The Lady of the Lake (Sir Walter Scott) - Selections from Longfellow Thorndike Press Large Print
The Lady of the Lake is a narrative poem by Sir Walter Scott, first published in 1810. Set in the Trossachs region of

Scotland, it is composed of six cantos, each of which concerns the action of a single day. Sir Walter Scott, 1st Baronet, FRSE (15 August 1771 - 21 September 1832) was a Scottish historical novelist, playwright and poet with many contemporary readers in Europe, Australia, and North America. Scott's novels and poetry are still read, and many of his works remain classics of both English-language literature and of Scottish literature. Famous titles include *Ivanhoe*, *Rob Roy*, *Old Mortality*, *The Lady of the Lake*, *Waverley*, *The Heart of Midlothian* and *The Bride of Lammermoor*. Although primarily remembered for his extensive literary works and his political engagement, Scott was an advocate, judge and legal administrator by profession, and throughout his career combined his writing and editing work with his daily occupation as Clerk of Session and Sheriff-Depute of Selkirkshire. A prominent member of the Tory establishment in Edinburgh, Scott was an active member of the Highland Society and served a long term as President of the Royal Society of Edinburgh (1820-32).

Lakes

"Castle Dangerous" is the last of Walter Scott's "Waverley" cycle of historical novels. The story takes place shortly after the death of William Wallace in the Scottish War of Independence. Basically a romantic tale, the narrative follows a fair lady and her pledge of marriage. With romantic triangles, mysterious identities, battles, and sword duels, "Castle Dangerous" is a satisfying conclusion to Scott's longish tradition of historical novels. Despite being his "swan song", it still remains a pleasant and highly recommendable read. Sir Walter Scott (1771-1832) was a Scottish writer, poet, and historian. A jurist by formation, he was also judge, and an active member of the Highland Society, the Royal Society of Edinburgh and

the Society of Antiquaries of Scotland. He also played a major role in bringing the Sturm und Drang literary movement to the United Kingdom, both through translations, but also through his own creations. He wrote numerous well-known historical novels, including "Waverley," "Rob Roy", and "Ivanhoe", which have inspired countless authors ever since.

The Lady of the Lake by Sir Walter Scott

Sir Walter Scott, 1st Baronet, FRSE, was a Scottish playwright, novelist and poet who became the first English-language author to be internationally celebrated within their own lifetime. Although he wrote extensively, he was by profession an advocate and judge, and continued to practice alongside his writing career. Scott was fascinated by the oral tradition of the Scottish borders, with its poetry, folklore and legend, and he collected stories throughout his youth and as a young

man, almost obsessively. Scott's friend, James Ballantyne, had founded a printing press in 1796, and had published much of Scott's early work, including the Lay of the Last Minstrel which firmly established Scott's position in the Scottish literary tradition, and that of English literature as a whole. Scott was by now printing regularly with the Ballantynes and convinced them to relocate their press to Edinburgh and became a partner in their business. In 1813 Scott was offered the post of Poet Laureate, but turned the offer down and the position was taken by Robert Southey. Until now he had predominately written poetry however he became interested in the novel form despite its comparative unpopularity for a supposed aesthetic inferiority. Owing to this he published his first novel, Waverley, anonymously, in 1814. Its success encouraged several more novels, all of which were published under "Author of Waverley" as a means of piggybacking the success of Waverley and because Scott feared his traditional father would disapprove of such a trivial pursuit as novel writing. Scott came to be known as the "Wizard of the North" for his writing, and among literary circles it was an open secret that he was the author of these novels. In 1815 the Prince Regent, George, dined with him as he wished to meet the "Author of Waverley." By 1825 a banking crisis was crippling the nation and the Ballantyne printing company went under with Scott left with debts of 130,000

(approx. 10mil in 2014). His pride kept him from accepting financial aid (even from his admirer, King George) or declaring himself bankrupt. He resolved to continue writing until he could pay his debts. Compounding these unfortunate circumstances was the death of his wife in 1826. However, he maintained his enormous literary output until 1831 by which point his health had begun to fail and he died on September 21st 1832. At his death he was still in debt, the continuing sales of his work ensured that all debt was discharged shortly after he died.

The Works of Sir Walter Scott: The lady of the lake. Harold the dauntless. The field of Waterloo

One is his first love. The other is his best love. Which will be his true love? Walter Scott has three passions: Scotland, poetry, and Mina Stuart. Though young and from a different station in society, she is the sunshine of his soul. Yet it's hard for Mina to know if she is only dazzled by Walter's flattery. When she meets charming William, her heart is challenged. Then, one windy morning in the lake country, Walter meets Charlotte. Passion and promises collide as all must decide the course for their futures.

The Lady of the Lake By Sir Walter Scott Edited with Notes by William J. Rolfe

The Lady of the Lake is a narrative poem by Sir Walter Scott, first published in 1810. Set in the Trossachs region of

Scotland, it is composed of six cantos, each of which concerns the action of a single day. The poem has three main plots: the contest among three men, Roderick Dhu, James Fitz-James, and Malcolm Graeme, to win the love of Ellen Douglas; the feud and reconciliation of King James V of Scotland and James Douglas; and a war between the lowland Scots (led by James V) and the highland clans (led by Roderick Dhu of Clan Alpine). The poem was tremendously influential in the nineteenth century, and inspired the Highland Revival. By the late nineteenth century, however, the poem was much less popular. (It continued, however, to be a standard reading in elementary schools until the early twentieth century.) Its influence is indirect: Schubert's *Ellens Dritter Gesang* (later adapted to use the full lyrics of the Latin Ave Maria), Rossini's *La Donna del Lago* (1819), the Ku Klux Klan custom of cross burning, the last name of U.S. abolitionist Frederick Douglass, and the song "Hail to the Chief", were all inspired by the poem. It shares its name with the Arthurian character, the Lady of the Lake. Other allusions to the legend are scant.

The Lady of the Lake

After James Douglas and his daughter Ellen are banished from their home, they go into hiding with the help of several enemies of the king. The Lady of the Lake is an intricate story filled with political and social intrigue, romance and chivalry. James Douglas is the former

Earl of Bothwell, who once mentored King James V of Scotland. He is currently exiled from the realm and living on the outskirts of the kingdom. Douglas and his daughter Ellen have found refuge on the island of Loch Katrine under the watch of its clan chief, Roderick Dhu. Roderick, the young Malcolm Graeme, and the mysterious knight, James Fitz-James vie for Ellen's affection, while awaiting the king's impending attack. The Lady of the Lake is a Gaelic classic that depicts the ongoing feud between highland and lowland Scots. It was a popular international release that entertained audiences across the globe. The story has stood the test of time and is a staple in children's literature. With an eye-catching new cover, and professionally typeset

manuscript, this edition of The Lady of the Lake is both modern and readable.
