THE NEW AMERICAN VOICES AWARD
From award-winning author Lysley Tenorio,
comes a big hearted debut novel following an
undocumented Filipino son as he navigates his
relationship with his mother, an uncertain future,
and the place he calls home Excel spends his days
trying to seem like an unremarkable American
teenager. When he 's not working at The Pie
Who Loved Me (a spy-themed pizza shop) or
passing the time with his girlfriend Sab
(occasionally in one of their town 's seventeen
cemeteries), he carefully avoids the spotlight. But
Excel knows that his family is far from normal.
His mother, Maxima, was once a Filipina B-
movie action star who now makes her living
scamming men online. The old man they live

with is not his grandfather, but Maxima 's lifelong
martial arts trainer. And years ago, on Excel 's
tenth birthday, Maxima revealed a secret that he
must keep forever. " We are ' TNT ' —tago ng
tago," she told him, " hiding and hiding. "
Excel is undocumented—and one accidental slip
could uproot his entire life. Casting aside the
paranoia and secrecy of his childhood, Excel takes
a leap, joining Sab on a journey south to a
ramshackle desert town called Hello City.
Populated by drifters, old hippies, and washed-up
techies—and existing outside the normal
constructs of American society—Hello City offers
Excel a chance to forge his own path for the first
time. But after so many years of trying to be
invisible, who does he want to become? And is it
possible to put down roots in a country that has
always considered you an outsider? Thrumming
with energy and at once critical and hopeful, *The
Son of Good Fortune* is a luminous story of a
mother and son testing the strength of their bond
to their country—and to each other.

My Name is Anne, She Said, Anne

Frank Hunter Publishing, Inc

A disturbing story that describes
how the alliance between science
and capitalism can lead to
disaster when the people in charge

lose track of their humanity
Mordechai de Paauw was the Dutch
cofounder and CEO of the first
pharmaceutical company to invent
the contraceptive pill and hormonal
treatments. Hitler's invasion of
Holland and the threat he poses to
the survival of De Paauw's family
and the Jewish scientists working
for him doesn't affect De Paauw's
urge to test his treatments on his
female workers and exploit them
sexually. Even after the war, which
he survives unscathed, De Paauw
will continue his mischief until a
catastrophe that he himself
couldn't have imagined allows him
to come to his senses long enough
to tell us his story. The Hormone
Factory weaves questions of
scientific integrity, sibling
rivalry, and sex into a narrative
that is as troubling as it is
thought provoking.

The Lily Theatre Anchor

Hendrik Groen may be old, but he is
far from dead and isn't planning to be
buried any time soon. So he sets out to
write an exposé: a year in the life of
his care home in Amsterdam, revealing
all its ups and downs - not least his
new endeavour the anarchic Old-But-
Not Dead Club. And when Eefje moves
in - the woman Hendrik has always
longed for - he polishes his shoes (and
his teeth), grooms what's left of his
hair and attempts to make something
of the life he has left, with hilarious,
tender and devastating consequences.

The Secret Diary of Hendrik Groen, 83 1/4
Years Old Hunter Publishing, Inc

Nine years before the events of the #1
international bestseller *The Secret Diary of
Hendrik Groen, 83 1/4 Years Old*, Hendrik
and his best friend Evert embark on a
madcap adventure—with an unexpected

guest. Hendrik Groen and Evert Duiker,
faithful friends in good and bad times, are
well over seventy and their lives have
quieted down. They see each other once a
week to play chess, have a drink, and grab a
bite to eat while reflecting on life. But one
day, their peace is rudely disturbed when
Evert shows up on Hendrik's doorstep with a
surprise in the form of an unexpected little
guest. He had spotted a stroller with a baby
in it—unattended for just a minute—and, in a
moment of utter madness, decided to take it
for a walk. Hilarious, right? Not to Hendrik,
who can barely believe his friend's stupidity.
After Evert regains recovers from his
momentary lapse of sanity, the two seventy-
year-olds resolve to return their charge to its
parents—hopefully without being noticed.
But the quiet neighborhood is now swarmed
by bumbling police officers, and they realize
that getting rid of their accidental foster
child will be more difficult than expected . . .

Who's who in Contemporary Women's Writing
Grand Central Publishing

Personal narratives have become one of the
most potent vehicles for advancing human
rights claims across the world. These two
contemporary domains, personal narrative and
human rights, literature and international
politics, are commonly understood to operate
on separate planes. This study however,
examines the ways these intersecting realms
unfold and are enfolded in one another in ways
both productive of and problematic for the
achievement of social justice. *Human Rights
and Narrated Lives* explores what happens
when autobiographical narratives are produced,
received, and circulated in the field of human
rights. It asks how personal narratives emerge
in local settings; how international rights
discourse enables and constrains individual and
collective subjectivities in narration; how

personal narratives circulate and take on new meanings in new contexts; and how and under what conditions they feed into, affect, and are affected by the reorganizations of politics in the post cold war, postcolonial, globalizing human rights contexts. To explore these intersections, the authors attend the production, circulation, reception, and affective currents of stories in action across local, national, transnational, and global arenas. They do so by looking at five case studies: in the context of the Truth and Reconciliation processes in South Africa; the National Inquiry into the Forced Removal of Indigenous Children from their Families in Australia; activism on behalf of former 'comfort women' from South/East Asia; U.S. prison activism; and democratic reforms in the aftermath of the Tiananmen Square Massacre in China.

Human Rights and Narrated Lives Hunter Publishing, Inc

This second edition of *Historical Dictionary of the Chinese Cultural Revolution* covers its history through a chronology, an introductory essay, glossary, and an extensive bibliography. The dictionary section has over 400 cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture. This book is an excellent access point for students, researchers, and anyone wanting to know more about this important period in Chinese history.

Poets & Writers Rowman & Littlefield

The true story of a young Jewish girl living in hiding in Holland during World War II

Homeless Entertainment Michael Joseph
The Cultural Revolution was a watershed event in the history of the People's Republic of China, the defining decade of half a century of communist rule. Before 1966, China was a typical communist state, with a command economy and a powerful party able to keep the population under control. But during the Cultural Revolution, in a move unprecedented in any communist country, Mao unleashed the Red Guards

against the party. Tens of thousands of officials were humiliated, tortured, and even killed. Order had to be restored by the military, whose methods were often equally brutal. In a masterly book, Roderick MacFarquhar and Michael Schoenhals explain why Mao launched the Cultural Revolution, and show his Machiavellian role in masterminding it (which Chinese publications conceal). In often horrifying detail, they document the Hobbesian state that ensued. The movement veered out of control and terror paralyzed the country. Power struggles raged among Lin Biao, Zhou Enlai, Deng Xiaoping, and Jiang Qing--Mao's wife and leader of the Gang of Four--while Mao often played one against the other. After Mao's death, in reaction to the killing and the chaos, Deng Xiaoping led China into a reform era in which capitalism flourishes and the party has lost its former authority. In its invaluable critical analysis of Chairman Mao and its brilliant portrait of a culture in turmoil, "Mao's Last Revolution" offers the most authoritative and compelling account to date of this seminal event in the history of China.

The Hormone Factory Psychology Press

This guide is based on our much larger (530-page) guide to Bolivia. Here we zero in on La Paz, the capital, and all of the nearby attractions. La Paz is not a big city on the world scale, but it is certainly one of the more interesting ones. Built in a bowl created by the Choqueyapu River, the upper parts of the city stand 1,645 ft/500 m above the lower sections. Unlike any other city in the world, the richer neighborhoods are located at the lower levels. This is partly due to the fact that it is warmer and easier to breathe at the lower altitudes. Also, the pinnacles and spires of conglomerate rock and clay that have been sculptured by wind and water make a dramatic backdrop for those living below them. The higher up the bowl one goes, the more unstable the land becomes and the more likely a landslide will occur. The plazas, squares

and Prado are well kept in La Paz and even in the depth of winter plants are tended to help make the city attractive. Street cleaners are out every day and local merchants regularly wash the area in front of their shops. On a clear day, Mount Illimani, a snow-covered monolith, can be seen as a sentry towering over the city. Valley of the Moon is six miles/10 km from the center of La Paz and can be reached by joining a tour or by taking micro bus #11 or minibus #231 or 273 to Mallasilla. The hillside features a maze of clay canyons and pinnacles that have been sculpted by wind and rain. Narrow trails through the landscape take about an hour to walk. There is also a cactus park just before the entrance. The park overlooks a gorge and has paths leading around numerous types of cacti. As you continue up the road you will come to Parque National Mallasa with its bird observatory and, across the road, the zoo area. The road passes under natural stone bridges and past Chulpani's Red Hill. There is no mistaking which hill this is. From Mallasa one can see across the river to the highest golf course in the world. Devil's Tooth or Muela del Diablo is a huge volcanic plug sticking out of the landscape to a height of 13,000 ft/3,950 m. Several trails go to the right; follow the one that obviously leads to the village. From there, go to the left for .3 miles (about half a kilometer), to the foot of the rock. Climbers are occasionally found on the east face. Canyon de Palca, or Valle de Animas, is a deep canyon that was carved by the Rio Palca centuries ago. To get there, take a bus going to Huni from Plaza Belzu on Avenida Mexico in San Pedro. There are huge pinnacles and wind-carved conglomerates. The trail continues along the bottom of the canyon to a natural obelisk. Just past the obelisk is a rock that has the appearance of a human hiding in a cave. The rock is called the hermit of the canyon. Continue along the canyon to its end and climb to your left up to the village of Palca. This is a long day-hike. All of the detailed information you need is here about the hotels, restaurants, shopping, sightseeing. But we also lead you to new discoveries, turning corners you haven't turned before, helping you to interact with the world in new ways. That's what makes our Adventure Guides unique. "An excellent addition to the Adventure Guide series, packed with detail, from where to stay and eat, to where to shop for local crafts and how to enjoy historic sites. This

guide surveys the wildlife and outdoor opportunities of the country, which range from tropical jungle to high plains deserts. Hiking and viewing opportunities blend with cultural insights. Highly recommended." - The Midwest Book Review.

China's Three Gorges, Xi'an and the Terracotta Warriors Abrams

This much-needed guide to translated literature offers readers the opportunity to hear from, learn about, and perhaps better understand our shrinking world from the perspective of insiders from many cultures and traditions. In a globalized world, knowledge about non-North American societies and cultures is a must.

Contemporary World Fiction: A Guide to Literature in Translation provides an overview of the tremendous range and scope of translated world fiction available in English. In so doing, it will help readers get a sense of the vast world beyond North America that is conveyed by fiction titles from dozens of countries and language traditions. Within the guide, approximately 1,000 contemporary non-English-language fiction titles are fully annotated and thousands of others are listed. Organization is primarily by language, as language often reflects cultural cohesion better than national borders or geographies, but also by country and culture. In addition to contemporary titles, each chapter features a brief overview of earlier translated fiction from the group. The guide also provides in-depth bibliographic essays for each chapter that will enable librarians and library users to further explore the literature of numerous languages and cultural traditions. * Over 1,000 annotated contemporary world fiction titles, featuring author's name; title; translator; publisher and place of publication; genre/literary style/story type; an annotation; related works by the author;

subject keywords; and original language * 9
introductory overviews about classic world
fiction titles * Extensive bibliographical
essays about fiction traditions in other
countries * 5 indexes: annotated authors,
annotated titles, translators, nations, and
subjects/keywords

Hong Kong & Macau Travel Adventures
Taylor & Francis

Eastern China is the country's boom-belt
and its heart is the Pearl of the Orient,
Shanghai, a city which was recently
wonderfully described to me as "Hong
Kong on steroids." Shanghai is the country's
most modern city, but manages to retain
both its Chinese and European history and
its economic development is also helping a
renaissance in culture and the arts, along
with a shopping and nightlife scene
matched only by Beijing and Hong Kong.
Around Shanghai, the Water Towns have
picturesque canals lined with classic Ming
architecture and can make for great day
trips, and a little further out, the city of
Suzhou offers more of the same, albeit on a
larger scale, along with some of the
country's finest gardens and the opportunity
for some serious silk shopping. Nearly 100
miles south along the Grand Canal, the
former Southern Song dynasty (1126-1279)
capital of Hangzhou is set on pretty West
Lake and is a prime tea-growing region.
Away from the lake the city is much like
any other Chinese city, but the surrounding
countryside and its smattering of temples
and tea villages make for some excellent
bike rides. Some 110 miles west of
Hangzhou, Huangshan is arguably the most
beautiful of eastern China's mountains and
offers the region's finest scenery and best
hiking. The mountain's mist-shrouded,
jagged peaks, lone pines and perched

temples are straight from a watercolor and
it's no wonder Huangshan attracts so many
visitors. But fortunately there are enough
paths to ensure you can always find yourself
a quiet spot. Known as the Pearl of the
Orient, Shanghai has endured a boom-bust
cycle like no other city in China and is a
must-see for a glimpse into the China of the
future. It currently has some 20 million
residents. A walk along the Bund on the
banks of the Huangpu River offers a
cityscape to rival Hong Kong's, taking in the
glory of Shanghai's colonial past, while at
the same time giving views across the river
to the city of tomorrow, Pudong. Less than
20 years ago, this was just marshy farmland,
but today it boasts countless skyscrapers,
among them China's highest tower, the Pearl
Oriental TV Tower, and loftiest lodgings,
the 88-floor Grand Hyatt. Traditional
Chinese sights are a little sparse due to
Shanghai's comparative youth, but its
colonial and revolutionary history over the
past 150 years has left it with a series of
significant political buildings. What is more,
there are modern activities aplenty,
reflecting the city's dynamic and modern
heart - fine dining, nightlife, shopping and a
kaleidoscope of exhibition centers and good
museums await. This a highly detailed guide
to everything you need to know about
Shanghai and its surroundings - the places to
stay, the restaurants, and what to see and do
- along with an extensive introductory
section on China as a whole. The author
lives in China and has been a tour guide
there full-time for close to 10 years. This
guide is an excerpt from his much larger
guide to all of China, also published by
Hunter, which is 650 pages in the print
edition.

[Annotated Books Received](#) Peter Lang

Their ideal family life shattered by the senseless murder of their beloved and promising teenage son, Phinus and Franka Vermeer find their marriage increasingly strained in the ensuing emotional turmoil. Reprint.

On the Bright Side Penguin UK

Reading Chinese Transnationalisms responds to the growing interest in transnational cultural studies by examining Chinese transnationalism from a variety of perspectives. In interrogating social practices and literary and filmic texts which frequently cross national borders in imagining Chineseness, the contributors to this volume also challenge received notions of Chinese transnationalism, opening up new perspectives on the topic. The structure of the book is clearly subdivided into sections on society, literature, and films for quick reference, and each essay is written in accessible language without sacrificing intellectual rigor and critical relevance. The international list of contributors and the wide-ranging subjects they address make Reading Chinese Transnationalisms a unique work in its field. This volume will appeal to all with an interest in Chinese transnationalism, and in particular those who come from a variety of disciplinary backgrounds in the humanities and social science.

Contemporary World Fiction Harvard University Press

Arrive in Beijing and spend a few days soaking up the Imperial sights -the Forbidden City, Temple of Heaven, Summer Palaces and the Great Wall. Spend your evenings enjoying Beijing duck, opera and maybe a trip to the acrobats. If you have time, take a train up to Chengde and spend a couple of days enjoying the imperial retreat before returning to the capital and flying on to Xi'an. Allow a full day at the Terracotta Warriors and another day to explore the fascinating walled city. Make sure you enjoy a Dumpling Banquet,

as well as dinner in the Muslim markets. Reflect on your trip in the overnight train back to Beijing. Beijing, literally translated, means Northern Capital, a title it has held since the Ming Dynasty (see History) and a name that still holds true today. Whether imagining the past or marveling at the future, this city is most definitely still the cultural, political and, to the Pekinese, geographical, heart of the Middle Kingdom. While Beijing's modern appearance owes much to the Communist era and the recent influx of capitalist cash, its most impressive and inspiring monuments are recognition of its long imperial tradition. The scale of the city, with its population of 15 million, can initially be overwhelming, but even a short meander into one of Beijing's remaining hutong districts brings you close to the realities of daily life and all of a sudden the city seems human again. While the vast number of construction sites, flyovers and mirrored skyscrapers can come as a shock to those hoping for a view of the years when Beijing was the emperor's seat, a visit to any one of the principal imperial sights (the Forbidden City, the Temple of Heaven or the Summer Palaces) easily remedies this. However, the greatest of Beijing's, if not the world's, sights lies north of the city. The Great Wall never ceases to amaze and it's worth spending a couple of days out of the city to fully appreciate its majesty. If you have enough time and want more imperial splendor, the rugged countryside around the capital holds Ming and Qing tombs, while, farther afield, the Mountain Resort at Chengde was long a popular emperor's haunt and has some wild scenery along with its subdued palaces and grand temples. This a highly detailed guide to everything you need to know about Beijing and its surroundings -

the places to stay, the restaurants, and what to see and do - along with an extensive introductory section on China as a whole. The author lives in China and has been a tour guide there full-time for close to 10 years. This guide is an excerpt from his much larger guide to all of China, also published by Hunter, which is 650 pages in the print edition.

The Lily Theater The Lily Theater "Lian and her mother are sent to a "re-education camp" during the Mao regime in China. Twelve-year-old Lian is able to profit from the instruction of a group of exiled teachers in the camp and, in turn, she tells the frogs in a nearby pond (the "lily theatre") what she has learned. As the background to the plot, the cruel repressions of Maoist China play a significant part." - product description.

Reading Chinese Transnationalisms
Hunter Publishing, Inc

Josh Cope is just an average boy, so why is an international corporation calling him and insisting that he come and work for them - Josh soon finds himself caught in a nightmare world somewhere between dreams and reality.

Historical Dictionary of the Chinese Cultural Revolution Other Press, LLC

The Lily Theater is a strikingly original debut novel-an international literary sensation-based on the author's experience growing up in China during the Cultural Revolution. When twelve-year-old Lian Shui accompanies her mother to reeducation camp, no one imagines that Lian will receive an education. But detained along with her mother are some of China's greatest thinkers and they take an interest in young Lian. She in turn delivers lectures of her own to the creatures inhabiting a pond she dubs "The Lily Theater." These ideas inform her life when she returns to school and reunites with her best friend Kim, a peasant girl through whom Lian ultimately learns about the painful failings of

Mao's teachings-and of life.

Mao's Last Revolution University Press of America

Translated from the French by Hester Velmans
Years ago, a group left Europe to start a colony in Iceland. But as the years wore on, communication between the colony and the people back home stopped. Had the people of New Thule have gone native-or, worse yet, gone pagan? A cardinal ordered an evangelical mission in order to see what has become of the people, and to revive their faith. But the Short Serpent, the mission's ship, carried its crew toward a horror that no one could conceive. Told in an elegant, compulsive, and increasingly unhinged style, Bernard du Boucheron's *The Voyage of the Short Serpent* is a masterpiece about mutable human morality in inhuman conditions-a story about truth, obsession, and the myth of utopia.

Edith's Story Yearling

Emphasizing an appreciation of historical fiction in its many forms and focusing on what fans enjoy, this guide provides a fresh take on a durable genre.
