Dana Estes "Suspenseful...moving...equal to any fictional thriller."

—San Francisco Chronicle In August 1978, the Iron Curtain still hung heavily across Europe. To escape from oppressive East Berlin, an East German couple, Hans Detlef Alexander Tiede

and Ingrid Ruske, hijacked a Polish airliner and diverted it to the American sector of West Berlin. Along with the couple, several passengers spontaneously defected to the West, and were welcomed by US officials. But within hours, Communist officials reminded the West of the anti-hijacking agreements in the Warsaw Pact, and thus the fugitives were arrested by the US State Department. Thirty-four years after World War II, the United States built

a court in the middle of West Berlin, the former capital of the Third Reich, in the building that once housed the Luftwaffe, to try the hijacking couple. Former NJ district attorney, now a judge, Herbert J. Stern was appointed the "United States Judge for Berlin." What followed was a trial full of maneuvers and strategies that would put Perry Mason to shame, and answered the question: what is allowed to people seeking freedom? Judgment in Berlin, also a

major motion picture starring Martin Sheen and Sean Penn, is unsurpassed as a true-life suspense story, with its vivid accounts of daring escapes, close calls, diplomatic intrigue, and dramatic courtroom confrontations. The original edition won the Freedom Foundation Award, and this updated edition includes a new introduction from author and trial judge Herbert J. Stern. Morgan's British Trade Journal and

Dorothy
Whipple's key
theme is 'Live and
Let Live'. And
what she describes
throughout her

short stories are people, and particularly parents, who defy this maxim. For this reason her work is timeless, like all great writing. It is irrelevant that Dorothy Whipple's novels were set in an era when middle-class women expected to have a maid; when fish knives were used for eating fish; when children did what they were told. The moral universe she creates has not changed: there are bullies in every part of society; people try their

best but often fail; they would like to be unselfish but sometimes are greedy. Like George Eliot, like Mrs Gaskell, like EM Forster, Dorothy Whipple describes men and women in their social milieu, which in her case is the inter-war period, and shows them being all-too-human. But her books are not nostalgia reads either, any more than reading George Eliot or Forster is a nostalgia read, nor are they old-fashioned or simplistic. Her prose, it is true, is

pure, uncluttered, straightforward, pared down to the bone and never labours the point; her subtlety is the reason why so many people - generally those who have not read her - overlook her excellence.

War and Peace St. Martin's Griffin Behind the Closed Doors, is a compilation of eight different short stories that portray varied lives. The hidden puzzles are finally revealed and the author needs the reader to indulge

with emotions and be a phoenix. Divya hopes that these quiet echoes will reach you from the unseen walls and reach your heart and mind before they disappear. The echoes are getting louder and louder, hoping that you will hear and they are searching for you, with a lot of stories to share. Lend an ear and listen to them. Maybe you will find them near you. The story of those blossomed beauties, that bloomed. The stories are not just analysis or interpretation of reel situations, but they portray the real-life experiences that many have faced with respect to their existence in their society, family and their religion. Through these stories, the author intends to

help the women, by motivating them to rise high from the odds. The story aims at making every reader who read the story, think for a moment about how they could bring a change. It depicts the contemporary real-life stories and insights from a wide spectrum of people whom the author has met, with fabricated names and places but instances remain real. These stories are about those women who found the strength to reveal their hidden inner thoughts of the darkest days of their life, to break open the chain of pain, to pursue the passions and hopes they carried in their life.
