"A breathtaking fantasy set in an extraordinary fairy-tale world, with deceptive twists and an addictively adorable cast who are illusory to the end. Just when I thought I'd figured each out, Sara Ella sent me for another ride. A wholly original story, *Unblemished* begins as a sweet melody and quickly becomes an anthem of the heart. And I'm singing my soul out. Fans of *Once Upon a Time* and Julie Kagawa, brace yourselves." —Mary Weber, award-winning author of the *Storm Siren Trilogy* Eliyana can't bear to look at her own reflection. But what if that were only one Reflection—one world? What if another world exists where her blemish could become her strength? Eliyana is used to the shadows. With a birthmark covering half her face, she just hopes to graduate high school unscathed. That is, until Joshua hops a fence and changes her perspective. No one, aside from her mother, has ever treated her like he does: normal. Maybe even beautiful. Because of Joshua, Eliyana finally begins to believe she could be loved. But one night her mother doesn't come home, and that's when everything gets weird. Now Joshua is her new, and rather reluctant, legal guardian. Add a hooded stalker and a Central Park battle to the mix and you've gone from weird to otherworldly. Eliyana soon finds herself in a world much larger and more complicated than she's ever known. A world enslaved by a powerful and vile man. And Eliyana holds the answer to defeating him. How can an ordinary girl, a blemished girl, become a savior when she can't even save herself? "Lyrically written and achingly romantic—*Unblemished* will tug your heartstrings!" —Melissa Landers, author of *Alienated*, *Invaded*, and *Starflight* "Self-worth and destiny collide in this twisty-turny fantasy full of surprise and heart. Propelled into a world she knows nothing about, Eliyana learns that the birthmark she despises is not quite the superficial curse she thought it was—it's worse, and the mark comes with a heavy responsibility. Can she face her reflection long enough to be the hero her new friends need? With charm and wit, author Sara Ella delivers *Unblemished*, a magical story with a compelling message and a unique take on the perils of Central Park." —Shannon Dittmore, author of the *Angel Eyes* trilogy "Unblemished is an enchanting, beautifully written adventure with a pitch-perfect blend of fantasy, realism, and romance. Move this one to the top of your TBR pile and clear your schedule—you won't want to put it down!" —Lorie Langdon, author of the Amazon bestselling *DOON* series "Unblemished had me from the first chapter—mystery, romance, and mind-blowing twists and turns that I SO did not see coming! The worlds Sara Ella builds are complex and seamless; the characters she creates are beautifully flawed. Readers are sure to love this book and finish it, as I did, begging for more!" —Krista McGee, author of the *ANOMALY* trilogy
