Retired from his fighting days, John Perry is now village ombudsman for a human colony on distant Huckleberry. With his wife, former Special Forces warrior Jane Sagan, he farms several acres, adjudicates local disputes, and enjoys watching his adopted daughter grow up. That is, until his and Jane's past reaches out to bring them back into the game--as leaders of a new human colony, to be peopled by settlers from all the major human worlds, for a deep political purpose that will put Perry and Sagan back in

the thick of interstellar politics, betrayal, and war. The Ghost Brigades Univ of California Press "As much as Scalzi has the scientific creativity of a Michael Crichton, he also has the procedural chops of a Stephen J. Canell to craft a whodunit with buddy-cop charm and suspects aplenty—most of them in someone else's body." —USA Today John Scalzi returns with Head On, the standalone follow-up to the New York Times

bestselling and critically acclaimed Lock In. Chilling near-future SF with the thrills of a gritty cop procedural, Head On brings Scalzi's trademark snappy dialogue and technological speculation to the future world of sports. Hilketa is a frenetic and violent pastime where players attack each other with swords and hammers. The main goal of the game: obtain your opponent's head and carry it through the goalposts. With flesh and bone bodies, a sport like this would be impossible. But all the players are "threeps," robot-like bodies controlled by people with Haden's Syndrome, so anything goes. No one gets hurt, but the brutality is real and the crowds love it. Until a star athlete drops dead on the playing field. Is it an accident or murder? FBI Agents and Haden-related crime investigators, Chris Shane and Leslie Vann, are called in to uncover the truth—and in doing so travel to the darker side of the fast-growing sport of Hilketa, where fortunes are made or lost, and where players and owners do whatever it takes to win, on and off the field. Fuzzy Nation Tor Science Fiction On September 13, 1998, John Scalzi sat down in front of his computer to write the first entry in his blog Whatever--and changed the

history of the Internet as we know it today. What, you're not swallowing that one? Okay, fine: He started writing Whatever and amused about 15 people that first day. If that many. But he kept at it, for ten years and running. Now 40,000 people drop by on a daily basis to see what he's got to say. About what? Well, about whatever: Politics, writing, family, war, popular culture and cats (especially with bacon on them). Sometimes he's funny. Sometimes he's serious (mostly he's sarcastic). Sometimes people agree with him. Sometimes they send him hate mail, which he grades on originality and sends back. Along the way, Scalzi's become a best-selling, award-winning author, a father, and a geek celebrity. But no matter what, there's always another Whatever post to amuse and/or enrage his readers. Your Hate Mail Will Be Graded collects some of the best and most popular Whatever entries from the first ten years of the blog — a decade of Whatever, presented in delightfully random form, just as it should be. \* Winner of the 2009 Hugo Award for Best Non-Fiction Book \* Introduction by Star Trek actor Wil Wheaton Old Man's War

New archeological discoveries may finally solve the greatest mystery of Colonial America in this history of Roanoke and Hatteras Islands. Established on what is now North Carolina ' s Roanoke Island, the Roanoke Colony was intended to be England ' s first permanent settlement in North America. But in 1590, the entire population disappeared without a trace. The only clue to their fate was the word " Croatoan " carved into a tree. For centuries, the legend of the Lost Colony has captivated imaginations. Now, archaeologists from the University of Bristol, working with the Croatoan Archaeological Society, have uncovered tantalizing clues to the fate of the colony. In The Lost Colony and Hatteras

Island, Hatteras native and amateur archaeologist Scott Dawson compiles what scholars know about the Lost Colony along with what scholars have found beneath the soil of Hatteras.

After the Coup Macmillan Discovering a gem node on a distant planet, contractor Jack Holloway believes he has become a wealthy man before encountering an indigenous race of small, furry, sentient beings who his corporate partners are determined to eliminate in order to secure their stake in the treasure.

Hard-core science fiction at its very best, the sequel to his extraordinary Old Man's War They are the special wing of the Colonial Defence Forces, elite troops created from DNA of the dead and turned into the perfect soldiers for the CDF's toughest operations. The universe is a dangerous place for humanity, as three hostile races combine to halt our further expansion into space. Their linchpin is a turncoat scientist, Charles Boutin, who unfortunately knows the CDF's biggest military secrets. And to prevail against this alliance, they must find out why Boutin did what he did. Jared Dirac is the only human

able to provide answers, being a superhuman hybrid created from Boutin's own DNA. Jared's brain should therefore be able to access Boutin's electronic memories ... but when that appears to fail, Jared is instead passed on to the Ghost Brigades. Then, just as time is running out, Boutin's memories slowly begin to surface within him ... but all this while the enemy is planning something much worse for mankind than just military defeat. Hugo-award winning author, John Scalzi returns to his best-selling Old Man's War universe with The End of All Things, the direct sequel to 2013's The Human Division Humans expanded into space...only to find a universe populated with multiple alien species bent on

their destruction. Thus was the Colonial Union formed, to help protect us from a hostile universe. The Colonial Union used the Earth and its excess population for colonists and soldiers. It was a good arrangement...for the Colonial Union. Then the Earth said: no more. Now the Colonial Union is living on borrowed time—a couple of decades at most, before the ranks of the Colonial Defense Forces are depleted and the struggling human colonies are vulnerable to the alien species who have been waiting for the first sign of weakness, to drive humanity to ruin. And there's another problem: A group, lurking in the darkness of space, playing human and alien against each other—and against their own kind—for their own unknown reasons. In this collapsing universe, CDF Lieutenant Harry Wilson and the Colonial Union diplomats he works with race against the clock to discover who is behind attacks on the Union and on alien races, to seek peace with a suspicious, angry Earth, and keep humanity's union intact...or else risk oblivion, and extinction—and the end of all things. Humans expanded into space, discovering multiple alien species. But these were enemies not allies, their forces were bent on our destruction. Thus was the Colonial Union formed, to protect us from a hostile universe. And Earth's excess population became its colonists and soldiers. It was a good arrangement—for the Colonial Union. Then the Earth said no more. Now the Colonial Union is living on borrowed time before its defence forces are fatally depleted. Then struggling human colonies will be vulnerable, easy prey for alien species eager for humanity's ruin. And there's another problem. A group lurks in the darkness of space, playing human and alien factions against one another. They'll even target their own kind and their reasons are unfathomable. In this collapsing universe, Lieutenant Harry Wilson and Colonial Union diplomats race to discover who's behind these attacks. They must also seek peace with an angry Earth, and keep humanity's union intact. The alternatives

The Times "Great fun" Daily Telegraph Odd John Tor Books The Last Emperox is the thrilling conclusion to the award-winning, New York Times and USA Today bestselling Interdependency series, an epic space opera adventure from Hugo Award-winning author John Scalzi. The collapse of The Flow, the interstellar pathway between the planets of the Interdependency, has accelerated. Entire star systems—and billions of people—are becoming cut off from the rest of human civilization. This collapse was foretold through scientific prediction . . . and yet, even as the evidence is obvious and insurmountable, many still try to rationalize, delay and profit from, these final days of one of the greatest empires humanity has ever known. Emperox Grayland II has finally wrested control of her empire from those who oppose her and who deny the reality of this collapse. But “control” is a slippery thing, and even as Grayland strives to save as many of her people from impoverished isolation, the forces opposing her rule will make a final, desperate push to topple her from her throne and power, by any means necessary. Grayland and her thinning list of allies must use every tool at their disposal to save themselves, and all of humanity. And yet it may not be enough. Will Grayland become the savior of her civilization . . . or the last emperox to wear the crown? The
