"The new year was already some hours old, but

the world to which it had come was still dark. Dark with a curious obscurity, that was absolutely opaque yet faintly luminous, because of the white fog which lay on all things and hid them from the stars; for the sky above was clear, cold, almost frosty. That was why the fog, born, not of cool vapour seeking for cloud life among the winds of heaven, but of hot smoke loving the warmth of dust and ashes, clung so closely to the earth; to its birthplace. It was an acrid, bitter smoke, not even due to the dead hearthfires of a dead day, since they--like all else pertaining to the domestic life of India--give small outward sign of existence, but to the smouldering piles of litter and refuse which are lit every evening upon the outskirts of human habitation. Dull heaps with a minimum of fire, a maximum of smoke, where the humanity which has produced the litter, the refuse, gathers for gossip or for warmth. Even in the fields beyond the multitude of men, where some long-limbed peasant, watching his hope of harvest, dozes by a solitary fire, this same smoke rises in a solid column, until--beaten down by the colder moister air above--it drifts sideways to spread like a vast cobweb over the dew-set carpet of green corn. ...

NEW YORK TIMES BESTSELLER • “A world of invention and skulduggery, populated by the likes of Edison, Westinghouse, and Tesla.”—Erik Larson “A model of superior historical fiction . . . an exciting, sometimes astonishing story.”—The Washington Post From Graham Moore, the Oscar-winning screenwriter of *The Imitation Game* and New York Times bestselling author of *The Sherlockian*, comes a thrilling novel—based on actual events—about the nature of genius, the cost of ambition, and the battle to electrify America. New York, 1888. Gas lamps still flicker in the city streets, but the miracle of electric light is in its infancy. The person who controls the means to turn night into day will make history—and a vast fortune. A young untested lawyer named Paul Cravath, fresh out of Columbia Law School, takes a case that seems impossible to win. Paul's client, George Westinghouse, has been sued by Thomas Edison over a billion-dollar question: Who invented the light bulb and holds the right to power the country? The case affords Paul entry to the heady world of high society—the glittering parties in Gramercy Park mansions,

and the more insidious dealings done behind closed doors. The task facing him is beyond daunting. Edison is a wily, dangerous opponent with vast resources at his disposal—private spies, newspapers in his pocket, and the backing of J. P. Morgan himself. Yet this unknown lawyer shares with his famous adversary a compulsion to win at all costs. How will he do it? In obsessive pursuit of victory, Paul crosses paths with Nikola Tesla, an eccentric, brilliant inventor who may hold the key to defeating Edison, and with Agnes Huntington, a beautiful opera singer who proves to be a flawless performer on stage and off. As Paul takes greater and greater risks, he'll find that everyone in his path is playing their own game, and no one is quite who they seem. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND THE PHILADELPHIA INQUIRER "A satisfying romp . . . Takes place against a backdrop rich with period detail . . . Works wonderfully as an entertainment . . . As it charges forward, the novel leaves no dot unconnected."—Noah Hawley, *The New York Times Book Review*

Children In Time - Hardback Behind Closed Doors

Dorothy Whipple's key theme is 'Live and Let Live'. And what she describes throughout her short stories are people, and particularly parents, who defy this maxim. For this reason her work is timeless, like all great writing. It is irrelevant that Dorothy Whipple's novels were set in an era when middle-class women expected to have a maid; when fish knives were used for eating fish; when children did what they were told. The moral universe she creates has not changed: there are bullies in every part of society; people try their best but often fail; they would like to be unselfish but sometimes are greedy. Like George Eliot, like Mrs Gaskell, like EM Forster, Dorothy Whipple describes men and women in their social milieu, which in her case is the inter-war

period, and shows them being all- too human. But her books are not nostalgia reads either, any more than reading George Eliot or Forster is a nostalgia read, nor are they old-fashioned or simplistic. Her prose, it is true, is pure, uncluttered, straightforward, pared down to the bone and never labours the point; her subtlety is the reason why so many people - generally those who have not read her - overlook her excellence.

A young bride shuts herself up in a bedroom on her wedding day, refusing to get married. In this moving and humorous look at contemporary Israel and the chaotic ups and downs of love everywhere, her family gathers outside the locked door, not knowing what to do. The bride's mother has lost a younger daughter in unclear circumstances. Her grandmother is hard of hearing, yet seems to understand her better than anyone. A male cousin who likes to wear women's clothes and jewelry clings to his grandmother like a little boy. The family tries an array of unusual tactics to ensure the wedding goes ahead, including calling in a psychologist specializing in brides who change their mind and a ladder truck from the Palestinian Authority electrical company. The only communication they receive from behind the door are scribbled notes, one of them a cryptic poem about a prodigal daughter returning home. The harder they try to reach the defiant woman, the more the despairing groom is convinced that her refusal should be respected. But what, exactly, ought to be respected? Is this merely a case of cold feet? A feminist statement? Or a mourning ritual for a lost sister? This provocative and highly entertaining novel lingers long after its final page.

The Street Railway Journal Andrea Martin "I'm so many people. They shock me sometimes. I wish I was just me!" --Marilyn Monroe Nearly sixty years after her death, Marilyn Monroe remains an icon whom everyone loves but no one really knows. The conversations gathered here--spanning her emergence on the Hollywood scene to just days before her death at age 36--show Monroe at her sharpest and most insightful on the thorny topics of ambition, fame, femininity, desire, and more. Together with an introduction by Sady Doyle, these pieces

reveal yet another Marilyn: not the tragic heroine she's become in the popular imagination, but a righteously and justifiably angry figure breaking free of the limitations the world forced on her.

Bulwer's Novels: The last days of Pompeii Head of Zeus Ltd

From #1 bestselling author Isla Dean comes the third novella in the One Night Collection, *ONE SPRING NIGHT*. Mystery writer, Kara Keaton, moved to small town Stonebridge to start her life over after her husband's death. Between writing, renovating the hundred-year-old home she purchased, and trying to figure out how to keep the plants in her greenhouse alive, she stays busy. But not so busy that she doesn't enjoy her daily visits to the Plumber's Pub where the cheer of the town rings long and loud. And it certainly isn't a hardship to watch the stoic and sexy Ben Roberts behind the bar. The steadiest of the siblings, Ben's love and pride in being part of his family's pub is palpable. He's a straight-shooter--when it's important--with a strong stature and golden eyes that show darker hints of what runs deep within him. And from the day he meets the mysterious Kara, he's a man who knows what he wants. He just hasn't found a way into her world. Yet. With a spring storm barreling through the quaint New England town, Kara begins to let down her guard, and starts to understand that her heart truly is ready to love again. **SPECIAL NOTE TO READERS:** Each book in the One Night Collection is a standalone novella, featuring new characters with a story all their own, that takes place over the course of one night. The exception to this is *One Summer Night* (coming summer 2016!) which features a fun roundup of all the main characters in the collection as they come together for a fabulous Fourth of July celebration. I am so proud to finally let you meet The
Girl Behind the Closed Door. She was
in hiding for a very long time, but as
with anything that is life changing, the
wait was worthwhile. I have suffered
greatly from loneliness, fear and
depression and only through my writing
and other learning tools, did I find ways
to emerge as a stronger and more
powerful woman. Poetry was a
wonderful gift that I was given to free
myself from the ugly grips of

depression, and now I want to share its
healing power with you. In every poem, I
guarantee that you will find a piece of
the heart of the girl behind the closed
door. That girl, who used to be me, is
resting now, but her wonderful essence
is still alive in these works. All that I am
today is because of the courage that she
showed every day, just to survive. Be
gentle with her, and she will show you
her love. I will bet that when you find her
heart, you will recognize it as a part of
your own.
