The Last Centurion. by John Ringo. John Ringo is an odd bird, even by comparison to the normal oddness of science fiction writers. Ringo can write really really good, bad, and creepily-unwholesome-I-need-a-shower books. Often inside the same cover. So I was more than a bit hesitant to check out the sample chapters for his upcoming book, but I did.

The Last Centurion
Audiobook | John Ringo | Audible.co.uk

John Ringo exhibits a clean writing style and profound knowledge of the way of the soldier. He also has a keen understanding of human nature, realities of economics, and the rot infesting the political creatures currently inhabiting our Gubmint, Entertainment and Media

Establishment, if you can tell them apart in the pile of writhing tentacles.

The Last Centurion John Ringo. Centurions were the guardians of Rome. At the height of the Roman Republic there were over five thousand qualified Roman Centurions in the Legions. To be a Centurion required that, in a mostly illiterate society, one be able to read and write clearly, to be able to convey and create orders, to be capable of not only performing every skill of a Roman soldier but teach every

skill of a Roman soldier.
