Donovan orchestrate the most complex espionage organization in history, the Office of Strategic Services. Young and daring, the OSS assemble under a thin camouflage of diplomacy and then disperse throughout the world to conduct their operations. And no operation is more critical than the one being conducted by hotshot pilot Richard Canidy and his half-German friend Eric Fulmar: to secure the rare ore that will power a top-secret weapon coveted on both sides of the Atlantic--the atomic bomb.

Profiles the life of Baptist minister John Harper, who placed his only child in a lifeboat as the Titanic was sinking and then began to save the lives of other passengers and offer salvation to the lost souls around him.

Rav Kook Crown

Finest heroic poem in Old English celebrates the exploits of Beowulf, a young nobleman of southern Sweden.

Combines myth, Christian and pagan elements, and history into a powerful narrative. Genealogies.

The Last Hero Simon and Schuster

With The Sportswriter, in 1985, Richard Ford began a cycle of novels that ten years later – after Independence Day won both the Pulitzer Prize and the PEN/Faulkner Award – was hailed by The Times of London as “an extraordinary epic [that] is nothing less than the story of the twentieth century itself.”

Frank Bascombe’s story resumes, in the fall of 2000, with the presidential election still hanging in the balance and

Thanksgiving looming before him with all the perils of a post-nuclear family get-together. He’s now plying his trade as a realtor on the Jersey shore and contending with health, marital and familial issues that have his full attention: “all the ways that life seems like life at age fifty-five strewn around me like poppies.” Richard Ford’s first novel in over a decade: the funniest, most engaging (and explosive) book he’s written, and a major literary event.

Hero Penguin

Ka-Mi-Akin, The Last Hero of the Yakimas by Andrew Splawn Jackson, first published in 1917, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

The First Sister Courier Corporation

One of the greatest movie stars ever, Gary Cooper set the standard for the strong, silent type in a career that spanned from the Hollywood's Silents to the Golden Age. Films like High Noon and Sergeant York made Cooper famous, but his private life was just as legendary. This book pulls back the curtain on the life and legacy of this American icon.

Ka-mi-akin, the Last Hero of the Yakimas Next Chapter This definitive biography of Henry (Hank) Aaron—one of baseball's immortal figures—is a revelatory portrait of a complicated, private man who through sports became an enduring American icon. “Beautifully written and

culturally important.” —The Washington Post “ The epic baseball tale of the second half of the 20th century. ”  
—Atlanta Journal Constitution After his retirement in 1976, Aaron ’ s reputation only grew in magnitude. But his influence extended beyond statistics. Based on meticulous research and extensive interviews The Last Hero reveals how Aaron navigated the upheavals of his time—fighting against racism while at the same time benefiting from racial progress—and how he achieved his goal of continuing Jackie Robinson ’ s mission to obtain full equality for African Americans, both in baseball and society, while he lived uncomfortably in the public eye.

#### The Last Folk Hero Anchor

A short but perfectly formed complete Discworld novel, fully illustrated in lavish colour throughout, THE LAST HERO is an essential part of any Discworld collection. It stars the legendary Cohen the Barbarian, a legend in his own lifetime. Cohen can remember when a hero didn't have to worry about fences and lawyers and civilisation, and when people didn't tell you off for killing dragons. But he can't always remember, these days, where he put his teeth... So now, with his ancient sword and his new walking stick and his old friends - and they're very old friends - Cohen the Barbarian is going on one final quest. He's going to climb the highest mountain in the Discworld and meet his gods. The last hero in the world is going to return what the first hero stole. With a vengeance. That'll mean the end of the world, if no one stops him in time.

Hero on a Mission Yale University Press

Winner of the Christopher Award An ILA-CBC Children ’ s

Choices Book A NCSS-CBC Notable Social Studies Book Welles Crowther did not see himself as hero. He was just an ordinary kid who played sports, volunteered at his local fire department, and eventually headed off to college and then Wall Street to start a career. Throughout it all, he always kept a red bandanna in his pocket, a gift from his father. On September 11, 2001, Welles was working on the 104th floor of the South Tower of the World Trade Center when the Twin Towers were attacked. That day, Welles made a fearless choice, and in doing so, saved many lives. The survivors didn ’ t know his name, but one of them remembered a single detail clearly: the man was wearing a red bandanna. Welles Crowther was a hero. Award-winning ESPN reporter Tom Rinaldi brings Welles's inspirational story of selflessness and compassion to life in this accessible young readers ’ adaptation of his New York Times bestselling book. This powerful story of making a difference through our actions is perfect for helping the post-9/11 generation understand the meaning of this historic day through the eyes of one young man. “ Rinaldi ’ s young reader edition of his award-winning adult story puts a face on that day (9/11), a hero ’ s face, and brings to young people someone who stood brave in the toughest of times and who, in the end, was lost doing his best to help others survive. ” —VOYA

#### The Last Hero Turtleback

A rich and illuminating biography of America ’ s forgotten Founding Father, the patriot physician and major general who fomented rebellion and died heroically at the battle of Bunker Hill on the brink of revolution Little has been known of one of the most important figures in early American history, Dr. Joseph Warren, an architect of the colonial rebellion,

---

and a man who might have led the country as Washington or Jefferson did had he not been martyred at Bunker Hill in 1775. Warren was involved in almost every major insurrectionary act in the Boston area for a decade, from the Stamp Act protests to the Boston Massacre to the Boston Tea Party, and his incendiary writings included the famous Suffolk Resolves, which helped unite the colonies against Britain and inspired the Declaration of Independence. Yet after his death, his life and legend faded, leaving his contemporaries to rise to fame in his place and obscuring his essential role in bringing America to independence. Christian Di Spigna's definitive new biography of Warren is a loving work of historical excavation, the product of two decades of research and scores of newly unearthed primary-source documents that have given us this forgotten Founding Father anew. Following Warren from his farming childhood and years at Harvard through his professional success and political radicalization to his role in sparking the rebellion, Di Spigna's thoughtful, judicious retelling not only restores Warren to his rightful place in the pantheon of Revolutionary greats, it deepens our understanding of the nation's dramatic beginnings.

Beacon Press

Joe DiMaggio was, at every turn, one man we could look at who made us feel good. In the hard-knuckled thirties, he was the immigrant boy who made it

big—and spurred the New York Yankees to a new era of dynasty. He was Broadway Joe, the icon of elegance, the man who wooed and won Marilyn Monroe—the most beautiful girl America could dream up. Joe DiMaggio was a mirror of our best self. And he was also the loneliest hero we ever had. In this groundbreaking biography, Pulitzer Prize-winning journalist Richard Ben Cramer presents a shocking portrait of a complicated, enigmatic life. The story that DiMaggio never wanted told, tells of his grace—and greed; his dignity, pride—and hidden shame. It is a story that sweeps through the twentieth century, bringing to light not just America's national game, but the birth (and the price) of modern national celebrity. Ka-mi-akin, the Last Hero of the Yakimas The Last Hero Henry Morton Stanley, the famous explorer, is sent on a secret mission to rescue the mysterious Emin Pasha, a British ally, from the dervish armies that defeated the British army at Khartoum

The Last Heroes Bollingen Foundation

Examines myths and folk tales from around the world in an attempt to understand the symbolism of the hero as it appears in the mythologies and religions of mankind.

Ramesses III HarperCollins

This eBook set brings together the first three volumes in the wildly popular Heroes of Olympus series: *The Lost Hero*, *The Son of Neptune*, and *The Mark of Athena*. Longtime fans will want this collection and so will new readers just diving into the series.

*The Last American Hero* Simon and Schuster  
Combining the social commentary of *The Handmaid's Tale* with the white-knuckled thrills of *Red Rising*, this epic space opera filled with "lush prose" (*Publishers Weekly*) follows a comfort woman as she claims her agency, a soldier questioning his allegiances, and a non-binary hero out to save the solar system. *First Sister* has no name and no voice. As a priestess of the Sisterhood, she travels the stars alongside the soldiers of Earth and Mars—the same ones who own the rights to her body and soul. When her former captain abandons her, *First Sister's* hopes for freedom are dashed when she is forced to stay on her ship with no friends, no power, and a new

captain—Saito Ren—whom she knows nothing about. She is commanded to spy on Captain Ren by the Sisterhood, but soon discovers that working for the war effort is much harder when you're falling in love. Lito val Lucius climbed his way out of the slums to become an elite soldier of Venus but was defeated in combat by none other than Saito Ren, resulting in the disappearance of his partner, Hiro. When Lito learns that Hiro is both alive and a traitor to the cause, he now has a shot at redemption: track down and kill his former partner. But when he discovers recordings that Hiro secretly made, Lito's own allegiances are put to the test. Ultimately, he must decide between following orders and following his heart. With "a layered, action-filled plot and diverse characters" (*Library Journal*), *The First Sister* explores the power of technology, colonization, race, and gender and is perfect for fans of James S.A. Corey, Chuck Wendig, and Jay Posey.
