\* National Bestseller and winner of the 2014 International IMPAC Dublin Literary Award \* Hailed by Edmund White as "a brilliant new novel" on the cover of the *New York Times Book Review* \* Lauded by Jonathan Franzen, E. L. Doctorow and many others From a global literary star comes a prize-winning tour de force – an intimate portrayal of the drug wars in Colombia. Juan Gabriel Vásquez has been hailed not only as one of South America's greatest literary stars, but also as one of the most acclaimed writers of his generation. In this gorgeously wrought, award-winning novel, Vásquez confronts the history of his home country, Colombia. In the city of Bogotá, Antonio Yammara reads an article about a hippo that had escaped from a derelict zoo once owned by legendary Colombian drug kingpin Pablo

Escobar. The article transports Antonio back to when the war between Escobar's Medellín cartel and government forces played out violently in Colombia's streets and in the skies above. Back then, Antonio witnessed a friend's murder, an event that haunts him still. As he investigates, he discovers the many ways in which his own life and his friend's family have been shaped by his country's recent violent past. His journey leads him all the way back to the 1960s and a world on the brink of change: a time before narco-trafficking trapped a whole generation in a living nightmare. Vásquez is "one of the most original new voices of Latin American literature," according to Nobel Prize winner Mario Vargas Llosa, and *The Sound of Things Falling* is his most personal, most contemporary novel to date, a masterpiece that takes his writing—and will take his literary star—even higher.

Honey---a vivacious, wealthy, seventeen-year-old daughter of a politician---has a penchant for drug dealers, mad-dog bikers, booze, sex, crank, and guns. She's run off with Cobra, the leader of a band of motorcycle-gang outcasts who have dubbed themselves the Outriders since they are too hotheaded and reckless for other rival gangs. But her father, who is running for the U.S. Senate, wants her back before she takes his career down in flames along with her hell-bent soul. Enter Scott Weiss and Jim Bishop, Andrew Klavan's star private eyes from *Dynamite Road*. Weiss is a former cop who is an accomplished detective with a lot of connections. Bishop is a savvy, strong-willed tough guy and ladies' man who does the legwork for Weiss's agency. Bishop's assignment: infiltrate the Outriders and seduce and steal Honey away from Cobra. But has Bishop finally met his match? Cobra is brilliant as well as bad---an oddly intellectual biker who is one step ahead of everyone on his trail. And Honey is not only rich and beautiful, she is hotter than the hinges of hell, irresistibly alluring, a black widow who draws the hardest, toughest, sharpest hustlers into her lethal web---where she consumes them whole. Bishop, falling for a woman like never before, is drawn into Honey's web, and even with the diabolically clever Weiss in his corner---working with the cops, scheming with the politicians, pulling the strings, and calling the shots---Bishop may be going down. Has Bishop finally met his match? Is Honey too hot to handle? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM)
