THOMAS MORE Premium Edition Sagwan Press

Utopia is a work of fiction and socio-political satire by Thomas More published in 1516 in Latin. The book is a frame narrative primarily depicting a fictional island society and its religious, social and political customs. Many aspects of More's description of Utopia are reminiscent of life in monasteries.

Utopia DigiCat

This book explores the conscience and motivation of one of the most admired persons in history: St. Thomas More. Most people know that Thomas More wrote a book called Utopia about a perfect society and got his head chopped off by King Henry VIII. But there was much more to the man. More not only occupied England's most powerful position under the

king as Lord Chancellor, but was also a devoted family man, a Renaissance figure of renown throughout Europe, and the author of works of apologetics as well as poetry, fiction and plays. Even while awaiting execution in the Tower of London, his multi-volume "Tower writings" poured out, evidence of his deep faith and life of prayer. In Gulliver's Travels, Protestant author Jonathan Swift named More among the six greatest defenders of liberty of all time, "to which all the ages of the world cannot add a seventh." Erasmus praised him as one "born, created for friendship." After his death, a popular tune sang the praises of his "gentle heart": When More some time had Chancellor been, No more suits did remain; The like will never more be seen Till More be there again. Peter Berglar, who has written ten biographies including one of St. Peter, and one of the earliest studies of Opus Dei and its founder, St. Josemaría Escrivá, deals in this new translation of the original German with the ultimate question: for what is life not worth living? When must it be purchased at a price that could devalue and perhaps destroy it? "It has been repeated in every generation. There will never be a lack of idols and dictators who demand this

sacrifice.”

The Life of Sir Thomas More Knopf

Most previous biographers of Thomas More have sought to prove him a saint; in this, the first full-scale biography of More in half a century, Richard Marius, a leading Reformation historian, seeks to restore the man. More's life spanned a tumultuous period in Western history. He was born in 1478 into a society still medieval in its customs and laws. But by the time of his death in 1535 England was already shaken to its depths by the powerful and unsettling ideas of the Renaissance. Marius draws upon important recent research and his profound knowledge of More's own voluminous writing to make a coherent whole of the life and work of the immensely complex man who was both a product of the times and a singular figure in them. He gives us More the boy—his London childhood, his deep respect for his father, who rose from a tradesman's background to become a judge of the highest court in the land (a “council of fathers” was to rule More's kingdom of Utopia) . . . More the youth—sent at about age twelve to serve in the household of the powerful and political Bishop Morton, later struggling to choose between the priesthood and the lures of secular life: marriage and a career in the great world... More the Londoner, the city man—lawyer, graduate of the Inns of Court, member of the rising middle class with its drive for an achievement and position. We see More the humanist man of letters as Marius treats in full his friendship with Erasmus; his now controversial History of Richard III, from which Shakespeare's Richard derives; and the originals and meanings of his most famous work, Utopia. More the family man is revealed in his relationship with his father, his two wives, and his children as far more complex than the sanctified image of legend. Marius explores More's public career as Lord Chancellor, as champion of the Catholic church, and finally as martyr to the old faith. He shows us a man who, although he hated and feared tyrants, always believes that authority as a source of order was necessary to the public good—a man who as royal councilor and Lord Chancellor

upheld his king until the very moment when, in response to Henry's final tyranny, he chose “to die the King's good servant, but God's first.” Marius also demonstrates that it was the centuries-old authority of the Catholic Church that More revered; that he was as suspicious of paper supremacy as of any tyranny. The man Marius ultimately reveals is one more passionate and driven (in his family life, his convictions, his persecution of heretics) than the serene hero of *A Man For All Seasons*. But he is also a man possessed of such wit, integrity and charm that he was loved not only by his family but by almost everyone who knew him. It is the special triumph of this biography that with its rare combination of impeccable scholarship and narrative power, we are brought into the presence of a whole person with all his flaws and virtues, and that by the time More meets his death, he has become familiar and important to us not merely as a historical figure but also as a human being.

The Life of Sir Thomas More Ignatius Press

This account of More's life concentrates upon the essence of the man, who gave his life in the service of the old faith. Thomas More (1478-1535) applied his formidable intellect and well-placed connections to become the most powerful man in England, second only to the king. The paradox which emerges between his public profile and his private personality, who remained guarded about his spirituality, explains why More has remained an enigma for 500 years.

Thomas More Scepter Publishers

This book was the last that St. Thomas More wrote in the Tower of London before he was executed for standing firm in his Catholic faith. In it, he explores the Gospel passages that depict the agony of Our Lord in the Garden of Gethsemane. He depicts Christ as a model of virtue in the face of suffering and persecution. And along the way, he includes valuable and eternally relevant reflections on prayer, courage, friendship, statesmanship, and more. Here is an excellent resource for Lent or anytime!

Utopia Scepter Publishers

The Life of Sir Thomas More is a massive biography of Thomas More and overview of his writings.

Thomas More was an adviser to King Henry VIII until being put to death for his staunch Catholicism,

and the 16th century saint remains best known for the seminal work *Utopia*.

Saint Thomas More Createspace Independent Publishing Platform

From the Foreword by Sir Joseph Walton, Knt.

Some books are valuable for what they teach us and others we prize for what they are. William Roper's book about Sir Thomas More may justly claim a place amongst the select few which are no less rich in matter than pleasing in form. In a style which may seem involved sometimes, but has nevertheless all the charm that belongs to our language in the vigour of its literary youth, he tells a story of the deepest human interest, and he tells of things which he himself had seen and heard, and remembered. No figure which passes across the stage of English history has a more fascinating interest than that of Thomas More; especially to those of us who profess the ancient faith for which he died, and now revere him as Blessed.

And his life is something more than interesting. It appears to have been set up as an example and guide to those who from his time onward were to find their way through the difficulties of these latter days of intellectual enterprise and self-confidence, and of religious unrest. In considering the true significance of the life and death of More it is well to recall the circumstances of the time in which he lived. The condition of the Church at the beginning of the 16th century has been much misrepresented, and there has been gross exaggeration of the abuses in its religious life and government. But what we ought to remember for our present purpose is (in the words of one of the most learned of living Catholic historians) that "it may be admitted that the Church in life and discipline was not all that could be desired" and "that in many things there was need of reform in its truest sense." This was appreciated by no one more truly or justly or with a keener insight than by Sir Thomas More. His delightful and never-failing sense of humour must not be forgotten. And we know that the pupil of Linacre and Grocyn, the close friend of Erasmus, the hospitable patron of Holbein

rejoiced in all that was good and true and beautiful in the Renaissance of art and learning. But he gave up all and life to him offered every attraction and went cheerfully to death rather than be in any way a party to the revolt against the spiritual supremacy of the Pope. This is the story which William Roper has to tell. Has it not, if we think of it, many lessons for all of us, whether we be of those whose impulse it is to look with confidence, and sometimes perhaps with too little patience, to the future, or of those whose nature it is to cling piously to the past and to resist perhaps even that inevitable movement by which the old order is ever changing giving place to the new? Sir Thomas More teaches us always, and in all events, patience and good temper and at the same time the strictest and most perfect loyalty to faith and conscience.

The Life and Letters of Sir Thomas More Cambridge University Press

Thomas More is perhaps most familiar to us from his courageous struggle with Henry VIII, unforgettably portrayed in Robert Bolt's classic, *A Man for All Seasons*. But that final struggle, which ended in his execution for treason, was only the crowning act in a life that he had devoted to God long before. In the first selection in decades made for the general reader from his collected works, this volume traces More's journey of moral conviction in his own words and writings. Drawing on a variety of More's late writings—the extraordinary "Tower Works," written in prison, his poignant last letters to his daughter Margaret, and his poems, private prayers and devotional works—this collection will provide even readers lacking a background in Renaissance humanism or history with a rich introduction to a startlingly modern man of spiritual principle. Also included is the famous "Life of Sir Thomas More," written by his son-in-law, William Roper. In the annals of spirituality certain books stand out both for their historical importance and for their continued relevance. The Vintage Spiritual Classics series offers the greatest of these

works in authoritative new editions, with specially commissioned essays by noted contemporary commentators. Filled with eloquence and fresh insight, encouragement and solace, Vintage Spiritual Classics are incomparable resources for all readers who seek a more substantive understanding of mankind's relation to the divine.

The Life of Sir Thomas More. [With a Portrait.] CUA Press

Part One: The History (What do we know?) This brief historical introduction to Thomas More explores the social, political and religious factors that formed the original context of his life and writings, and considers how those factors affected the way he was initially received. What was his impact on the world at the time and what were the key ideas and values connected with him? Part Two: The Legacy (Why does it matter?) This second part explores the intellectual and cultural ' afterlife ' of Thomas More, and considers the ways in which his impact has lasted and been developed in different contexts by later generations. Why is he still considered important today? In what ways is his legacy contested or resisted? And what aspects of his legacy are likely to continue to influence the world in the future?

The Life of Pico Createspace Independent Publishing Platform

"A Thomas More Sourcebook" brings together classic texts by and about Thomas More to reflect his views on education, politics, church-state relations, love, and friendship. The writings shed light on More's distinctive Christian humanism and feature three famous sixteenth-century accounts of More's life by Erasmus, Roper, and a team of London playwrights including William Shakespeare. The Life of Sir Thomas More Good Press

For the first time in forty years, the selected letters of St. Thomas More—son, husband, father, friend, statesman and martyr—are now available in this newly edited volume for the contemporary reader. Moving from the days of his youth to the startling drama of his final years, this collection serves as a “ life in letters ” and offers the reader fresh insight into More ’ s education, formation, and character, visible both in season and out of season, in little matters as well as great controversies. The first English writer to use the word “ integrity, ” More struggled to live as well as he wrote, with personal virtue, solid piety, and a well-formed conscience. These letters reflect all the facets of his humanity and personality, and through them, one may begin to glimpse the living face of this famous “ man for all seasons, ” as he was known even in his own time. In addition to the letters from Thomas More, the book offers introductory notes on the family members, friends, and other historical figures relevant to his life ’ s history.

The Life of Sir Thomas More Scepter Publishers
Sir Thomas More (1478-1535), venerated in the Catholic Church as Saint Thomas More, was an English lawyer, social philosopher, author, statesman, and noted Renaissance humanist. He was also a councilor to Henry VIII, and Lord High Chancellor of England from October 1529 to 16 May 1532. He wrote *Utopia*, published in 1516, about the political system of an imaginary, ideal island nation. The Life of Sir Thomas More ... High Chancellour of England Under K. Henry the Eighth Pauline Books and Media

This Companion offers a comprehensive introduction to the life and work of a major figure of the modern world. Combining breadth of coverage with depth, the book opens with essays on More's family, early life and education, his literary humanism, virtuoso rhetoric, illustrious public career and ferocious opposition to emergent Protestantism, and his fall from power, incarceration, trial and execution. These chapters are followed by in-depth studies of five of More's major works - *Utopia*, *The History of King Richard the Third*, *A Dialogue Concerning Heresies*, *A Dialogue of Comfort against Tribulation* and *De Tristitia Christi* - and a final essay on the varied responses to the man and his writings in

his own and subsequent centuries. The volume provides an accessible overview of this fascinating figure to students and other interested readers, whilst also presenting, and in many areas extending, the most important modern scholarship on him.

The Life of Thomas More e-artnow

This 33rd volume in the Encounter the Saints series tells the life story of Saint Thomas More – inspiring children to stand up for their faith. Capturing a glimpse into the life of a Catholic torn between his faith and duty to his country, this 33rd volume in the Encounter the Saints series familiarizes children 9-12 with the life story of Saint Thomas More. He is a timely example for young people in the current culture that is often contrary to the teachings of the Church. With his assistance, children will be inspired and encouraged to stand up for their faith in all situations, regardless of the sacrifice.
