throughout college, she pretends to be driven by a need for success, but all she really wants is to fall in love and have

---

children and live an ordinary life. In her own quiet way, Kate is as driven as Tully. What she doesn't know is how being a wife and mother will change her . . . how she'll lose sight of who she once was, and what she once wanted. And how much she'll envy her famous best friend. . . . For thirty years, Tully and Kate buoy each other through life, weathering the storms of friends hip---jealousy, anger, hurt, resentment. They think

they've survived it all until a single act of betrayal tears them apart . . . and puts their courage and friendship to the ultimate test. Firefly Lane is for anyone who ever drank Boone's Farm apple wine while listening to Abba or Fleetwood Mac. More than a coming-of-age novel, it's the story of a generation of women who were both blessed and cursed by choices. It's about promises and secrets and betrayals. And

ultimately, about the one person who really, truly knows you---and knows what has the power to hurt you . . . and heal you. Firefly Lane is a story you'll never forget . . . one you'll want to pass on to your best friend. The Face on the Milk Carton Pushkin Press New York Times bestselling author Susan Elizabeth Phillips is back with a delightful novel filled with her sassy wit and dazzling charm. He's a reclusive writer whose imagination creates chilling horror novels.

She's a down-on-her-luck actress reduced to staging kids' puppet shows. He knows a dozen ways to kill his characters with his bare hands. She knows a dozen ways to kill an audience with laughs. But she's not laughing now. Annie Hewitt has arrived on Peregrine Island in the middle of a snowstorm and at the end of her resources. She's broke, dispirited, but not quite ready to give up. Her red suitcases hold the puppets she uses to make her living: sensible Dilly, spunky Scamp, and Leo, the baddest of bad

guys. Her puppets, the romantic novels she loves, and a little bit of courage are all she has left. Annie couldn't be more ill prepared for what she finds when she reaches Moonraker Cottage or for the man who dwells in Harp House, the mysterious mansion that hovers above the cottage. When she was a teenager, he betrayed her in a way she can never forget or forgive. Now they're trapped together on a frozen island along with a lonely widow, a mute little girl, and townspeople who

don't know how to mind their own business. Is he the villain she remembers, or has he changed? Her head says no. Her heart says yes. It's going to be a long, hot winter.

Then there's that three-hundred-and-sixty-fifth day: Christmas Eve, the traditional time her entire family gathers together—and gangs up on her, demanding to know when she's going to get married. This year, she swears, is going to be different. And that's why, at a charity auction she's throwing on-base, she buys herself a man. Sergeant Troy Matthews insists that he's not for sale. His time is, though, and he's happy to donate it. Happier still when he learns the identity of the winning bidder: the redhead with the killer good looks and smart mouth who runs the veteran's center. Honor-winning book shows us that in the steady courage of a young girl lies a profound strength that can transcend the horrors of war. This is the true story of a girl's extraordinary survival during the German occupation of Holland of World War II. Annie was only ten years old, but because she was Jewish, she was forced to leave her family, her home, and everything she knew. Annie was taken in, far from home, by complete strangers who risked everything to help her. They

showed Annie where she had to stay - the cramped upstairs room of their farmhouse. She would remain there while Nazis, who were ever vigilant, patrolled the streets outside. If Annie made even a sound from upstairs, or if a nosy neighbor caught sight of her in the window, it would surely mean a death sentence for her and the family that took her in. Elie Wiesel writes, "This admirable account is as important in every aspect as the one bequeathed to us by Anne Frank." A Newbery Medal

Honor Book, ALA Notable Book, and winner of the Jewish Book Council Children's Book Award. Be sure to read the moving sequel "The Journey Back" by Johanna Reiss. **Everything Crochet** Annie's India lives in a large, luxurious house with a mum she can't stand and a dad she adores, though he hasn't had much time for her recently.
