Red Hot 100 Last of the red hot lovers Last of the Red Hot Lovers A sexy cowgirl gives a rugged Texas loner the ride of his life in USA Today bestselling author Tina Leonard's seductive new series. Ava Buchanan dreams of a career on the rodeo circuit. Winning a spot on a one-of-a-kind team would be her ticket to the life she's always wanted. Ava won't let anyone stand in her way—not even a stubborn cowboy whose slow-molasses smile and red-hot swagger set her senses aflame . . . and whose talents as a trainer could make her a star. Rodeo might be a man's game, but Ava knows the right woman's touch can tame the wildest heart. Trace Carter believes his mayor's plan to raise the town's profile has disaster written all over it, and he won't allow the Hell's Outlaws Training Center to be dragged into the fiasco. Yet watching Ava's delectable body on horseback proves too much of a temptation, and his fantasies stray to her riding skills outside the arena. Soon Trace is fighting like hell to rein in his unbridled desire for the petite brunette before it becomes a passion hotter than the Texas sun. Praise for Last of the Red-Hot Cowboys "If you like your cowboys smokin' and your cowgirls sassy, you'll love the sparks that fly between Trace and Ava in Tina Leonard's Last of the Red-Hot Cowboys."—Laura Moore, author of Once Tasted "Perfect for readers who enjoy heroes and heroines who clash upon first meeting and several times thereafter."—Library Journal (starred review) "Hijinks and conflict propel Leonard's first entry in her Hell's Outlaws series, Last of the Red-Hot Cowboys."—RT Book Reviews "The perfect read for a day in the sun."—Manga Maniac Cafe "The actual story was gripping. It was a book I couldn't stop reading because I had to see what happened. I even abandoned my vacuuming to find out what happened to Ava and Trace!"—Romance Novel Giveaways "Refreshing . . . a very hot and steamy book."—Hines and Bigham's Literary Tryst "I found myself totally immersed in the story! I really liked the characters and the dynamic in their small little town in Texas."—The Crafty Cauldron "I love a hot cowboy and this book had several hot guys."—Red's Hot Reads "A great introduction to the residents of Hell, Texas . . . I can't wait until the other boys of Hell's Outlaws get theirs."—Hannah's Words "The pages flew by."—Not Everyone's Mama "I'll definitely be looking for more by Tina Leonard."—That Ginger Girl Reads "This book was a fun-filled ride that I'd read over and over again."—A Crazy Vermonter's Book Reviews Includes a special message from the editor, as well as excerpts from other Loveswept titles.

A hot sauce manifesto focused on homemade Asian chili sauces and delicious dishes to make with them. In this completely unique Asian cookbook, culinary instructor and trained chef Diana Kuan offers a flavorful education in the art of cooking with homemade Asian hot sauces. From Thai Sriracha to Indonesian sambal to Korean gochujang and other fiery favorites, Asian chili sauces have become staples in restaurants and homes across America. They add a palate-pleasing subtle kick or a scorching burn to the stir-fries, appetizers, and noodle dishes so many people love. But until now, these tantalizing flavors haven't been easy to recreate at home with fresh, all-natural ingredients. Kuan offers more than 100 easy-to-follow recipes for nine sauces fundamental to Asian cooking, along with a "Know Your Chili Pepper" chart so you can easily shop for the ingredients you need and customize the heat level of each sauce. Each chapter then offers recipes incorporating each spicy sauce, broadening the range of Asian dishes you can cook at home. From Kung Pao Sweet Potatoes and Spicy Beef Bulgogi, to Cumin-Crusted Red Curry Rack of Lamb, and even Sriracha Sea Salt Brownies, Red Hot Kitchen is packed with enticing recipes you'll want to cook right now.

There's nothing worse than working with an arrogant blue blood who despises everything about me. Except getting stuck with him in the middle of nowhere."They're just models. Air-headed and vain."That's what Rhys Marchand says the first time we meet, knowing I can overhear him.He's the last person I want to be paired with for this travel campaign, but unlike

him, I wasn't born with a silver spoon. I don't have a choice.So it doesn't matter how much we despise each other, because I'd be crazy to turn down an around-the-world job to shoot in exotic locations. Not even Rhys's brooding will stop me.But somewhere between the turquoise-blue waters of the Caribbean and the cobblestone streets of Paris, I begin to see the real him. The man who's complicated and strong-willed, intelligent and secretive. The man who holds me tight in the back of a Jeep on a desert night.Rhys soon learns that I'm more than I seem.The only problem is that so is he."Red Hot Rebel" is an enemies-to-lovers, slow-burn romance with lots of banter, travel and forced proximity.It is book three in the Brothers of Paradise series but can be read as a complete standalone!

Red Hot Rival Harlequin

Here is the extreme story of the indestructible LA group from their early funk days to eventual success as one of America's top-selling bands. Despite an epic reputation for exhibitionism, drug taking and debauchery, through it all the Chili Peppers have continued to produce records that shock, challenge and intrigue their fans. Author Jeff Apter has interviewed dozens of people - many speaking openly for the first time - who have moved in and out of the Chili Peppers' circle over the past three decades. He has spoken with former Chili Peppers, life-long friends, classmates, family members, album producers and music business insiders, as he plots the band's rise from Hollywood 'latchkey kids', willing to test-drive any drug or woman they could score, to the camomile-tea sipping superstars of today, whose only true family is this band.

When one person dares to speak her truth, it challenges us all to live our own. With Red Hot and Holy, Sera Beak offers a provocative and intimate view of what it means to get up close and personal with the divine in modern times. With a rare combination of audacious wit, scholarly acumen, and tender vulnerability—vibrantly mixed with red wine, rock songs, tattoos, and erotic encounters—Sera candidly chronicles the highs and lows of her mystical journey. From the innocence of her childhood crush on God; through a whirlwind of torrid liaisons and bitter break-ups with Christianity, Buddhism, Sufism, Hinduism, and the New Age; and finally into committed monogamy with her own Red Hot and Holy Goddess, Sera shares transformative insights, encouraging us all to trust our unique path and ignite our own spiritual love affair. Sera Beak's luscious writing and renegade spiritual wisdom that slices through religious and new age dogma made her debut book *The Red Book* a breakout success. With *Red Hot and Holy* she offers a far more personal book—an illuminating, hilarious, and above all utterly honest portrait of the heart-opening process of mystical realization. This hot and holy book invites you to embrace your soul, unleash your true Self, and burn, baby, burn with divine love. Excerpt As a child, I was madly in love with God. Gaga for God. In grade school, I used to write "I (heart) God" at the top of all my homework assignments and in the margins of the notes I passed to my girlfriends about which boys we thought were cute. Next to *The Little Princess*, a children's bible was kept on my bedside table for nightly reading. Miracles? Prophetic dreams? Angels? Healing the sick? Sign me up for those gigs! And every Thursday I believed J.C. dropped by my bedroom so I could ask him personal questions and tell him which sister was annoying me the most. I was magnetized to rosaries, prayers, and pyramids the way other kids were to doughnuts, MTV and the Cabbage Patch Kids, and every time I saw a religious figure (priest, nun, Buddhist monk, Hare Krishna) out in public, it would take an enormous amount of willpower not to stalk them. When Career Days at school would come around, my questionnaire would look a little something like this: Favorite subject? God Favorite hobby? God

What do you want to be when you grow up? God (Okay, there was a brief time when I was six years old when the answer to that last question was "an albino." I thought albinism would make me glow in the dark.) When I was a child, God was not a belief of a magical Santa Claus type. He was as real as my heart. I felt Him (inside me). I recognized Him (everywhere). I knew Him (personally). We hung out together, and I never wanted our rendezvous to stop. I only wanted us to draw closer. I assumed I was experiencing what many Catholics refer to as "the call" to be a priest, so I matter-of-factly informed my parish priests and Sunday school teachers of my future vocation. They laughed, patted my head, and told me I couldn't have heard the call to be a priest because I had a vagina. Okay, they didn't say that last part, but believe me, it was implied. They did tell me that only men were allowed to be priests because Jesus only had male disciples (to which Mary Magdalene juts out her left hip and slaps her round cheek with The Gospel of Mary Magdalene). But, of course, I could always be a nun.

America's secret war in the Caribbean during the Cold War is revealed as never before in this riveting story of the machinations and blunders of superpowers, and the daring of the mavericks who took them on. During the presidencies of Eisenhower, Kennedy and Johnson, the Caribbean was in crisis, while the United States and the USSR acted out the world's rising tensions in its island nations. Meanwhile the leaders of these nations - the charismatic Fidel Castro, and his mysterious brother Raúl; the ideologue Che Guevara; the capricious psychopath Rafael Trujillo; and François 'Papa Doc' Duvalier, a buttoned-down doctor with interests in Vodou, embezzlement and torture - had ambitions of their own. Alex von Tunzelmann's brilliant narrative follows these five rivals and accomplices from the beginning of the Cold War to its end. The superpowers thought they could use these Caribbean leaders as puppets, but what neither bargained on was that their puppets would come to life. The United States, in its all-consuming fight against communism, stumbled into one disaster after another. First, with the Bay of Pigs, and then with the Cuban Missile Crisis, it helped bring the world as close to catastrophic nuclear war as it has ever been. Red Heatis an authoritative and eye-opening account of a wildly dramatic and dangerous era of international politics that has unmistakable resonance today.

Red Hot Winter Loveswept

Last of the Red Hot Lovers is one of the most amusing of Neil Simon's comedies. It focuses on Barney Cashman, a forty-seven-year-old owner of a seafood restaurant who is afraid that the sexual revolution of the 1960's is passing him by. Over the space of nine months, he invites three different women to his mother's Manhattan apartment in an attempt to have an afternoon of extramarital sex. None of the affairs is consummated, however, and Barney decides after the last one that he would prefer a romantic afternoon with his wife, Thelma. *Red Hot Lies* Simon and Schuster With their trademark insight, humor, and candid personal perspectives, Bill and Pam Farrel reveal the truths about the sexual relationship in marriage and what husbands and wives need to know to keep the embers burning. Sex is like fireworks!—why a little skill turns marriage into red-hot monogamy How sex works best emotionally, physically, and physiologically How to avoid the pleasure thieves that steal your chance for fulfillment The Farrells present difficult-to-discuss topics and biblical truths in universal language with sensitivity, fun, and understanding. For newlyweds, golden anniversary celebrants, and all couples in between—this book inspires the gift of romance and passion to fuel lives with love.

The Chili Peppers' groundbreaking rock/funk/pop fusion has gained them a huge and loyal fan base over the years, but the worldwide success of their 2002 album *By The Way* has now pushed them into the top league of alternative rock crossover success. The product of several years of detailed research, Dave Thompson's in-depth, fully updated account of the band's private lives and public highs and lows is not just a must-read for any serious fan of the Chili Peppers, but a perfect way for their legions of fans to discover their remarkable story.

Red Hot Mama Macmillan

The "First Lady of Show Business" and the "Last of the Red Hot Mamas," Sophie Tucker was a star in vaudeville, radio, film, and television. A gutsy, song-belting stage performer, she entertained audiences for sixty years and inspired a host of younger women, including Judy Garland, Carol Channing, and Bette Midler. Tucker was a woman who defied traditional expectations and achieved success on her own terms, becoming the first female president of the American Federation of Actors and winning many other honors usually bestowed on men.

Dedicated to social justice, she advocated for African Americans in the entertainment industry and cultivated friendships with leading black activists and performers. Tucker was also one of the most generous philanthropists in show business, raising over four million dollars for the religious and racial causes she held dear. Drawing from the hundreds of scrapbooks Tucker compiled, *Red Hot Mama* presents a compelling biography of this larger-than-life performer. Lauren Rebecca Sklaroff tells an engrossing story of how a daughter of Russian Jewish immigrants set her sights on becoming one of the most formidable women in show business and achieved her version of the American dream. More than most of her contemporaries, Tucker understood how to keep her act fresh, to change branding when audiences grew tired and, most importantly, how to connect with her fans, the press, and entertainment moguls. Both deservedly famous and unjustly forgotten today, Tucker stands out as an exemplar of the immigrant experience and a trailblazer for women in the entertainment industry.
