Walter Scott, the ninth of a family of twelve children, was born at Edinburgh in August, 1771. His first consciousness of existence dated from the time when he was sent, a lame, delicate child, to Sandyknowe, the residence of his paternal grandfather. Here he "was often carried out and laid down beside the old shepherd among the crags or rocks round which he fed his sheep." If Scott's genius was late in flowering, who can say that the budding did not begin in that early, close companionship with the Highland country which he was to reproduce so vividly in his verse and fiction? With strength increased

by open-air life, although still slightly lame, we find him later a sturdy, active, not over-studious boy at school at Edinburgh and Kelso, and at fifteen beginning in his father's office the legal studies which he continued at the university.

The Lady of the Lake is a narrative poem by Sir Walter Scott, first published in 1810. Set in the Trossachs region of Scotland, it is composed of six cantos, each of which concerns the action of a single day. Sir Walter Scott, 1st Baronet, FRSE (15 August 1771 - 21 September 1832) was a Scottish historical novelist, playwright and poet with many contemporary readers in Europe, Australia, and North America. Scott's novels and poetry are still read, and many of his works remain classics of both English-language

Although primarily remembered for his extensive literary works and his political engagement, Scott was an advocate, judge and legal administrator by profession, and throughout his career combined his writing and editing work with his daily occupation as Clerk of Session and Sheriff-Depute of Selkirkshire. A prominent member of the Tory establishment in Edinburgh, Scott was an active member of the Highland Society and served a long term as President of the Royal Society of Edinburgh (1820-32).

The Lady of the Lake, by Sir Walter Scott; with all his introductions, various readings, and the editor's notes. Illustrated by numerous engravings on wood from drawings by Birket Foster and John Gilbert Palala Press

The Lady of the Lake Walter Scott - The Lady of the Lake is a narrative poem by Sir Walter Scott, first published in 1810. Set in the Trossachs region of Scotland, it is composed of six cantos, each of which concerns the action of a single day. The poem has three main plots: the contest among three men, Roderick Dhu, James Fitz-James, and Malcolm Graeme, to win the love of Ellen Douglas; the feud and reconciliation of King James V of Scotland and James Douglas; and a war between the lowland Scots (led by James V) and the highland clans (led by Roderick Dhu of Clan Alpine). The poem was tremendously influential in the nineteenth century, and did much to inspire the Highland Revival. By the late twentieth century, however, the poem was virtually forgotten. Its influence is thus indirect: Schubert's Ave Maria, Rossini's La donna del lago (1819), the racist custom of cross burning, the last name of U.S. abolitionist Frederick Douglass, and the song "Hail to the Chief" were all inspired by the poem.
