King Arthur is a legendary British leader who, according to Medieval histories and romances, led the defense of Britain against Saxon invaders in the early sixth century. The details of Arthur's story are mainly composed of folklore and literary invention, and his historical existence is debated and disputed by modern historians. The sparse historical background of Arthur is gleaned from various sources, including the *Annales Cambriae*, the *Historia Brittonum*, and the writings of Gildas. Arthur's name also occurs in early poetic sources such as *Y Gododdin*. The legendary Arthur developed as a figure of international interest largely through the popularity of Geoffrey of Monmouth's fanciful and imaginative 12th-century *Historia Regum Britanniae* (History of the Kings of Britain). However, some Welsh and Breton tales and poems relating the story of Arthur date from earlier than this work; in these works, Arthur appears either as a great warrior defending Britain from human and supernatural enemies or as a magical figure of folklore, sometimes associated with the Welsh Otherworld, *Annwn*. How much of Geoffrey's *Historia* (completed in 1138) was adapted from such earlier sources, rather than invented by Geoffrey himself, is unknown. Although the themes, events and

characters of the Arthurian legend varied widely from text to text, and there is no one canonical version, Geoffrey's version of events often served as the starting point for later stories.

Geoffrey depicted Arthur as a king of Britain who defeated the Saxons and established an empire over Britain, Ireland, Iceland, Norway and Gaul. In fact, many elements and incidents that are now an integral part of the Arthurian story appear in Geoffrey's *Historia*, including Arthur's father Uther Pendragon, the wizard Merlin, the sword Excalibur, Arthur's birth at Tintagel, his final battle against Mordred at Camlann and final rest in Avalon. The 12th-century French writer Chretien de Troyes, who added Lancelot and the Holy Grail to the story, began the genre of Arthurian romance that became a significant strand of medieval literature. In these French stories, the narrative focus often shifts from King Arthur himself to other characters, such as various Knights of the Round Table. Arthurian literature thrived during the Middle Ages but waned in the centuries that followed until it experienced a major resurgence in the 19th century. In the 21st century, the legend lives on, not only in literature but also in adaptations for theatre, film, television, comics and other media. The Sir James Knowles version of King Arthur is considered as the most accurate and well known original story of King Arthur and the Knights of the Round Table.

The Legend of King Arthur There is a lot that has been said about King Arthur in the Arthurian Legends. Many people have read or heard about him either as a real person or as a legendary figure. King Arthur is still a great mythic figure of English literature. He was a great warrior, ruler and military leader who united Britain in the medieval

period. However, it is King Arthur as a legendary figure that has mostly captured the imagination and attention of readers. What cannot be denied is the influence the Legend of King Arthur has on literature, music, art and society. The Legend has been portrayed in movies, novels and art, but the reader will get all that in this book. This is a captivating story about King Arthur, the Sword in the Stone, the Knights of the Round Table, Merlin the wizard and the Quest for the Holy Grail. It is entertaining as well as informational. Arthur wielded a magical sword known as Excalibur which helped him win all the battles. He lived in a glorious kingdom called Camelot. He married the beautiful Queen Guinevere who later fell in love with Sir Lancelot one of the King Arthur's favorite Knights. This led to the King's pursuit of Sir Lancelot during which his son Mordred took over the throne and married his wife Queen Guinevere. Eventually, the King returned to Camelot when he heard this, and a war broke out which ultimately resulted in his death.

Legends of King Arthur Through the Ages

Createspace Independent Publishing Platform

A prominent scholar explores King Arthur's historical development, proposing that he began as a fictional character developed in the ninth century. According to legend, King Arthur saved Britain from the Saxons and reigned over it gloriously sometime around A.D. 500. Whether or not there was a "real" King Arthur has all too often been neglected by scholars; most period specialists today declare themselves agnostic on this important matter. In this erudite volume, Nick Higham sets out to solve the puzzle, drawing on his original research and expertise to determine precisely when, and why, the legend began. Higham surveys all the major attempts to prove the

origins of Arthur, weighing up and debunking hitherto claimed connections with classical Greece, Roman Dalmatia, Sarmatia, and the Caucasus. He then explores Arthur's emergence in Wales--up to his rise to fame at the hands of Geoffrey of Monmouth. Certain to arouse heated debate among those committed to defending any particular Arthur, Higham's book is an essential study for anyone seeking to understand how Arthur's story began.

Le Morte D'Arthur BoD – Books on Demand
Stories of King Arthur and his Knights of the Round Table are rife with adventure and romance. People never tire of the many legendary exploits of the ancient king of Britain. However, readers might be surprised that many historians believe Arthur was a real person. This accessible volume includes some of the most famous tales of the legend as well as their foundations in both history and myth. Beautiful artwork and intriguing fact boxes make this a unique and valuable addition to any fiction or nonfiction collection.

The History of Merlin and King Arthur Psychology Press

Geoffrey of Monmouth wrote his "Historia Regum Britanniae" (History of the Kings of Britain) in about 1136 AD. His book includes the first account of the Arthurian legend that survives, apart from very brief mentions of Arthur in earlier chronicles. This edition makes Geoffrey's history of Arthur accessible to a general audience for the first time. It includes only the parts of Geoffrey's "Historia" that are about Merlin or Arthur, omitting its lengthy histories of other kings, which do not interest today's readers. It breaks up Geoffrey's text into shorter chapters, and it adds subheadings that make the narrative easier to follow. Geoffrey lets us see King Arthur's place in history much more clearly than later versions of the legends, telling us that Arthur fought the Saxons after the Romans left Britain. He also includes stories of Merlin's early life that are left out of later accounts. This edition uses Aaron Thompson's 1718 translation of the "Historia," as revised and corrected by J. A. Giles in 1842. This edition also includes drawings by the famous illustrator, Howard Pyle, making it a

beautiful book as well as a book that will fascinate anyone who is interested in the stories of King Arthur and wants to learn more about them.

The Legends of King Arthur in Art

King Arthur is one of the greatest legends of all time. From the magical moment when Arthur releases the sword in the stone to the quest for the Holy Grail and the final tragedy of the Last Battle, Roger Lancelyn Green brings the enchanting world of King Arthur stunningly to life. One of the greatest legends of all time, with an inspiring introduction by David Almond, award-winning author of *Clay*, *Skellig*, *Kit's Wilderness* and *The Fire-Eaters*.

King Arthur The Legends of King Arthur and His Knights

At just 18 years old, Arthur is on the verge of being crushed under the weight of his great destiny. The mighty castle at Tintagel has fallen. King Uther Pendragon lies dead. The mad King Vortigern sits upon the throne with a dragon at his command. And Merlin, having turned traitor, stands at the new king's side. Now Arthur, with the help of the mysterious sword in the stone and his loyal mentors, Gawain and Percival, embarks on a daring mission to retake the crown. However, his greatest challenges lie not in overcoming his enemies, but in finding a way to reunite with two lost friends: a wounded knight called Lancelot and an assassin named Guinevere. Experience the classic tales of King Arthur and his Knights of the Round Table like never before with this thrilling re-imaginings of ancient legend. Packed with swordplay, magic, romance and humor, "The Legends of King Arthur" promise to take readers of all ages on an unforgettable journey of fantasy and adventure! Witness new twists on classic stories like: The mysteries of the Sword in the Stone The origins of the Round Table The treachery of the wizard Merlin Inspired by classic Arthurian works including: Sir Thomas Malory's "Le Morte D'Arthur" and T.H. White's "The Once and Future King" In the vein of other classic fantasy and YA series like William Goldman's "The Princess Bride," J.R.R. Tolkien's "The Hobbit," Neil

Gaiman's "Stardust," and J.K. Rowling's Harry Potter series. Editor: Nick Bowman Cover Credit: Fiona Jayde Media For more details and updates visit www.thelegendsofkingarthur.com Or follow us on Twitter @LegendsOfArthur
