### Fourteenth Century Verse & Prose HarperCollins

A collection of illustrated letters from Father Christmas recapping the activities of the preceding year at the North Pole. The letters were written by the author to his children.

The Brideshead Generation White Lion Publishing

C. S. Lewis was a prolific letter writer, and his personal correspondence reveals much of his private life, reflections, friendships, and the progress of his thought. This second of a three-volume collection contains the letters Lewis wrote after his conversion to Christianity, as he began a lifetime of serious writing. Lewis corresponded with many of the twentieth century's major literary figures, including J. R. R. Tolkien and Dorothy Sayers. Here we encounter a surge of letters in response to a new audience of laypeople who wrote to him after the great success of his BBC radio broadcasts during World War II -- talks that would ultimately become his masterwork, Mere Christianity. Volume II begins with C. S. Lewis writing his first major work of literary history, The Allegory of Love, which established him as a scholar with imaginative power. These letters trace his creative journey and recount his new circle of friends, "The Inklings," who meet regularly to share their writing. Tolkien reads aloud chapters of his unfinished The Lord of the Rings, while Lewis shares portions of his first novel, Out of the Silent Planet. Lewis's weekly letters to his brother, Warnie, away serving in the army during World War II, lead him to begin writing his first spiritual work, The Problem of Pain. After the serialization of The Screwtape Letters, the director of religious broadcasting at the BBC approached Lewis and the "Mere Christianity" talks were born. With his new broadcasting career, Lewis was inundated with letters from all over the world. His faithful, thoughtful responses to numerous questions reveal the clarity and wisdom of his theological and intellectual beliefs. Volume II includes Lewis's correspondence with great writers such as Owen Barfield, Arthur C. Clarke, Sheldon Vanauken, and Dom Bede Griffiths. The letters address many of Lewis's interests -- theology, literary criticism, poetry, fantasy, and children's stories -- as well as reveal his relationships with close friends and family. But what is apparent throughout this volume is how this quiet bachelor professor in England touched the lives of many through an amazing discipline of personal correspondence. Walter Hooper's insightful notes and comprehensive biographical appendix of the correspondents make this an irreplaceable reference for those curious about the life and work of one of the most creative minds of the modern era.

Tolkien and C.S. Lewis HarperCollins UK

'The Fellowship of the Ring' is the first part of JRR Tolkien's epic masterpiece 'The Lord of the Rings'. This 50th anniversary edition features special packaging and includes the definitive edition of the text. | PB

Tolkien's Worlds Faber & Faber

Human children Joe and Sylvia have magical adventures in the land of the snergs, a race of people only slightly taller than the average table.

A Dish of Orts William Morrow

'[The Brideshead Generation] has both style and substance, and is above all an enjoyable companion. It has a wildly amusing cast, here controlled by a skilful director.' Evening Standard 'Jovial and entertaining, full of the sort of stories that your friends will tell you if you don't read it before them.' Independent 'Carpenter has read widely and has collected an enormous fund of entertaining stories and facts.' Sunday Telegraph 'Hauntingly sad and wonderfully funny and by far the best thing Humphrey Carpenter has done.' Fiona MacCarthy, The Times Letters to an American Lady Paulist Press

Mr. Bliss's first outing in his new motor-car, shared with several friends, bears, dogs, and a donkey, though not the Girabbit, proves to be unconventional though not inexpensive.

Tree and Leaf HarperCollins

The authorized biography of the creator of Middle-earth. "One of the most interesting and readable biographies of a literary figure." —The Times In the decades since his death in September 1973, millions have read The Hobbit, The Lord of the Rings, and The Silmarillion and become fascinated about the very private man behind the books. Born in South Africa in January 1892, John Ronald Reuel Tolkien was orphaned in childhood and brought up in near-poverty. He served in the first World War, surviving the Battle of the Somme, where he lost many of the closest friends he'd ever had. After the war he returned to the academic life, achieving high repute as a scholar and university teacher, eventually becoming Merton Professor of English at Oxford where he was a close friend of C. S. Lewis and the other writers known as "The Inklings." Then suddenly his life changed dramatically. One day while grading essay papers he found himself writing "In a hole in the ground there lived a hobbit" —and worldwide renown awaited him. Humphrey Carpenter was given unrestricted access to all Tolkien's papers, and interviewed his friends and family. From these sources he follows the long and painful process of creation that produced The Lord of the Rings and The Silmarillion and offers a wealth of information about the life and work of the twentieth century's most cherished author. "J. R. R. Tolkien left his impress upon a whole generation as few recent writers have done . . . an excellent biography." —Newsweek "A panorama of vignettes done with poise and exhaustive command. A man emerges whole." —The Washington Post Book World

The Idea of a University Defined and Illustrated Tempus Publishing Limited

With a new introduction by the author Peter Jackson's film version of J.R.R. Tolkien's Lord of the Rings trilogy - and the accompanying Rings-related paraphernalia and publicity - has played a unique role in the dissemination of Tolkien's imaginative creation to the masses. Yet, for most readers and viewers, the underlying meaning of Middle-earth has remained obscure. Bradley Birzer has remedied that with this fresh study. In J.R.R. Tolkien's Sanctifying Myth: Understanding Middle-earth, Birzer reveals the surprisingly specific religious symbolism that permeates Tolkien's Middle-earth legendarium. He also explores the social and political views that motivated the Oxford don, ultimately situating Tolkien within the Christian humanist tradition represented by Thomas More and T.S. Eliot, Dante and C.S. Lewis. Birzer argues that through the genre of myth Tolkien created a world that is essentially truer than the one we think we see around us everyday, a world that transcends the colorless disenchantment of our postmodern age.

The J.R.R. Tolkien Companion & Guide Harper Collins

This collection will entertain all who appreciate the art of masterful letter writing. The Letters of J.R.R Tolkien sheds much light on Tolkien's creative genius and grand design for the creation of a whole new world: Middle-earth. Featuring a radically expanded index, this volume provides a valuable research tool for all fans wishing to trace the evolution of THE HOBBIT and THE LORD OF THE RINGS.

J.R.R. Tolkien HarperCollins

The comprehensive collection of letters spanning the adult life of one of the world's greatest storytellers, now revised and expanded to include more than 150 previously unseen letters, with revealing new insights into The Hobbit, The Lord of the Rings and The Silmarillion.

The Fellowship of the Ring Wm. B. Eerdmans Publishing

Published to celebrate the first ever 'letter from Father Christmas' in 1920, this beautiful oversized edition of Tolkien's famous illustrated letters from 'Father Christmas', includes a wealth of charming letters, pictures and decorated envelopes, and promises to be a festive feast for Tolkien fans of all ages. Every December an envelope bearing a stamp from the North Pole would arrive for J.R.R. Tolkien's children. Inside would be a letter in strange spidery handwriting and a beautiful coloured drawing or some sketches. The letters were from Father Christmas. They told wonderful tales of life at the North Pole: how all the reindeer got loose and scattered presents all over the place; how the accident-prone Polar Bear climbed the North Pole and fell through the roof of Father Christmas's house into the dining-room; how he broke the Moon into four pieces and made the Man in it fall into the back garden; how there were wars with the troublesome horde of goblins who lived in the caves beneath the house! Sometimes the Polar Bear would scrawl a note, and sometimes Ilbereth the Elf would write in his elegant flowing script, adding yet more life and humour to the stories. No reader, young or old, can fail to be charmed by the inventiveness and 'authenticity' of Tolkien's Letters from Father Christmas. This classic festive book of Tolkien's enchanting Father Christmas letters, written to his children between the 1920s and the 1940s, has been reworked into a sumptuous, new standard hardback edition. It contains high-quality digital reproductions of his wonderful letters and pictures, including a number of them appearing in this format for the first time, and a revised introduction by Baillie Tolkien.

The Letters of J.R.R. Tolkien HarperCollins

Designed to be the essential reference works for all readers and students, these volumes present the most thorough analysis possible of Tolkien's work within the important context of his life. The Reader's Guide includes brief but comprehensive alphabetical entries on a wide range of topics, including a who's who of important persons, a guide to places and institutions, details concerning Tolkien's source material, information about the political and social upheavals through which the author lived, the importance of his social circle, his service as an infantryman in World War I -- even information on the critical reaction to his work and the "Tolkien cult." The Chronology details the parallel evolutions of Tolkien's works and his academic and personal life in minute detail. Spanning the entirety of his long life including nearly sixty years of active labor on his Middle-earth creations, and drawing on such contemporary sources as school records, war service files, biographies, correspondence, the letters of his close friend C. S. Lewis, and the diaries of W. H. Lewis, this book will be an invaluable resource for those who wish

The Catholic Gentleman Oxford University Press, USA

Never before published in a single volume, Tolkien's four novellas ("Farmer Giles of Ham, Leaf by Niggle, Smith of Wootton Major," and "Roverandom") and one book of poems ("The Adventures of Tom Bombadil") are gathered together in a fully illustrated set.

Pictures by J.R.R. Tolkien Allen & Unwin Australia

The buildings and people of Oxford were a valuable source of information for The Hobbit and The Lord of the Rings. This absorbing book charts Tolkien's life in Oxford from 1911 to 1973, using old postcards, maps and photographs to paint a picture of the places and times that relate to one of the leading authors of the twentieth century. The book covers such places as The Bird and Baby, where the Inklings met to read passages from their work; the Old Ashmolean Building on Broad Street where Tolkien worked on the Oxford English Dictionary; the University Botanical Gardens opposite Magdalen College, which contained Tolkien's favourite tree under which to ponder; and the Wolvercote Cemetery where Tolkien was finally buried, with his wife, in 1973. Presented in a handy guide-book format, this is an essential companion for anyone wanting to find the places that influenced Tolkien and his work.

The Father Christmas Letters Ignatius Press

"This book explores their lives, unfolding the extraordinary story of their complex friendship that lasted, with its ups and downs, until Lewis's death in 1963. Despite their differences - of temperament, spiritual emphasis, and storytelling style - what united them was much stronger: A shared vision that continues to inspire their millions of readers throughout the world." --BOOK JACKET. Title Summary field provided by Blackwell North America, Inc. All Rights Reserved Candide and Other Stories W. W. Norton & Company

Keuze uit de brieven van de Engelse auteur (1892-1973) die een inzicht geven in zijn leef- en denkwereld.

The Letters of J.R.R. Tolkien HarperCollins UK

Winner of the 2016 Marfield Prize In 1902, Rainer Maria Rilke—then a struggling poet in Germany—went to Paris to research and write a short book about the sculptor Auguste Rodin. The two were almost polar opposites: Rilke in his twenties, delicate and unknown; Rodin in his sixties, carnal and revered. Yet they fell into an instantaneous friendship. Transporting readers to early twentieth-century Paris, Rachel Corbett's You Must Change Your Life is a vibrant portrait of Rilke and Rodin and their circle, revealing how deeply Rodin's ideas about art and creativity influenced Rilke's classic Letters to a Young Poet.

J R R Tolkein - A Descriptive Bibliography HarperCollins Publishers

The armies of the Dark Lord Sauron are massing as his evil shadow spreads ever wider. Men, Dwarves, Elves and Ents unite forces to do battle against the Dark. Meanwhile, Frodo and Sam struggle further into Mordor in their heroic quest to destroy the One Ring. The devastating conclusion of J.R.R. Tolkien's classic tale of magic and adventure, begun in The Fellowship of the Ring and The Two Towers, features the definitive edition of the text and includes the Appendices and a revised Index in full. To celebrate the release of the first of Peter Jackson's two-part film adaptation of The Hobbit, THE HOBBIT: AN UNEXPECTED JOURNEY, this third part of The Lord of the Rings is available for a limited time with an exclusive cover image from Peter Jackson's award-winning trilogy.

Letters of J.R.R. Tolkien HarperCollins UK

When Lewis was 51 years old and long established at Magdalen College, Oxford, he wrote the first of this collection of letters to an American widow. She was described as a "very charming, gracious, southern aristocratic lady who loved to talk and speak well". In them are his antipathy to journalism, advertising, snobbery, psychoanalysis, and the petty practices that sap freedoms. They identify events in his life after 1950 including his marriage to Joy Davidman and her death three years later.

J.R.R. Tolkien's Sanctifying Myth Houghton Mifflin Harcourt

Written by the writer and broadcaster Brian Sibley, this slipcase features Tolkien's maps of The Hobbit, Beleriand

---

and Middle-earth. Each map is presented in a box-set illustrated by Tolkien artist John Howe, the conceptual artist employed by Peter Jackson to work on his Lord of The Rings film trilogy. The maps, presented with individual books and wallets show Tolkien's mythical lands in detail - they are also bound with fewer folds, making them suitable for portfolios or framing.
