handful of Central American arms dealers and the Antoinette, a gun-smuggling cargo ship out of Miami.

Amid the wreckage of ships new and old, the crew of the Antoinette—and the undercover FBI agent on board—enter what looks like a haven for modern pirates, only to discover that it hides something far more terrifying. In Washington, two Department of Defense scientists might understand what is about to happen. On an FBI ship monitoring the Antoinette's illegal trade, armed agents might be able to intervene.
