Tyler Locke is a great hero who  
seems to attract trouble. The  
baddies are larger than life and test  
Tyler's resources to the full, and the  
plots would not be out of place in a  
James Bond adventure. I love these  
books! This book starts in Paris,  
continues in the US and concludes  
in the Scottish Highlands, visiting

London and Versailles along the  
way.

"Boyd Morrison's Loch Ness  
Legacy is a fantastic read:  
part mystery, part thriller,  
part scientific exploration.

Like his character, Tyler  
Locke, Morrison is at home  
with high-technology, the  
latest gadgets and the  
weaving of great escapes  
from the most dangerous of  
perils.
