Serialised killer. The Lemur, Banville/Black's latest, forsakes the pathologist Quirke and his seedy postwar Dublin for John Glass, a once-celebrated journalist now married to money and idling in a glittering present-day Manhattan. Appointed by his autocratic father-in-law, Bill Mulholland, to write his official biography, Glass hires a

researcher,...

Then the young man is murdered, and it's up to Glass to find out what The Lemur knew, and who killed him, before any secrets come out--and before any other bodies appear. Shifting from 1950s Dublin to contemporary New York, the masterful crime writer Benjamin Black returns in this standalone thriller--a story of family secrets so deep, and so dangerous, that anyone might kill to keep them hidden.

Banville's latest Benjamin Black outing, *The Lemur* is most like Simenon in the economy of its narrative: It can easily be read in a single sitting. John Glass, the protagonist, is a world-famous ...

The Lemur by Benjamin Black - PopMatters

The newspaper refers to the body only as Victim 2117 - the 2117th refugee to die in the Mediterranean Sea. But to three people, the unnamed victim is so much more, and the death sets off a chain of events that throws Department Q, Copenhagen's cold cases division led by Detective Carl Mørck, into a deeply dangerous - and deeply personal - case.

Benjamin Black is the crime-writing pen name for literary author John Banville, which goes a long way toward explaining the manner in which *THE LEMUR* blurs genres to the point where they are not only indistinct but also irrelevant. I was reminded in a number of ways of *THE GREAT GATSBY*, not the least of them being the quality

This is the third Benjamin Black book I have read in a few days. I am as addicted to his writing as his characters are to cigarettes and alcohol. It is true that the "mystery" is interesting: A burned out journalist hires a researcher to assist him in finding detail

so that he can write his father-in-law's biography -- a biography that the ...
