Hoosiers and the American Story Messenger Publications  
Newbery Medal-winning author Beverly Cleary ramps up the humor and adventure in the second book in the Ralph S. Mouse trilogy. With a motorcycle to rev and the open road to see, Ralph S. Mouse is itching to run away from his overprotective family! But once he escapes to a summer campground nearby, the horrors of the wild make him doubt his plan. Angry cats, scary watchdogs, and grouchy gophers are only the half of it... But then he befriends Garf, a sad and friendless boy at the camp. Though he wants desperately to be back home with his relatives, Ralph realizes that he may need to help Garf before he can help himself. Runaway Ralph is perfect for independent reading or for shared reading at home or in a classroom. This fun story is the second of a trilogy, along with *The Mouse and the Motorcycle* and *Ralph S. Mouse*, all inspired by the author's hope to create appealing books for boys and girls—and by the sight of her son playing with toy cars.
