The Lightbearers Feiwel & Friends

Megan Peak's debut collection *Girldom* chronicles coming of age as a woman: the violence of discovery, the evolution of sexuality, and the demanding yet necessary acts of self-preservation and resistance. Amid landscapes of wasps and nettle, cold moons and icy rivers, daughters navigate trauma and desire, sisters bear witness to each other's trajectories, and girls experience worlds of both rage and tenderness. There is an impounded beauty in *Girldom*, the beauty of a healing wound. Compressed yet explosive, these poems shake like fists and vibrate with the seeking of voice. "I was a girl before I was anything else," the poet writes. In the midst of the #MeToo movement, Peak's book is timely and timeless in its confrontation of the constraints and concerns bound up in being a girl.

A NEW YORK TIMES TOP BOOK OF 2015

WASHINGTON POST NOTABLE BOOK The author of *Red Sorghum* and China's most revered and controversial novelist returns with his first major

publication since winning the Nobel Prize In 2012, the Nobel committee confirmed Mo Yan's position as one of the greatest and most important writers of our time. In his much-anticipated new novel, Mo Yan chronicles the sweeping history of modern China through the lens of the nation's controversial one-child policy. *Frog* opens with a playwright nicknamed Tadpole who plans to write about his aunt. In her youth, Gugu—the beautiful daughter of a famous doctor and staunch Communist—is revered for her skill as a midwife. But when her lover defects, Gugu's own loyalty to the Party is questioned. She decides to prove her allegiance by strictly enforcing the one-child policy, keeping tabs on the number of children in the village, and performing abortions on women as many as eight months pregnant. In sharply personal prose, Mo Yan depicts a world of desperate families, illegal surrogates, forced abortions, and the guilt of those who must enforce the policy. At once illuminating and devastating, it shines a light into the heart of communist China.
