The Librarian Principle - Livre de Helena Hunting

The Librarian Principle by Helena Hunting is a steady paced, hilarious romp of a romance that begins with the slight hiccup of the schol principle finding photoshopped, personalized porn on the librarian's computer. And that's where things only begin to get interesting. Liese is infatuated, to say the least, with her new boss Ryder.

The Librarian Principle de Helena Hunting. Liese was in the middle of adjusting her skirt when her phone chimed. She rummaged around inside her purse and found Marissa had sent her a message. Against her better judgment, she checked it. There was no text, only a photo, and it was too small in the message window to adequately discern the content.

The Librarian Principle by Helena Hunting - Books on ...

I love Helena Hunting's books but this one just didn't do it for me. I found the female main character whiney and annoying. The narrator was good overall but the voice she used when speaking as the female lead made me want to scream. The story was just so so. LOVED the Pucked Series and can't wait for more but these not so much.
