In the vein of *The Glass Castle*, *Breaking Night* is the stunning memoir of a young woman who at age fifteen was living on the streets, and who eventually made it into Harvard. Liz Murray was born to loving but drug-addicted parents in the Bronx. In school she was taunted for her dirty clothing and lice-infested hair, eventually skipping so many classes that she was put into a girls' home. At age fifteen, Liz found herself on the streets. She learned to scrape by, foraging for food and riding subways all night to have a warm place to sleep. When Liz's mother died of AIDS, she decided to take control of her own destiny and go back to high school, often completing her assignments in the hallways and subway stations where she slept. Liz squeezed four years of high school into two, while homeless; won a New York Times scholarship; and made it into the Ivy League. *Breaking Night* is an unforgettable and beautifully written story of one young woman's indomitable spirit to survive and prevail, against all odds.

A NEW YORK TIMES BESTSELLER Finalist for the NAACP Image Award for "Outstanding Literary Work" "Valerie has been one of Barack and my closest confidantes for decades... the world would feel a lot better if there were more people like Valerie blazing the trail for the rest of us."--Michelle Obama "The ultimate Obama insider" (The New York Times) and longest-serving senior advisor in the Obama White House shares her journey as a daughter, mother, lawyer, business leader, public servant, and leader in government at a historic moment in American history. When Valerie Jarrett interviewed a promising young lawyer named Michelle Robinson in July 1991 for a job in Chicago city government, neither knew that it was the first step on a path that would end in the White House. Jarrett soon became Michelle and Barack Obama's trusted personal adviser and family confidante; in the White House, she was known

as the one who "got" him and helped him engage his public life. Jarrett joined the White House team on January 20, 2009 and departed with the First Family on January 20, 2017, and she was in the room--in the Oval Office, on Air Force One, and everywhere else--when it all happened. No one has as intimate a view of the Obama Years, nor one that reaches back as many decades, as Jarrett shares in *Finding My Voice*. Born in Iran (where her father, a doctor, sought a better job than he could find in segregated America), Jarrett grew up in Chicago in the 60s as racial and gender barriers were being challenged. A single mother stagnating in corporate law, she found her voice in Harold Washington's historic administration, where she began a remarkable journey, ultimately becoming one of the most visible and influential African-American women of the twenty-first century. From her work ensuring equality for women and girls, advancing civil rights, reforming our criminal justice system, and improving the lives of working families, to the real stories behind some of the most stirring moments of the Obama presidency, Jarrett shares her forthright, optimistic perspective on the importance of leadership and the responsibilities of citizenship in the twenty-first century, inspiring readers to lift their own voices.

Dear Reader, As I began to write this book I originally thought I would only share the past (15) months of my personal experiences and circumstances that led me to where I am today. I soon realized that in order to paint a clear picture of how I got to this place in my life I needed to go further back. As I reflect back to how this unusual journey started I must first begin with some life changing events which shaped the beginnings of this journey. As you read on you will experience a journey with circumstances that took place over a period of 12 years. So come with me as I take you on my journey into the heart of Jesus Christ.

Everyone has fears. A fear of the dark, a fear of heights, or even a fear of the unknown can make leading an otherwise normal life difficult. But what if you were afraid not of the dark or of heights—but of other people? What if you were overcome with paralyzing terror and even pushed to the brink of sickness each time you talked with another person—even though you wanted more than anything to be with and enjoy the company of that person? In *Learning to Play the Game: My Journey through Silence*, author Jonathan Kohlmeier shares a coming-of-age memoir of his young life living with selective mutism—an extreme form of social anxiety. At first as a child being so afraid that he could barely speak outside of the home, Jon's story of struggle turns triumph as he is eventually able to join the debate team in high school. From the start of his journey in kindergarten to his high school graduation, Jon chronicles his desire to be “normal”—whatever that means. 2018 Next Generation Indie Book Awards Finalist

The death of your child breaks you. With some luck, you may be able to rebuild most of who you were before that loss so that you are not a complete stranger, even to yourself. Even then, you know that you will never be the same again. There will always be a piece of you missing, leaving you forever broken. With the loss of her son, Jeramie, to a car accident, author Daynabelle Anderson found this to be true of herself: a forever broken mom. She then had to decide whether to fight it and live her life, trying in vain to be whole again, only to punish herself over and over when her efforts resulted in failure. Or she could accept that this was who she was now--to allow herself to be broken and to forgive herself for it. She chose the latter, and now she chronicles her journey into that brokenness. This personal narrative offers one mother's story and her perspective on how to live with grief, intended for anyone who has lost a loved one and who feels pressured to move on.
