I recently finished Laurie Bestvater's The Living Page: Keeping Notebooks with Charlotte Mason, and I loved it. I bought it based on Brandy's reviews, and I'm glad I made the leap-of-faith, even though I am only a Charlotte Mason admirer and not a strict adherer. I think this book, with the history behind commonplace books and Mason's implementation of it, demonstrates more clearly than ever that Charlotte Mason was not an innovator, but was making methods and practices based soundly ...
