Farming for the Long Haul Disney Electronic Content

The pressure's really piling up on Greg Heffley. His mom thinks video games are turning his brain to mush, so she wants her son to put down the controller and explore his "creative side." As if that's not scary enough, Halloween's just around the corner and the frights are coming at Greg from every angle. When Greg discovers a bag of gummy worms, it sparks an idea. Can he get his mom off his back by making a movie . . . and will he become rich and famous in the process? Or will doubling down on this plan just double Greg's troubles?

Jeff Kinney has brought Greg Heffley back for the ninth instalment of his bestselling *Diary of a Wimpy Kid* series. This time, the Heffleys are off on a road trip! The chances of survival are... quite small to be honest. If I had to guess, I'd say 90% of everything we do as a family comes from ideas Mom gets from that magazine. And when I saw the latest issue I knew it was gonna get Mom's wheels turning. When Greg's mom decides the family are going to have an 'authentic experience' this summer on a family road trip, Greg is less than excited. All the Heffley's trapped in a minivan for miles and miles... it spells disaster. And when Greg has to battle petrol-station bathrooms, crazed seagulls, a fender bender and a runaway pig, it seems he was right to be worried. This is one adventure the Heffleys won't forget! Reluctant and avid readers of 7+ can't get enough of Greg and the disasters that follow him around!

Eva Sees a Ghost: A Branches Book (Owl Diaries #2) Abrams

A family road trip is supposed to be a lot of fun . . . unless, of course, you're the Heffleys. The journey starts off full of promise, then quickly takes several wrong turns. Gas station bathrooms, crazed seagulls, a fender bender, and a runaway pig--not exactly Greg Heffley's idea of a good time. But even the worst road trip can turn into an adventure--and this is one the Heffleys won't soon forget.

The Long Haul Abrams

"Life was better in the old days. Or was it? That's the question Greg Heffley is asking as his town voluntarily unplugs and goes electronics-free. But modern life has its conveniences, and Greg isn't cut out for an old-fashioned world. With tension building inside and outside the Heffley home, will Greg find a way to survive?"--

Here is a road map for organizations wanting a long and healthy life. In this companion to her classic how-to book, *Fundraising for Social Change*, Kim Klein distills her 25 years of experience

and wisdom as an accomplished fundraiser, trainer and author. After sharing some of the lessons she learned from her own mistakes, Klein details the elements of a healthy organization and a healthy fundraising program. She then discusses the most common barriers to organizational health -- including Founder's Syndrome, the search for financial security, and taking donors for granted. Along with tips and techniques, Klein presents the philosophical underpinnings for long-term commitment to social change work and the means to make it sustainable.
