Deconstruction - Derrida contests the notion that what Jacques Derrida does can be turned into a theory for literary interpretation. It also questions the idea that there is a critical methodology called deconstruction which can be applied to literary texts in a programmatic fashion. In this introductory study to the work of Jacques Derrida, Julian Wolfreys introduces the reader to a range of Derrida's interests and concerns, while offering readings, informed by Derrida's thought, of canonical and less well-known literary works.

Deconstruction - Derrida University of Georgia Press
Flannery O'Connor: Fiction Fired by Faith tells the remarkable story of the gifted young woman who set out from her native Georgia to develop her talents as a writer and eventually succeeded in becoming one of the most accomplished fiction writers of the twentieth century. Struck with a fatal disease just as her career was blooming, O'Connor was forced to return to her rural home and to live an isolated life, far from the literary world she longed to be a part of. In this insightful new biography, Angela Alaimo O'Donnell depicts O'Connor's passionate devotion to her vocation, despite her crippling illness, the rich interior life she lived through her reading and correspondence, and the development of her deep and abiding faith in the face of her own impending mortality. She also explores some of O'Connor's most beloved stories, detailing the ways in which her fiction served as a means for her to express her own doubts and limitations, along with the challenges and consolations of living a faithful life. O'Donnell's biography recounts the poignant story of America's preeminent Catholic writer and offers the reader a guide to her novels and stories so deeply informed by her Catholic faith. *People of God* is a series of inspiring biographies for the general reader. Each volume offers a compelling and honest narrative of the life of an important twentieth or twenty-first century Catholic. Some living and some now deceased, each of these women and men has known challenges and weaknesses familiar to most of us but responded to them in ways that call us to our own forms of heroism. Each offers a credible and concrete witness of faith, hope, and love to people of our own day.

Though best known for The Red Badge of Courage, his classic novel of men at war, in his tragically brief life and career Stephen Crane produced a wealth of stories—among them "The Monster," "The Upturned Face," "The Open Boat," and the title story—that stand among the most acclaimed and enduring in the history of American fiction. This superb volume collects stories of unique power and variety in which impressionistic, hallucinatory, and realistic situations alike are brilliantly conveyed through the cold, sometimes brutal irony of Crane's narrative voice.

"In When Your Life Is On Fire Erik Kolbell listens, provokes, and most of all, shares with us the enduring lessons and insights of life and faith as realized by a diverse population of thoughtful people. It's a town hall of the soul." -- Tom Brokaw If your life was on fire, what would be the one thing you save? Psychotherapist and former pastor Erik Kolbell asks that question of 13 remarkable and unique individuals, and the answers may surprise you. Provided by celebrities such as Jane Pauley and Alan Alda, artists such as Regina Carter and Tao Porchon Lynch, and ordinary people put into extraordinary situations like Don Lange and Brenda Berkman, these reflections will help all of us consider what it is that we value most in life. His goal, Kolbell says, is not to examine the worth of each of these things. "What matters is that for all of the sham and artifice that can make cynics of us all, there are things, solid things, that compel us onward."

The Life You Save Sounds True

"I would like to write a beautiful prayer," writes the young Flannery O'Connor in this deeply spiritual journal, recently discovered among her papers in Georgia. "There is a whole sensible world around me that I should be able to turn to Your praise." Written between 1946 and 1947 while O'Connor was a student far from home at the University of Iowa, A Prayer Journal is a rare portal into the interior life of the great writer. Not only does it map O'Connor's singular relationship with the divine, but it shows how entwined her literary desire was with her yearning for God. "I must write down that I am to be an artist. Not in the sense of aesthetic frippery but in the sense of aesthetic craftsmanship; otherwise I will feel my loneliness continually . . . I do not want to be lonely all my life but people only make us lonelier by reminding us of God. Dear God please help me to be an artist, please let it lead to You." O'Connor could not be more plain about her literary ambition: "Please help me dear God to be a good writer and to get something else accepted," she writes. Yet she struggles with any trace of self-regard: "Don't let me ever think, dear God, that I was anything but the instrument for Your story." As W. A. Sessions, who knew O'Connor, writes in his introduction, it was no coincidence that she began

writing the stories that would become her first novel, *Wise Blood*, during the years when she wrote these singularly imaginative Christian meditations. Including a facsimile of the entire journal in O'Connor's own hand, *A Prayer Journal* is the record of a brilliant young woman's coming-of-age, a cry from the heart for love, grace, and art.

A literary treasure of over one hundred unpublished letters from National Book Award-winning author Flannery O'Connor and her circle of extraordinary friends. Flannery O'Connor is a master of twentieth-century American fiction, joining, since her untimely death in 1964, the likes of Hawthorne, Hemingway, and Faulkner. Those familiar with her work know that her powerful ethical vision was rooted in a quiet, devout faith and informed all she wrote and did. *Good Things Out of Nazareth*, a much-anticipated collection of many of O'Connor's previously unpublished letters—along with those of literary luminaries such as Walker Percy (*The Moviegoer*), Caroline Gordon (*None Shall Look Back*), Katherine Anne Porter (*Ship of Fools*), Robert Giroux and movie critic Stanley Kauffmann. The letters explore such themes as creativity, faith, suffering, and writing. Brought together, they form a riveting literary portrait of these friends, artists, and thinkers. Here we find their joys and loves, as well as their trials and tribulations as they struggle with doubt and illness while championing their beliefs and often confronting racism in American society during the civil rights era. Praise for *Good Things Out of Nazareth* “An epistolary group portrait that will appeal to readers interested in the Catholic underpinnings of O'Connor's life and work . . . These letters by the National Book Award–winning short story writer and her friends alternately fit and break the mold. Anyone looking for Southern literary gossip will find plenty of barbs. . . . But there's also higher-toned talk on topics such as the symbolism in O'Connor's work and the nature of free

will.” —Kirkus Reviews “A fascinating set of Flannery O'Connor's correspondence . . . The compilation is highlighted by gems from O'Connor's writing mentor, Caroline Gordon. . . . While O'Connor's milieu can seem intimidatingly insular, the volume allows readers to feel closer to the writer, by glimpsing O'Connor's struggles with lupus, which sometimes leaves her bedridden or walking on crutches, and by hearing her famously strong Georgian accent in the colloquialisms she sprinkles throughout the letters. . . . This is an important addition to the knowledge of O'Connor, her world, and her writing.” —Publishers Weekly

However, when the old woman offers her daughter Lucynell to him in marriage, along with a sum of money, he accepts, though his intentions towards the girl remain unclear. Similar in theme and style to many of other Flannery O'Connor's short stories, “The Life You Save My Be Your Own” was originally published in O'Connor's short story collection, *A Good Man Is Hard to Find*.

The landscape of American literature was fundamentally changed when Flannery O'Connor stepped onto the scene with her first published book, *Wise Blood*, in 1952. Her fierce, sometimes comic novels and stories reflected the darkly funny, vibrant, and theologically sophisticated woman who wrote them. Brad Gooch

brings to life O'Connor's significant friendships -- with Robert Lowell, Elizabeth Hardwick, Walker Percy, and James Dickey among others -- and her deeply felt convictions, as expressed in her communications with Thomas Merton, Elizabeth Bishop, and Betty Hester. Hester was famously known as “A” in O'Connor's collected letters, *The Habit of Being*, and a large cache of correspondence to her from O'Connor was made available to scholars, including Brad Gooch, in 2006. O'Connor's capacity to live fully -- despite the chronic disease that eventually confined her to her mother's farm in Georgia -- is illuminated in this engaging and authoritative biography. Praise for *Flannery O'Connor*, one of the best American writers of short fiction, has found her ideal biographer in Brad Gooch. With elegance and fairness, Gooch deals with the sensitive areas of race and religion in O'Connor's life. He also takes us back to those heady days after the war when O'Connor studied creative writing at Iowa. There is much that is new in this book, but, more important, everything is presented in a strong, clear light.”-Edmund White “This splendid biography gives us no saint or martyr but the story of a gifted and complicated woman, bent on making the best of the difficult hand fate has dealt her, whether it is with grit and humor or with an abiding desire to make palpable to readers the terrible mystery of God's grace.”-Frances Kiernan, author of *Seeing Mary Plain: A Life of Mary McCarthy* “A good biographer is hard to find. Brad Gooch is not merely good—he is extraordinary. Blessed with the eye and ear of a novelist, he has composed the life that admirers of the fierce and hilarious Georgia genius have long been hoping for.”-Joel Conarroe, President Emeritus, John Simon Guggenheim Foundation
