The Little Book: A Beginner's Guide to Finding Your Rhetorical Voice (Second Edition) Cognella Academic Publishing

From big ones to small ones and even ones that block out the sun; the bum is back! This cheeky little guide on the world ' s most popular body part is bouncing with fun, facts and quotes to help you celebrate the JUNK IN YOUR TRUNK.

A Little Guide for Teachers: Teacher Wellbeing and Self-care SAGE

The Little Book: A Beginner's Guide to Finding Your Rhetorical Voice helps students communicate with confidence in their speaking and writing. The material facilitates self-discovery and critical thinking as students learn to assess the validity of their ideas and express themselves with clarity and integrity. Early chapters emphasize critical thinking as the basis for original rhetorical thought, provide tips for building sound arguments, and introduce the concepts of rhetoric and sophistry. Additional chapters address appropriate word choice, the importance of analyzing an audience, defining intent and purpose, and constructing logical claims supported by credible evidence. The second edition content reorganization and revision to enhance the clarity of the material, increase student engagement, update material, and expand upon key concepts. It features two new chapters, "Finding Your Rhetorical Voice," which was previously only a section within a chapter, and

"Surveys and Scientific Studies: Some Caveats," which addresses the timely topics of fake news, scientific research, and critical thinking. The Little Book is an ideal resource for undergraduate courses in public speaking and professional writing.

The Neatest Little Guide to Stock Market Investing Flatiron Books

A treasury of inspirational writings on happiness shares daily wisdom on everything from overcoming stress to understanding the human mind in a volume that includes contributions by Jane Smiley, Elizabeth Gilbert and Neil deGrasse Tyson.

The Little Guide to Butterflies Little Book Of

I struggled to find the right adjective for life. Successful, rewarding, and happy are a few of the better ones that came to mind, but even these are inadequate.

Life is just too big. Big. That's the adjective I was looking for. I discovered after I had been married several years that my life wasn't big, it was just busy.

"You used to smile whenever you saw me," my wife, Christina, reminded me.

"That made me feel special. But you don't smile when you see me anymore, and I miss that." My love for Christina had grown, and she still turned heads, especially mine, so I had lots of reasons to smile. But she was right. I didn't smile as often as I used to, because I was usually thinking about my to-do list. I

appreciated her gentle reminder. I made a few changes and started smiling again. We're both happier now. In this little guide I share what I've learned about life, in the form of gentle reminders. You probably already know how to live a big life. If so, you don't need a big book. But perhaps some reminders would help you too. There are extra pages in the back you can use to add reminders for yourself or, if this book is a gift for someone, to share thoughts that have been meaningful to you over the years. Gentle Reminder #1: Smile when you see your spouse.

The Little Book of Contentment Little Book Of

Arranged in colour for speedy identification, with extra anecdotes from winsome characters in Charlotte Voake's inimitable style; this child-friendly guide also includes keynotes on plant parts and the seasons, along with a tick-box index for keen spotters. The Eden Project brings plants and people together. It is dedicated to developing a greater understanding of our shared global garden; encouraging us to respect plants - and protect them.

A Little Guide to a Big Life Little Books of Music

An inspiring collection of personal stories and wise words that celebrate the power of a fresh start. Some of us start over willingly, and others are forced by circumstance—but everyone who finds herself back at square one could use a dose of courage and comfort.

Readers will discover both in O's Little Guide to Starting Over, a collection of stirring pieces on the topic of beginning again. Just a few of the compelling writers and astute thinkers in the mix: Martha Beck, who advises us that embracing failure may lead to our greatest successes; Kelly Corrigan, who writes that accepting our lack of control can be both freeing and healing; and Junot Diaz, who offers reassurance that pushing ahead, even when it feels impossible, is the way to become the person we were meant to be. With moving stories, practical insight, and unforgettable voices, O's Little Guide to Starting Over is an essential road map for those who are breaking free, rising above, and making their way forward.
