Lobster Is the Best Medicine First Second

One cold fall day, high school junior Liz Emerson steers her car into a tree. This haunting and heartbreaking story is told by a surprising and unexpected narrator and unfolds in nonlinear flashbacks even as Liz's friends, foes, and family gather at the hospital and Liz clings to life. This riveting debut will appeal to fans of *Before I Fall*, by Lauren Oliver, and *13 Reasons Why*, by Jay Asher. "On the day Liz Emerson tries to die, they had reviewed Newton's laws of motion in physics class. Then, after school, she put them into practice by running her Mercedes off the road." Why did Liz Emerson decide that the world would be better off without her? Why did she give up? The nonlinear novel pieces together the short and devastating life of Meridian High's most popular junior girl. Mass, acceleration, momentum, force—Liz didn't understand it in physics, and even as her Mercedes hurtles toward the tree, she doesn't understand it now. How do we impact one another? How do our actions reverberate? What does it mean to be a friend? To love someone? To be a daughter? Or a mother? Is life truly more than cause and effect? Amy Zhang's haunting and universal story will appeal to fans of Lauren Oliver, Gayle Forman, and Jay Asher.

Lobster Is the Best Medicine Harlequin

From international bestselling author Liz Climo comes *You're Loved*, a funny and heartfelt picture book about new babies and the joys of growing up. You're brand new, and you're perfect. You're demanding, but you're worth it. Loving, uplifting, and hilariously honest, *You're Loved* is a celebration of the milestones of childhood and a tribute to the parents and caregivers who are there for every win, every fall, every goodnight kiss, and every sleepless night. With her trademark sense of humor, Liz Climo (creator of the beloved comic series *The Little World of Liz Climo*) pairs her adorable art with pitch perfect, gentle rhymes, making this a warm welcome gift for any new addition to the family. *You're Loved* celebrates all kinds of families, is inclusive of adoptive families, and can be the perfect gift for baby showers, Mother's Day, Father's Day, Grandparents Day, Valentine's Day, birthdays, or any day you want to say, "I love you."

A Memoir CreateSpace

Come spend some time in Liz Climo's world! The artist and popular blogger returns with another collection of her comics--this time following the seasons with her most beloved characters. Fans love Liz Climo's charmingly funny animal kingdom, which was first featured in *The Little World of Liz Climo* and *Lobster is the Best Medicine*. *Best Bear Ever!* follows Bear and Rabbit, along with their other friends (including Otter, Sloth, Skunk, and Turtle), to commemorate special days throughout the year, while also embarking on fun adventures to celebrate the seasons. When you have good pals like these, any time of year can be the BEST EVER!

All the World Chronicle Books

The role of the Shanghai Cooperation Organization (SCO) in regional politics and the significance of the organization for U.S. interests are widely misunderstood. The organization is emphatically not a military bloc, and yet engages in joint activities which resemble military cooperation to U.S. eyes. It is, in theory, open to new members; but at present is highly unlikely to accept any. Its rhetoric firmly opposes U.S. presence and activity on the territory of member states, and yet individual member states leverage basing agreements with the U.S. to their advantage. The author reviews SCO's history and stated aspirations, and measures these against actual achievements. He concludes that, with the notable exception of the Regional Anti-Terrorist Structure (RATS), the great majority of SCO accomplishments are of little significance other than to provide an additional multinational vehicle through which China and in particular Russia can seek to counter U.S. and Western activity in Central Asia.

On Elizabeth Bishop Chronicle Books

Texts from Mittens is a series of text message conversations between a snappy, self-absorbed housecat named Mittens and his long-suffering human, a single woman who works away from home during the day. Mittens relentlessly hassles his human all day long, while only taking breaks to watch Judge Judy, hang with his best friend Stumpy, complain about the antics of Drunk Patty the neighbor, ask Grandma for money to buy useless items from QVC, and harass the "filthy beast" dog, Phil. Angie Bailey is an award-winning writer and blogger, humorist, and professional member of the Cat Writers' Association. Her primary blog, Catladyland, has won many awards, and her humor writing is featured nearly daily on Catster.com, one of the most popular cat sites on the Web. She loves to photograph her cats in silly poses and sleeps with one eye open. And yes, she has three cats. "Each installment of *Texts From Mittens* is like a little gift to brighten your day!" —Kate Benjamin, Hauspanther founder and co-author of *Catification* with Jackson Galaxy "Texts From Mittens makes me wish my cat had thumbs! This is a hilarious book; Angie Bailey has done it again!" —Jeremy Greenberg, Author of *Sorry I Barfed on Your Bed* "We all knew that cats were hilarious, but Ms. Bailey's sardonic cat quips really take their mannerisms, attitude and occasional apathy to another level." —Susan Michals, Curator of Cat Art Show Los Angeles Come home! There's an emergency! What?? Are you OK? My dish is half empty! I'll be home soon. You wish starvation upon me! Stop being dramatic. Am weak. Caan hasrdly tyyppe. Are you going to wear those black pants on your bed? Yes. I have a date. They're comfortable. Mittens, get off my pants! FYI: Poly-blend makes your butt look big

40 Things I Want To Tell You Harper Collins

"This book focuses on the transformation of rural places, peoples, and land endemic to the contemporary manifestations of globalization. Migration, global economic restructuring and climate change are rapidly transforming rural places across the globe. Yet, global attention characteristically focuses on urban social and economic issues, neglecting the continued roles of rural people and places. Organized around the three core themes of demographic change, rural-urban partnerships and innovations, and landscape change, the case studies included in this volume represent both the Global North and Global South and underscore the complexity and multi-scalar nature of these contemporary challenges in rural development, planning, and sustainability. This book would be valuable supplementary reading for both students and professionals in the fields of rural land management and rural planning"--

The Liz Taylor Ring Graphix

This simple, profound, Caldecott Honor story is now available as a Classic Board Book. All the world is here. It is there. It is everywhere. All the world is right where you are. Now. Following a circle of family and friends through the

course of a day from morning until night, this book affirms the importance of all things great and small in our world, from the tiniest shell on the beach, to the warmth of family connections, to the widest sunset sky. Now available as a Classic Board Book, this Caldecott Honor picture book written by Liz Garton Scanlon and illustrated by Marla Frazee is perfect for the youngest of readers. Flatiron Books

In his classic book, *The Five Dysfunctions of a Team*, Patrick Lencioni laid out a groundbreaking approach for tackling the perilous group behaviors that destroy teamwork. Here he turns his focus to the individual, revealing the three indispensable virtues of an ideal team player. In *The Ideal Team Player*, Lencioni tells the story of Jeff Shanley, a leader desperate to save his uncle's company by restoring its cultural commitment to teamwork. Jeff must crack the code on the virtues that real team players possess, and then build a culture of hiring and development around those virtues. Beyond the fable, Lencioni presents a practical framework and actionable tools for identifying, hiring, and developing ideal team players. Whether you're a leader trying to create a culture around teamwork, a staffing professional looking to hire real team players, or a team player wanting to improve yourself, this book will prove to be as useful as it is compelling.

Falling into Place Simon and Schuster

"Brenda Janowitz writes with extraordinary humor and heart." —JANE GREEN, New York Times bestselling author *Three Siblings*. A priceless family ring. One legendary love story. In 1978, Lizzie Morgan and Ritchie Schneider embark on a whirlwind romance on the bright beaches and glamorous yachts of Long Island. Over the years, their relationship has its share of ups and downs, including a nine-month hiatus that ends with a stunning eleven-carat ring—one that looks just like the diamond Richard Burton gifted Liz Taylor after their own separation. Like the famous couple, despite the drama that would unfold throughout the Schneiders' marriage, the ring would be there as a symbol of their love...until it wasn't. Decades later, when the lost ring unexpectedly resurfaces, the Schneiders' three children gather under one roof for the first time in years, eager to get their hands on this beloved, expensive reminder of their departed parents. But determining the fate of the heirloom is no simple task, unearthing old wounds and heartaches the siblings can't ignore. And when the ring reveals a secret that challenges everything they thought they knew about their parents' epic love story, they'll have to decide whether to move forward as a family or let the ring break them once and for all.

Speaking of Faith Running Press Adult

#1 New York Times Bestseller "THIS. This is the right book for right now. Yes, learning requires focus. But, unlearning and relearning requires much more—it requires choosing courage over comfort. In *Think Again*, Adam Grant weaves together research and storytelling to help us build the intellectual and emotional muscle we need to stay curious enough about the world to actually change it. I've never felt so hopeful about what I don't know." —Brené Brown, Ph.D., #1 New York Times bestselling author of *Dare to Lead* The bestselling author of *Give and Take* and *Originals* examines the critical art of rethinking: learning to question your opinions and open other people's minds, which can position you for excellence at work and wisdom in life Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, there's another set of cognitive skills that might matter more: the ability to rethink and unlearn. In our daily lives, too many of us favor the comfort of conviction over the discomfort of doubt. We listen to opinions that make us feel good, instead of ideas that make us think hard. We see disagreement as a threat to our egos, rather than an opportunity to learn. We surround ourselves with people who agree with our conclusions, when we should be gravitating toward those who challenge our thought process. The result is that our beliefs get brittle long before our bones. We think too much like preachers defending our sacred beliefs, prosecutors proving the other side wrong, and politicians campaigning for approval--and too little like scientists searching for truth. Intelligence is no cure, and it can even be a curse: being good at thinking can make us worse at rethinking. The brighter we are, the blinder to our own limitations we can become. Organizational psychologist Adam Grant is an expert on opening other people's minds--and our own. As Wharton's top-rated professor and the bestselling author of *Originals* and *Give and Take*, he makes it one of his guiding principles to argue like he's right but listen like he's wrong. With bold ideas and rigorous evidence, he investigates how we can embrace the joy of being wrong, bring nuance to charged conversations, and build schools, workplaces, and communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, a vaccine whisperer convinces concerned parents to immunize their children, and Adam has coaxed Yankees fans to root for the Red Sox. *Think Again* reveals that we don't have to believe everything we think or internalize everything we feel. It's an invitation to let go of views that are no longer serving us well and prize mental flexibility over foolish consistency. If knowledge is power, knowing what we don't know is wisdom.

A Snake Falls to Earth Running Press Adult

A thought-provoking, original appraisal of the meaning of religion by the host of public radio's *On Being* Krista Tippett, widely becoming known as the Bill Moyers of radio, is one of the country's most intelligent and insightful commentators on religion, ethics, and the human spirit. With this book, she draws on her own life story and her intimate conversations with both ordinary and famous figures, including Elie Wiesel, Karen Armstrong, and Thich Nhat Hanh, to explore complex subjects like science, love, virtue, and violence within the context of spirituality and everyday life. Her way of speaking about the mysteries of life--and of listening with care to those who endeavor to understand those mysteries--is nothing short of revolutionary.

Rory the Dinosaur Needs a Christmas Tree Running Press

From international bestselling author Liz Climo comes *You're Mom*, a hilarious and relatable collection of original comics about motherhood. Moms: they are there for us through the good, the bad, the scary, the sticky, and everything in between. They also read us a lot of picture books along the way, and now there's a picture book just for them. Liz Climo brings her trademark wit and adorable drawings to *You're Mom*: a funny, honest, and sweet homage to motherhood. Detailing the ups and downs of mothering, along with the many paths to becoming a mom and the different types of motherhood, Climo pairs humorous observations with clever illustrations of baby animals and their mothers. With more than 100 beautiful drawings, *You're Mom* is a book for the new mom, the seasoned mom, anyone in a mom-like role, or anyone who has ever loved a mom. It's a thank you to those taking on the challenging role of parenting - and it's also short and sweet, which means you can read it and then hopefully get some sleep!

Best Bear Ever! Atria Books

The hilarious and heartwarming companion to international bestselling author Liz Climo's *You're Mom*. From new dads to those who've been around the block, dads who go to work to those who are at home, and all the dads in between, *You're Dad* is a touching tribute to fathers everywhere. With humor, heart, and adorable drawings, Liz Climo celebrates fatherhood in all its shapes and sizes (and species). Featuring different types of dads and the paths they can travel, Climo's whimsical animal illustrations take us through the adventures of fatherhood, commemorating the laughter and the tears as well as the stumbles and the triumphs. Perfect for dads, the dad-like, any and all parents, and the people who love them, this sweet collection of fatherly love will move and delight.

You're Mom Running Press

Nina is a Lipan girl in our world. She's always felt there was something more out there. She still believes in the old stories. Oli is a cottonmouth kid, from the land of spirits and monsters. Like all cottonmouths, he's been cast from home. He's found a new one on the banks of the bottomless lake. Nina and Oli have no idea the other exists. But a catastrophic event on Earth, and a strange sickness that befalls Oli's best friend, will drive their worlds together in ways they haven't been in centuries. And there are some who will kill to keep them apart. Darcie Little Badger introduced herself to the world with *Elatsoe*. In *A Snake Falls to Earth*, she draws on traditional Lipan Apache storytelling structure to weave another unforgettable tale of monsters, magic, and family. It is not to be missed.

Rural Transformations John Wiley & Sons

Amy (a.k.a. Bird) seems to have the perfect life: loving parents, a hot boyfriend, the best friend ever. She even writes an online advice column, full of Top Tips, to help other teens take control of their lives. But after a new guy shows up at school, Bird can't seem to follow her own wisdom. Pete is the consummate bad boy. He's everything Bird is not: wild, unambitious and more than a little dangerous. Although she knows he's trouble, Bird can't stay away. And the more drawn she is to Pete, the more cracks are revealed in her relationship with Griffin, her doting boyfriend. Meanwhile, her parents' marriage is also fracturing, possibly for good. Bird is way out of her comfort zone. All it takes is one mistake, one momentary loss of control, for her entire future to be blown away . . .

Think Again Little, Brown Books for Young Readers

Ben's dreams are all nightmares . . . And his nightmares are real! Ben has a problem. When he sleeps he dreams, and when he dreams, they're all nightmares! But he can also jump into other people's dreams. So when his friends start falling victim to an evil dream-monster that prevents them from waking, Ben knows he has to help them. Easier said than done when dreams can shift and the monster knows his way around the ever-changing landscape of the mind! With help from a talking rabbit-companion who has a mysterious past, Ben might just be able to defeat the monster and save his friends . . . if he can figure out how to use the power within him against his enemies.

A Record of Aerospace Achievement Dramatists Play Service Inc

A celebration of friendship returns readers to a quirky animal kingdom where a menagerie of grizzlies, bunny rabbits, and other critters humorously explore relationship issues.

You're Loved Roaring Brook Press

Liz Scheier's darkly funny and touching memoir—with shades of Jeannette Walls's *The Glass Castle* and Mira Bartók's *The Memory Palace*—of growing up in '90s Manhattan with a brilliant, mendacious single mother. Scheier's mother Judith was a news junkie, a hilarious storyteller, a fast-talking charmer you couldn't look away from, a single mother whose devotion crossed the line into obsession, and—when in the grips of the mental illness that plagued every day of her life—a violent and abusive liar whose hold on reality was shaky at best. On an uneventful afternoon when Scheier was eighteen, her mother sauntered into the room to tell her two important things: one, she had been married for most of Scheier's life to a man she'd never heard of, and two, the man she'd told Scheier was her father was entirely fictional. She'd made him up. Those two big lies were the start, but not the end; it took dozens of smaller lies to support them, and by the time she was done she had built a farcical, half-true life for the two of them, from fake social security number to fabricated husband. One hot July day twenty years later, Scheier receives a voicemail from Adult Protective Services, reporting that Judith has stopped paying rent and is refusing all offers of assistance. That call is the start of a shocking journey that takes the Scheiers, mother and daughter, deep into the cascading effects of decades of lies and deception. *Never Simple* is the story of learning to survive—and, finally, trying to save—a complicated parent, as feared as she is loved, and as self-destructive as she is adoring.
