Serendipity Minotaur Books

Download the first five chapters of CRESS by Marissa Meyer, the third book in the New York Times bestselling Lunar Chronicles series. Cinder and Captain Thorne are fugitives on the run, with Scarlet and Wolf in tow.

Together, they're plotting to overthrow Queen Levana and her army. Their best hope lies with Cress, who has been trapped on a satellite since childhood with only her netscreens as company. All that screen time has made Cress an excellent hacker – unfortunately, she's just received orders from Levana to track down Cinder and her handsome accomplice. When a daring rescue goes awry, the group is separated. Cress finally has her freedom, but it comes at a high price. Meanwhile, Queen Levana will let nothing stop her marriage to Emperor Kai. Cress, Scarlet, and Cinder may not have signed up to save the world, but they may be the only ones who can.

Heartless Penguin

Love is in the air in Serendipity, a collection of stories inspired by romantic tropes and edited by #1 New York Times bestselling author Marissa Meyer. The secret admirer. The fake relationship. The matchmaker. From stories of first love, unrequited love, love that surprises, love that's been there all along, 10 of the brightest and award-winning authors writing YA have taken on some of your favorite romantic tropes, embracing them and turning them on their heads. Readers will fall for this collection of stories that celebrate love at its most humorous, inclusive, heart-expanding, and serendipitous. Contributors include Elise Bryant, Elizabeth Eulberg, Leah Johnson, Anna-Marie McLemore, Marissa Meyer, Sandhya Menon, Julie Murphy, Caleb Roehrig, Sarah Winifred Searle, and Abigail Hing Wen.

Wires and Nerve Feiwel & Friends

The first graphic novel from #1 New York Times and USA Today bestseller Marissa Meyer! In her first graphic novel, bestselling author Marissa Meyer extends the world of the Lunar Chronicles with a brand-new, action-packed story about Iko, the android with a heart of (mechanized) gold. When rogue packs of wolf-hybrid soldiers threaten the tenuous peace alliance between Earth and Luna, Iko takes it upon herself to hunt down the soldiers' leader. She is soon working with a handsome royal guard who forces her to question everything she knows about love, loyalty, and her own humanity. With appearances by Cinder, Cress, Scarlet, Winter, and the rest of the Rampion crew, this is a must-have for fans of the bestselling series.

Scarlet (The Lunar Chronicles Book 2) Feiwel & Friends

In Gilded, #1 New York Times bestselling author Marissa Meyer returns to the fairytale world with this haunting retelling of Rumpelstiltskin. Long ago cursed by the god of lies, a poor miller's daughter has developed a talent for spinning stories that are fantastical and spellbinding and entirely untrue. Or so everyone believes. When one of Serilda's outlandish tales draws the attention of the sinister Erlking and his undead hunters, she finds herself swept away into a grim world where ghouls and phantoms prowl the earth and hollow-eyed ravens track her every move. The king orders Serilda to complete the impossible task of spinning straw into gold, or be killed for telling falsehoods. In her desperation, Serilda unwittingly summons a mysterious boy to her aid. He agrees to help her... for a price. Love isn't meant to be part of the bargain. Soon Serilda realizes that there is more than one secret hidden in the castle walls, including an ancient curse that must be broken if she hopes to end the tyranny of the king and his wild hunt forever.

THE LUNAR CHRONICLES BOXED SET Feiwel & Friends

A captivating and atmospheric historical novel about a young girl in Nazi Germany, a psychoanalyst in fin-de-siècle Vienna, and the powerful mystery that links them together. Gretel and the Dark explores good and evil, hope and despair, showing how the primal thrills and horrors of the stories we learn as children can illuminate the darkest moments in history, in two rich, intertwining narratives that come together to form one exhilarating, page-turning read. In 1899 Vienna, celebrated psychoanalyst Josef Breuer is about to encounter his strangest case yet: a mysterious, beautiful woman who claims to have no name, no feelings—to be, in fact, a machine.

Intrigued, he tries to fathom the roots of her disturbance. Years later, in Nazi-controlled Germany, Krysta plays alone while her papa works in the menacingly strange infirmary next door. Young, innocent, and fiercely stubborn, she retreats into a world of fairy tales, unable to see the danger closing in around her. When everything changes and the real world becomes as frightening as any of her stories, Krysta finds that her imagination holds powers beyond what she could ever have guessed. Rich, compelling, and propulsively building to a dizzying final twist, *Gretel and the Dark* is a testament to the lifesaving power of the imagination and a mesmerizingly original story of redemption. It is time. The boy must leave his family to serve in the Queen's army. To be chosen is an honor. To decline is impossible. The boy is modified. He is trained for several years, and learns to fight to the death. He proves to the Queen -- and to himself -- that he is capable of evil. He is just the kind of soldier the Queen wants: the alpha of his pack. At the publisher's request, this title is being sold without Digital Rights Management software (DRM) applied.

The Two-Family House EverAfter Romance

When wolf-hybrid soldiers threaten the peace between Earth and Luna, Iko takes it upon herself to hunt down the soldiers' leader.

Gilded Macmillan

Here is the stunning conclusion to the national bestselling Lunar Chronicles, inspired by Snow White.

Marissa Meyer Macmillan

In New York Times bestselling author Marissa Meyer's young adult contemporary romance, a girl is suddenly gifted with the ability to cast instant karma on those around her – both good and bad. Chronic overachiever Prudence Barnett is always quick to cast judgment on the lazy, rude, and arrogant residents of her coastal town. Her dreams of karmic justice are fulfilled when, after a night out with her friends, she wakes up with the sudden ability to cast instant karma on those around her. Pru giddily makes use of the power, punishing everyone from public vandals to mean gossips, but there is one person on whom her powers consistently backfire: Quint Erickson, her slacker of a lab partner. Quint is annoyingly cute and impressively noble, especially when it comes to his work with the rescue center for local sea animals. When Pru resigns herself to working at the rescue center for extra credit, she begins to uncover truths about baby otters, environmental upheaval, and romantic crossed signals—not necessarily in that order. Her newfound karmic insights reveal how thin the line is between virtue and vanity, generosity and greed . . . love and hate... and fate.

Gretel and the Dark Feiwel & Friends

The Renegades Trilogy continues, in this fiercely awaited second installment after the New York Times bestselling Renegades by Marissa Meyer, author of the Lunar Chronicles. Now a New York Times Bestseller! Time is running out. Together, they can save the world. But they each other's worst nightmare. Nova's double life is about to get a lot more complicated: As *Insomnia*, she is a full-fledged member of the Renegades, a syndicate of powerful and beloved superheroes. She works with Adrian's patrol unit to protect the weak and maintain order in Gatlon City. As *Nightmare*, she is an Anarchist – a group of of villains who are determined to destroy the Renegades. Nova wants vengeance against the so-called heroes who once failed her when she needed them most. But as *Nova*, her feelings for Adrian are deepening, despite the fact that he is the son of her sworn enemies and, unbeknownst to Nova, he has some dangerous secrets of his own. In this second installment of the Renegades trilogy, Nova, Adrian, and the rest of their crew – Ruby, Oscar, and Danna -- are faced with escalating crime in Gatlon City, while covert weapons and conflicting missions have Nova and

Adrian questioning not only their beliefs about justice, but also the feelings they have for each other. The line between good and evil has been blurred, but what's clear to them both is that too much power could mean the end of their city – and the world – as they know it.

Cress Wayne State University Press

The #1 New York Times Bestselling Series! Humans and androids crowd the raucous streets of New Beijing. A deadly plague ravages the population. From space, a ruthless lunar people watch, waiting to make their move. No one knows that Earth's fate hinges on one girl. . . . Cinder, a gifted mechanic, is a cyborg. She's a second-class citizen with a mysterious past, reviled by her stepmother and blamed for her stepsister's illness. But when her life becomes intertwined with the handsome Prince Kai's, she suddenly finds herself at the center of an intergalactic struggle, and a forbidden attraction. Caught between duty and freedom, loyalty and betrayal, she must uncover secrets about her past in order to protect her world's future. Marissa Meyer on Cinder, writing, and leading men Which of your characters is most like you? I wish I could say that I'm clever and mechanically-minded like Cinder, but no—I can't fix anything. I'm much more like Cress, who makes a brief cameo in Cinder and then takes a more starring role in the third book. She's a romantic and a daydreamer and maybe a little on the naïve side—things that could be said about me too—although she does find courage when it's needed most. I think we'd all like to believe we'd have that same inner strength if we ever needed it. Where do you write? I have a home office that I've decorated with vintage fairy tale treasures that I've collected (my favorite is a Cinderella cookie jar from the forties) and NaNoWriMo posters, but sometimes writing there starts to feel too much like work. On those days I'll write in bed or take my laptop out for coffee or lunch. If you were stranded on a desert island, which character from Cinder would you want with you? Cinder, definitely! She has an internet connection in

her brain, complete with the ability to send and receive comms (which are similar to e-mails). We'd just have enough time to enjoy some fresh coconut before we were rescued. The next book in the Lunar Chronicles is called *Scarlet*, and is about Little Red Riding Hood. What is appealing to you most about this character as you work on the book? *Scarlet* is awesome—she's very independent, a bit temperamental, and has an outspokenness that tends to get her in trouble sometimes. She was raised by her grandmother, an ex-military pilot who now owns a small farm in southern France, who not only taught *Scarlet* how to fly a spaceship and shoot a gun, but also to have a healthy respect and appreciation for nature. I guess that's a lot of things that appeal to me about her, but she's been a really fun character to write! (The two leading men in *Scarlet*, *Wolf* and *Captain Thorne*, aren't half bad either.)

From the acclaimed author of *Forest of a Thousand Lanterns* comes a fantastical new tale of darkness and love, in which magical bonds are stronger than blood. Will love break the spell? After cruelly rejecting *Bao*, the poor physician's apprentice who loves her, *Lan*, a wealthy nobleman's daughter, regrets her actions. So when she finds *Bao*'s prized flute floating in his boat near her house, she takes it into her care, not knowing that his soul has been trapped inside it by an evil witch, who cursed *Bao*, telling him that only love will set him free. Though *Bao* now despises her, *Lan* vows to make amends and help break the spell. Together, the two travel across the continent, finding themselves in the presence of greatness in the forms of the Great *Forest's* Empress *Jade* and Commander *Wei*. Their journey with *Wei*, getting tangled in the webs of war, blood magic, and romance along the way. Will *Lan* and *Bao* begin to break the spell that's been placed upon them? Or will they be doomed to live out their lives with black magic running through their veins? In this fantastical tale of darkness and love, some magical bonds are stronger than blood.

Stars Above: A Lunar Chronicles Collection HarperCollins

In the vein of *Wicked*, *The Woodcutter*, and *Boy, Snow, Bird*, a luminous reimagining of a classic tale, told from the perspective of *Agnes*, *Cinderella's* "evil" stepmother. We all know the story of *Cinderella*. Or do we? As rumors about the cruel upbringing of beautiful newlywed Princess *Cinderella* roil the kingdom, her stepmother, *Agnes*, who knows all too well about hardship, privately records the true story. . . . A peasant born into serfdom, *Agnes* is separated from her family and forced into servitude as a laundress's apprentice when she is only ten years old. Using her wits and ingenuity, she escapes her tyrannical matron and makes her way toward a hopeful future. When teenaged *Agnes* is seduced by an older man and becomes pregnant, she is transformed by love for her child. Once again left penniless, *Agnes* has no choice but to return to servitude at the manor she thought she had left behind. Her new position is nursemaid to *Ella*, an otherworldly infant. She struggles to love the child who in time becomes her stepdaughter and, eventually, the celebrated princess who embodies everyone's unattainable fantasies. The story of their relationship reveals that nothing is what it seems, that beauty is not always desirable, and that love can take on many guises. Lyrically told, emotionally evocative, and brilliantly perceptive, *All the Ever Afters* explores the hidden complexities that lie beneath classic tales of good and evil, all the while showing us that how we confront adversity reveals a more profound, and ultimately more important, truth than the ideal of "happily ever after."

"As fearless as a futuristic *Game of Thrones*."—*MARGARET STOHL*, *New York Times* bestselling co-author of the *Beautiful Creatures* trilogy From

Melissa de la Cruz and *Michael Johnston*, the *New York Times* bestselling authors of the *Blue Bloods* and *Witches of East End* series. Welcome to *New Vegas*, a city once covered in bling, now blanketed in ice. Like much of the destroyed planet, the place knows only one temperature—freezing. But some things never change. The diamond in the ice desert is still a 24-hour hedonistic playground and nothing keeps the crowds away from the casino floors, never mind the rumors about sinister sorcery in its shadows. At the heart of this city is *Natasha Kestel*, a young blackjack dealer looking for a way out. Like many, she's heard of a mythical land simply called "the Blue." They say it's a paradise, where the sun still shines and the waters are turquoise. More importantly, it's a place where *Nat* won't be persecuted, even if her darkest secret comes to light. But passage to the Blue is treacherous, if not impossible, and her only shot is to bet on a ragtag crew of mercenaries led by a cocky runner named *Ryan Wesson* there. Danger and deceit await on every corner, even as *Nat* and *Wes* find themselves inexorably drawn to each other. But can true love survive the lies? Fiery hearts collide in this fantastic tale of the evil men do and the awesome power within us all. This is a remarkable first book in a spellbinding new series about the dawn of a new kind of magic.
