Redemption John Curley & Assoc

A literary event that tells story of five hundred children who lived in the Czech Family Camp in Auschwitz-Birkenau between September 1943 and June 1944. We lived on a bunk built for four but in times of overcrowding, it slept seven and at times even eight. There was so little space on the berth that when one of us wanted to ease his hip, we all had to turn in a tangle of legs and chests and hollow bellies as if we were one many-limbed creature, a Hindu god or a centipede. We grew intimate not only in body but also in mind because we knew that though we were not born of one womb, we would certainly die together. Alex Ehren is poet, a prisoner, and a teacher in block 31 in Auschwitz-Birkenau, also known as the Children's Block. He spends his days trying to survive and illegally giving lessons to his young charges, all while shielding them as best he can from the impossible horrors of the camp. But trying to teach the children is not the only illicit activity that Alex is involved in. Alex is keeping a diary . . .

This volume includes "Skin Deep" and "Without a Trace." Skin Deep St. Martin's Paperbacks In this moving story about losing and finding love again, a woman sets out to find the perfect matches for those closest to her. Forty-eight-year-old Nantucketer Dabney Kimball Beech has always had a gift for matchmaking. Some call her ability mystical, while others, her husband, celebrated economist John Boxmiller Beech, and her daughter, Agnes, who is clearly engaged to the wrong man, call it meddling. But there's no arguing with her results: With 42 happy couples to her credit and all of them still together, Dabney has never been wrong about romance. Never, that is, except in the case of herself and Clendenin Hughes, the green-eyed boy who took her heart with him long ago when he left the island to

pursue his dream of becoming a journalist. Now, after spending twenty-seven years on the other side of the world, Clen is back on Nantucket, and Dabney has never felt so confused, or so alive. But when tragedy threatens her own second chance, Dabney must face the choices she's made and share painful secrets with her family. Cinderella Story Harlequin

After two New York Times bestsellers, Nick Offerman—woodworker, actor, comedian, and co-host of NBC's crafting competition series Making It—returns with the subject for which he's known best—his incredible real-life woodshop. Nestled among the glitz and glitter of Tinseltown is a testament to American elbow grease and an honest-to-god hard day's work: Offerman Woodshop. Captained by hirsute woodworker, actor, comedian, and writer Nick Offerman, the shop produces not only fine handcrafted furniture, but also fun stuff—kazoos, baseball bats, ukuleles, mustache combs, even cedar-strip canoes. Now Nick and his ragtag crew of champions want to share their experience of working at the Woodshop, tell you all about their passion for the discipline of woodworking, and teach you how to make a handful of their most popular projects along the way. This book takes readers behind the scenes of the woodshop, both inspiring and teaching them to make their own projects and besotting them with the infectious spirit behind the shop and its complement of dusty wood-elves. In these pages you will find a variety of projects for every skill level, with personal, easy-to-follow instructions by the OWS woodworkers themselves; and, what's more, this tutelage is augmented by mouth-watering color photos (Nick calls it "wood porn"). You will also find writings by Nick, offering recipes for both comestibles and mirth, humorous essays, odes to his own woodworking heroes, insights into the ethos of woodworking in modern America, and other assorted tomfoolery. Whether you've

been working in your own shop for years, or if holding this stack of compressed wood pulp as close as you've ever come to milling lumber, or even if you just love Nick Offerman's brand of bucolic yet worldly wisdom, you'll find *Good Clean Fun* full of useful, illuminating, and entertaining information.

Suffering Succotash St. Martin's Paperbacks
As a child Stephanie Lucianovic lived for years on grilled cheese and created an elaborate system for disposing of revolting food involving bookshelves, holiday centerpieces, and, later, boyfriends. She agonized not over meeting her future in-laws, but over the peaches they served her. As an adult, this picky eater found herself in the most unlikely of circumstances: a graduate of culinary school who became a cheesemonger and then a food writer. Along the way, she realized just how common her plight was. It wasn't surprising to discover that picky eating is an issue for millions of kids, but who knew there are even support groups for adults who can't overcome it? Yet remarkably little is known about the science of picky eating, and cultural and historical questions abound. Are picky eaters destined to ascend to a higher plane of existence, and what happens when picky eaters fall in love or go to restaurants? How can you tell if you're a "supertaster"? How does the gag reflex affect pickiness (and what secrets do sword swallows impart to help overcome it)? *Suffering Succotash* is a wide-angle look into the world of picky eating, told by a writer who's been in the culinary trenches. With wit and charm, through visits to laboratories specializing in genetic analysis, attempts to infiltrate the inner workings of a "feeding" clinic, and interviews with fellow picky eaters and adventurous foodies young and old, Stephanie explores her own food phobias and gets to the bottom of what repulses us about certain foods, what it really means to be a picky eater, and what we can do about it.
